

MEMORANDUM

TO: William T. Lichter, Village Manager

FROM: David A. Hulseberg, AICP, Director of Community Development

DATE: October 24, 2006

SUBJECT: DuPage Community Development Commission
Intergovernmental Agreement

Background:

The DuPage Community Development Commission (CDC) has been working on a revised Intergovernmental Agreement for the CDC. The reason for the revision is that it has not been updated since 1977 and there has been a request by the Village of Itasca to become a member.

The full CDC approved this agreement on September 26, 2006. Per this Agreement, all municipalities must adopt this revised Agreement with the County in order to remain a member of the CDC. Also, in order to receive Community Development Block Grant funds in the 2007 program year, which begins in April 2007, the Village of Lombard needs to adopt the revised Intergovernmental Agreement prior to the CDC's annual meeting scheduled for March 27, 2007.

As you may recall, the Village of Lombard applied for and received CDBG grant funds for the East South Broadway Neighborhood and Pocket Park projects.

Village Counsel has had an opportunity to review this document and finds it acceptable.

Recommendation:

Staff recommends that the Village Board of Trustees approve a resolution authorizing the signatures of Village President and Clerk on an Intergovernmental Agreement for Housing and Community Development with DuPage County.
