MEMORANDUM

To: Scott Niehaus, Village Manager
From: Dan Price, GIS Technician *DP/SP*
Through: Carl S. Goldsmith, Director of Public Works *g*
Date: December 7, 2015
Subject: ESRI Enterprise License Agreement

Background

The Village of Lombard Public Works Department is seeking to enter into a three-year Enterprise License Agreement (ELA) with ESRI, the Village's GIS software vendor and sole source, to optimize maintenance and upgrade costs.

In 2015, the cost of GIS software maintenance for the Public Works department was \$8,606. In 2016, this is projected to rise to \$16,606 with the additional cost of \$8,500 for a required GIS server software upgrade. In 2017 and 2018, GIS software maintenance costs are projected to be \$14,106 each year due to the software upgrade. That figure is projected if no GIS software upgrades or additions are required. This brings a projected 3-year GIS software maintenance cost of \$44,818.

In accordance with the ELA, the Public Works department will be covered for all ESRI GIS software maintenance, plus allow Public Works to install any ESRI GIS software on any computers or devices that employs the work of the Public Works department. This includes the installation of GIS software on the village GIS servers and in the Private Engineering Services Division of Community Development Department, since they would be using the software for the benefit of Public Works.

The agreement is contracted out for 3 years at a cost of \$15,000 per year, which about equals the cost of the projected 3-year maintenance (\$45,000 vs. \$44,818), plus allows the department to add any software for all.

Recommendation

Village staff recommends that the Board of Trustees waive bids and approve the ESRI License Agreement in a total amount not to exceed \$45,000 for FY2016, FY2017 and FY2018 at their December 17, 2015 meeting.

7.0—ADMINISTRATIVE REQUIREMENTS

7.1 OEM Licenses. Under Esri's OEM or Solution OEM programs, OEM partners are authorized to embed or bundle portions of Esri products and services with their application or service. OEM partners' business model, licensing terms and conditions, and pricing are independent of this Agreement. Licensee will not seek any discount from the OEM partner or Esri based on the availability of Products under this Agreement. Licensee will not decouple Esri products or services from the OEM partners' application or service.

7.2 Annual Report of Deployments. At each anniversary date and ninety (90) calendar days prior to the expiration date of this Agreement, Licensee will provide Esri with a written report detailing all Deployments. Upon request, Licensee will provide records sufficient to verify the accuracy of the annual report.

8.0—ORDERING, ADMINISTRATIVE PROCEDURES, DELIVERY, AND DEPLOYMENT

8.1 Orders, Delivery, and Deployment

- a. Licensee will issue an Ordering Document upon execution of this Agreement and annually thereafter in accordance with the Quotation. Esri's federal ID number is 95-2775-732.

If requested, Esri will ship backup media to the ship-to address identified on the Ordering Document, FOB Destination, with shipping charges prepaid. For those entities that avoid sales tax by downloading deliverables, request for delivery or receipt of tangible media may cause the Fee to be subject to taxes. Licensee acknowledges that should such taxes become due, Esri has a right to invoice and Licensee will pay any such sales or use tax associated with its receipt of tangible media.
- c. Esri will provide Authorization Codes to activate the nondestructive copy protection program that enables the Products to operate.

9.0—MERGERS, ACQUISITIONS, OR DIVESTITURES

If Licensee is a commercial entity, Licensee will notify Esri in writing in the event of (i) a consolidation, merger, or reorganization of Licensee with or into another corporation or entity; (ii) Licensee's acquisition of another entity; or (iii) a transfer or sale of all or part of Licensee's organization (subsections i, ii, and iii, collectively referred to as "Ownership Change"). There will be no decrease in Fee as a result of any Ownership Change.

- 9.1 If an Ownership Change increases the cumulative program count beyond the maximum level for this Agreement, Esri reserves the right to increase the Fee or terminate this Agreement and the parties will negotiate a new agreement.
- 9.2 If an Ownership Change results in transfer or sale of a portion of Licensee's organization, that portion of Licensee's organization will uninstall, remove, and destroy or transfer the Products to Licensee.
- 9.3 This Agreement may not be assigned to a successor entity as a result of an Ownership Change unless approved by Esri in writing in advance. If the assignment to the new entity is not approved, Licensee will require any successor entity to uninstall, remove, and destroy the Products, and this Agreement will terminate upon such Ownership Change.
