Dear Keith Giagnorio, Liquor Commissioner,

I am writing to apply for a Class J Liquor License for the proposed Lombard Brew Fest taking place on Parkside Ave, adjacent to the train tracks and Lilacia Park on Saturday, July 22, 2023.

My name is Jenelle Metcalf and I'm the co-chair of the Lombard Junior Women's Club's Ways & Means committee. I will be the lead contact for the LJWC for the Lombard Brew Fest.

About the Lombard Junior Women's Club

Established in 1930, Lombard Junior Women's Club (LJWC) is a member of the General Federation of Women's Clubs (GFWC), one of the largest non-denominational, non-partisan women's volunteer organizations in the world. It is also affiliated with 190 federated clubs in GFWC Illinois, including 20 clubs in DuPage County, as members of the 5/6 District. LJWC has 501(c)3 status as a philanthropic organization as recognized by the Internal Revenue Service.

About the Lombard Brew Fest

The Lombard Brew Fest is a single-day beer-tasting event that will feature beers, ciders, meads, and seltzers from 35-40 local breweries. Tasting booths will be placed throughout the road on Parkside Ave. We are hopeful to sell out a capacity of 1,000-1,200 event attendees. Proposed pricing is still being determined, but we expect average general admission pricing to be between \$40-\$50/ticket and VIP pricing to be between \$50-\$60/ticket.

Each event ticket will include a souvenir tasting glass and 20, 3-ounce samples, with more than 60 varieties to choose from. Food will be available for purchase from local restaurants or food trucks. We will work closely to ensure that the food offered at the event complies with any/all Village rules/permits. The proposed timing of the event is 1:00 - 4:00 pm. A VIP ticket option will likely be offered and will include one-hour early access to the event (meaning a noon start time for VIPs.) A designated driver ticket will be available for nondrinking guests 21+. No guests under the age of 21 will be allowed in the event.

Consumption will be tracked through a wearable tasting card. Before receiving a sample, each attendee must have one “tasting” marked off of their card by one of our event volunteers. All consumption for this event will be done on-premise. There will be no alcohol allowed outside of the event and absolutely no sale of alcohol by any of our vendors.

We plan to revitalize the former Lombard Ale Fest, and therefore plan to utilize much of their already approved plan with the Village of Lombard and the Lombard Park District. We will work with the village to ensure the entire tasting area is fenced off upon entering the festival as it was in previous years. We are committed to ensuring a safe event for all and would like to work closely with the Lombard Police Department. All event attendees must be 21+ and will have to present identification before they are admitted into our event. Should the Lombard PD prefer not to check IDs, we will be using a third-party security vendor – Inner Valor. We briefly met with the Lombard Police Department on Thursday, May 4, 2023, and feel comfortable working closely with their leadership to ensure we have a strong police/security presence throughout the entire event. Future plans and meetings will take place with representatives from the police department and our planning committee to finalize a security plan that we’re both happy with.

Ravenswood Special Events

To ensure this event goes off without a hitch. The Lombard Junior Women’s Club is partnering with Ravenswood Special Events. Ravenswood’s event organizing experience includes several prominent Chicago area festivals, the Elmhurst Rock the Block music festival, and is also contracted by The Morton Arboretum as an event producer of their three beer festivals. Since Ravenswood will be assisting in the procurement of the alcohol for the event they are also providing a Certificate of Insurance which includes Dram Shop coverage.

Where the money will go?

The Lombard Junior Women’s Club is a non-profit service organization. All funds that are raised via the Lombard Junior’s Women’s Club Philanthropic Fund are generously donated back to worthy organizations – many of which are local to the Lombard and neighboring Chicagoland communities. In addition, since this is a new event, we are also brainstorming ways to help other local community organizations achieve their own goals, receive exposure in the community, and take part in the event.

Please let me know if you have additional questions or concerns about this event. I am happy to provide additional supporting documents as needed. We understand that this Class J license approval is subject to grant approval as well as the approval of our Lombard Special Event permit and hopeful that we can make this event happen this year. Again, please let me know if you have any additional questions or concerns.

Sincerely,

Jenelle Metcalf
