 Through: Dave Gorman, P.E., Acting Director of Public Works *DAG*
 From: Frank Kalisik, Civil Engineer *FK*
 Date: January 23, 2008
 Subject: No Parking on Madison at St. Pius X

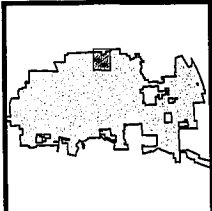

A request was made by Mr. John Matyasik, Business Manager of St. Pius X Parish, to investigate the no parking configurations on eastbound Madison Street, just east of Westmore-Meyers Avenue. Public Works Staff responded by researching the existing No Parking Zone requirements and observing field conditions. Essentially, traffic exiting the church parking lot onto Madison Street does not have sufficient line of sight to the east when vehicles are parked on the south side of Madison Street, immediately east of the church drive. Therefore, a one-hundred (100) foot extension of the existing No Parking Zone on eastbound Madison Street is recommended for consideration.

SCHEDULE VII – PARKING PROHIBITED AT ALL TIMES ON CERTAIN STREETS		
In accordance with Section 10-13-6 and when signs are erected giving notice thereof, no person shall, at any time, park a vehicle upon any of the following streets or parts of streets:		
Name of Street	From	To
Madison St., south side	Westmore Ave.	225 ft. east to first driveway of St. Pius School
Madison St., south side	Westmore Ave.	325 ft. east to the eastern right-of-way line of Cedar Lane.

See attached map for reference.

This item will be on the February 4, 2008 Transportation and Safety Committee agenda. The meeting is held at the Village Hall in the Community Room at 7:00 PM. This is a public meeting and public participation is encouraged.
