Subject: June 2015 Meeting Item 3—Prairie Path Parking (Willow St.)

Per Committee direction, staff has prepared an exhibit showing a one mile radius with parking restrictions. While the Metra station is over a half mile away, commuters appear to be using the eastern portion of this parking on Willow as shown in the below pictures. The restriction should allow path users to complete their activity while discouraging commuter parking. The proposed restriction would be three hour parking between 8 a.m. and 6 p.m. except Sundays and holidays (Traffic Code Schedule X, Section R). Path parking between Brewster and Finley would receive the parking restriction.

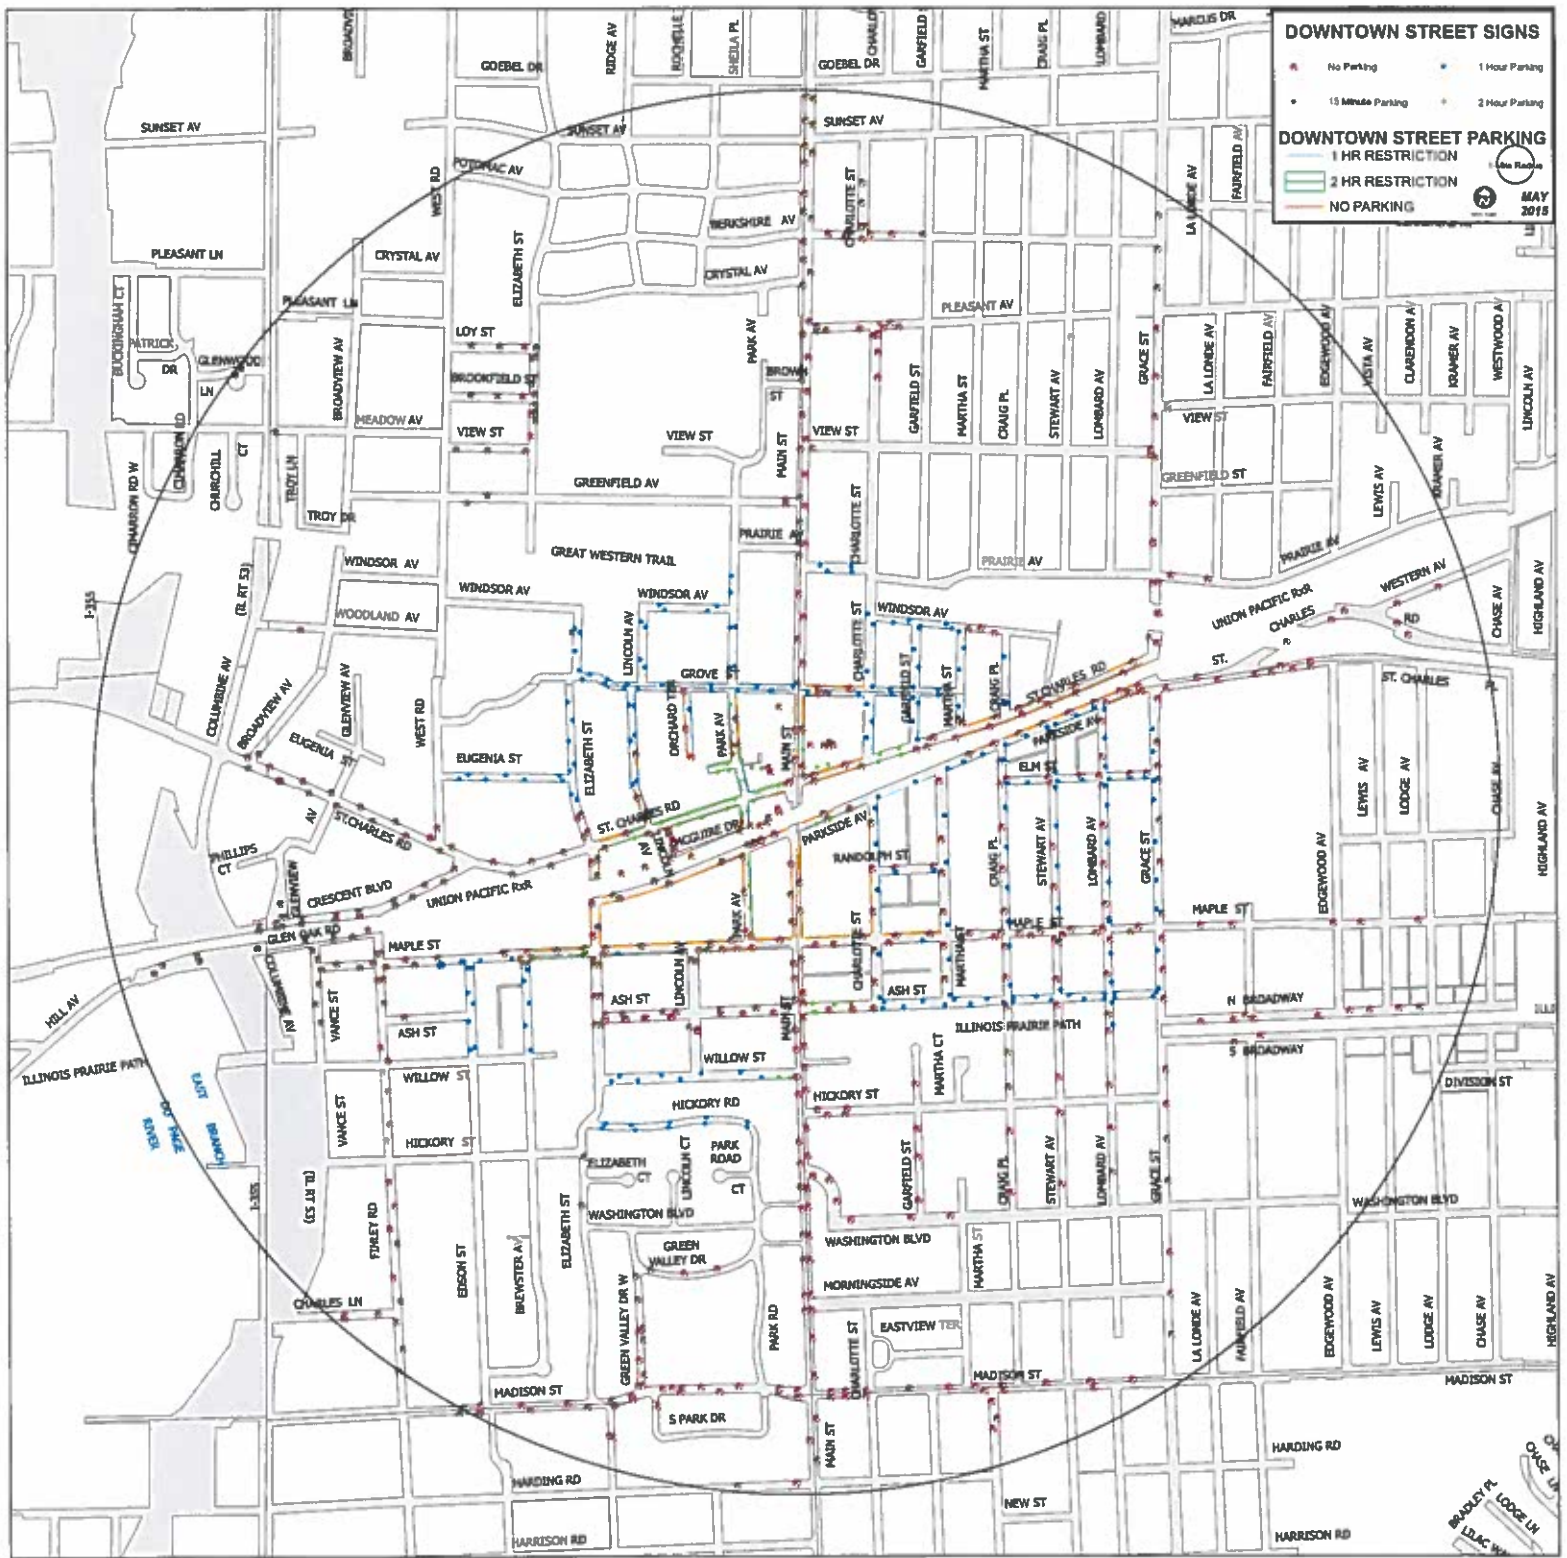

Staff recommends approval of the parking request.
