| <b>Comments</b>                | <p>May 14th was the ground breaking for a new pedestrian tunnel that will be built in the heart of downtown. The project is funded by Metra, Union Pacific, The Village of Lombard and The Illinois commerce commission. Downtown has been the location for an arts and craft fair for over 2000 people, a Blackhawks game for over 700 attendees and a LTC mixer.</p> |                            |
