As provided for under #30.23 of the Lombard Municipal Code, each Standing Advisory Committee shall consist of six (6) voting members who shall be residents of the Village. Voting members of the Standing Advisory Committees shall serve in such capacity for two (2) year terms beginning on the 22nd day in May in each odd numbered year.

This represents an excellent time for the Committee Chairperson along with the Alternate Chairperson to review said voting members and to make contact with each of them regarding re-appointment of committee members at our June 2, 2005 Village Board Meeting. As provided for under #30.22 of the Lombard Municipal Code, the Trustee who is Chairperson of a committee shall have the primary responsibility for filling vacancies in that committee.

I would be more than happy to work with any of you if you have any questions regarding these new committee assignments.
