

MEMORANDUM

TO: David A. Hulseberg, Village Manager

FROM: Nick Hatfield, PE, Development Engineer

DATE: January 10, 2011

**SUBJECT: ACCEPTANCE OF PUBLIC WATERMAIN AND FIRE HYDRANTS
AT 300 E. ROOSEVELT ROAD (MCDONALD'S), IN LOMBARD,
ILLINOIS**

The Private Engineering Services Division of the Community Development Department recommends that the Board of Trustees accept the public watermain and fire hydrants at 300 E. Roosevelt Road (McDonald's). Attached is the updated utility map. Please present the attached resolution to the Board of Trustees at their January 20, 2011 meeting.

The stated improvements are acceptable since it was installed substantially to plan and passed all required tests. The Private Engineering Services Division has approved the project record drawings. The extensive delay in accepting these improvements was due to the required easement necessary for the maintenance of these improvements not being provided in a timely manner. The easement was recently provided and its acceptance is part of this Board of Trustee's meeting agenda. Please call me with any additional questions.
