IN THE VILLAGE OF LOMBARD, DUPAGE COUNTY, ILLINOIS**

THIS AGREEMENT is between the Village of Lombard, DuPage County, Illinois, a municipal corporation (hereinafter referred to as the "Village") and Neri Development Corporation, doing business as Highland Partners LLC, an Illinois limited liability company (hereinafter referred to as "Developer"), and is dated this ____ day of _____, 2004.

WITNESSETH:

IN CONSIDERATION of the Preliminary Statements, the mutual covenants herein contained, and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the parties hereto agree as follows:

I. PRELIMINARY STATEMENTS

Among the matters of mutual inducement which have resulted in this Agreement are the following:

- A. The State of Illinois has adopted tax increment financing pursuant to the Tax Increment Allocation Redevelopment Act, 65 ILCS 5/11-74.4-1 et seq., as from time to time amended (hereinafter referred to as "Act").
- B. Pursuant to and in accordance with the requirements of the Act, on February 5, 2004, the corporate authorities of the Village adopted Ordinance No. 5436, entitled "An Ordinance Approving the Tax Increment Redevelopment Plan and Project" for the Lombard St. Charles Road T.I.F. II – East District, which sets forth a plan (hereinafter referred to as the "TIF Plan") for the redevelopment and revitalization of the property legally described on EXHIBIT 1 attached hereto and made part hereof, being located within the corporate boundaries of the Village, which property is currently zoned commercial (hereinafter referred to as the "Redevelopment Project Area").
- C. Pursuant to and in accordance with the Act, on February 5, 2004 the corporate authorities of the Village adopted Ordinance No. 5437, "An Ordinance Designating the Tax Increment Redevelopment Project Area," for the Village's Lombard St. Charles Road T.I.F. II - East District, by which the property legally described on EXHIBIT 1 was designated as the Redevelopment Project Area.

- D. Pursuant to and in accordance with the Act, on February 5, 2004, the corporate authorities of the Village adopted Ordinance No. 5438, entitled "An Ordinance Adopting Tax Increment Financing," for the Village's Lombard St. Charles Road T.I.F. II - East District, by which tax increment financing was adopted pursuant to the Act for the TIF Plan for the Redevelopment Project Area.
- E. Developer desires to acquire ownership of the properties at 400-540 East St. Charles Road (hereinafter collectively referred to as the "Subject Properties"), and intends to develop a multiple-family residential condominium development consisting of a total of eighty (80) dwelling units in two (2) buildings on the Subject Properties, as more fully shown on the preliminary plans attached hereto as EXHIBIT 3, and made a part hereof (hereinafter referred to as the "Project").
- F. The Village is desirous of having the Redevelopment Project Area rehabilitated, developed and redeveloped in accordance with the TIF Plan, and particularly the Project as a part thereof, in order to serve the needs of the Village, arrest physical decay and decline in the Redevelopment Project Area, stimulate investment and redevelopment activity on existing deleterious properties and stabilize the tax base of the Village and, in furtherance thereof, the Village is willing to undertake certain incentives, under the terms and conditions hereinafter set forth, to assist such development.

II. CONDITIONS PRECEDENT TO THE UNDERTAKINGS ON THE PART OF DEVELOPER AND THE VILLAGE

- A. Prior to final consideration of the Redevelopment Agreement, the Village shall have convened a meeting of the Joint Review Board (JRB) of the Lombard – St. Charles Road TIF District II – East for the purposes of discussing the petitioner's development proposal. Said meeting shall be convened as required by State Statute. The JRB shall review the request for TIF funding and shall make a recommendation to the Corporate Authorities as to whether the Corporate Authorities should provide TIF financial assistance for the development proposal. The recommendation of the JRB shall not be binding on the Corporate Authorities
- B. In the event that, based on the nature of the final development plans that are submitted by the Developer for the Project, the rules, regulations and ordinances of the Village do not require final development plan approval for the Project from the President and Board of Trustees of the Village, said final development plans for the Project shall still be subject to the review of, and final approval by, the President and Board of Trustees of the Village.
- C. The Village and Developer shall each use reasonable efforts to timely satisfy the above conditions, but if such conditions are not so satisfied by the Village and Developer, then the Village or Developer may terminate this Agreement by giving

written notice thereof to the other party. In the event of such termination, this Agreement shall be deemed null and void and of no force or effect and the Village and Developer shall not have any obligations or liability with respect thereto.

III. UNDERTAKINGS ON THE PART OF THE VILLAGE

The Village shall undertake the following:

- A. The Village will assist Developer in securing and obtaining, in an expeditious manner, all governmental approvals, consents, permits, licenses and authorizations reasonably necessary or required for the Project, all within one hundred twenty (120) days after Developer's submittal of applicable plans therefor. Developer, however, shall remain primarily responsible for preparing the submittals necessary for securing all of its necessary approvals, consents, permits, licenses and authorizations.
- B. The Village shall issue, where appropriate, and will reasonably assist Developer to obtain, such building permits, driveway permits, curb cut permits, licenses and other permits as Developer may require to cause the construction of the Project, all within one hundred twenty (120) days after Developer's submittal of applicable plans therefor, provided the Project complies with the applicable ordinances of the Village and other governmental bodies having jurisdiction.
- C. The Village will assist Developer in obtaining all necessary driveway permits and curb cut approvals as may be required from any and all public agencies other than the Village for the Project, all within one hundred twenty (120) days after Developer's submittal of applicable plans therefor. Developer, however, shall be primarily responsible for preparing and submitting the plans necessary for obtaining said permits and curb cut approvals.
- D. To assist in expediting construction of the Project, the Village shall issue its sitework, foundation and construction permits separately as needed so long as Developer has submitted all information as required for each such permit to issue separately.
- E. In consideration of the covenants and agreements of Developer as set forth in Section V below, and as an incentive to the Developer to build the Project using high quality materials, the Developer shall be entitled to receive up to four-hundred thousand dollars (\$400,000) in reimbursement costs associated with the site development as provided for in this Agreement. The reimbursement of funds shall be made as follows:

1. Upon issuance of the first certificate of occupancy for a residential unit to be occupied as a private residence, the Developer shall inform the Village, in writing, of its intent to receive TIF funding for the project. The Developer shall receive increment reimbursement up to the first four-hundred thousand dollars (\$400,000) in additional tax increment revenues that are generated from the project development, or until the year 2009, whichever comes first.
2. Determination of the additional increment created by the development shall be calculated by subtracting the tax revenues created by the improvements existing on the subject property as of the effective date of this agreement, and annually increased at a rate of four percent, from the generated tax increment revenues, commencing the calendar year following the issuance of the first certificate of occupancy by the Village.

IV. UNDERTAKINGS ON THE PART OF DEVELOPER

Developer shall undertake the following:

- A. Developer shall submit all plans, specifications, and other information necessary for action upon and issuance of, by all applicable governmental agencies, the approvals, consents, permits, licenses and authorizations reasonably necessary or required for the Project, within twelve (12) months after the approval of this Agreement by the Village.
- B. Upon acquisition of the Subject Properties, Developer shall process through the Village a consolidation petition so that all parcels comprising the Subject Properties are combined as a single lot subdivision of record for zoning and real estate taxation purposes.
- C. Prior to any reimbursement of any generated TIF increment, the Developer shall have certified to the Village that there exists no material default under this Agreement and that the developer has no known outstanding violations of any Village ordinance, rule or regulation or of any applicable law of the State of Illinois or any agency thereof pertaining to the Project which are not being contested in a lawful manner.

V. COVENANTS OF DEVELOPER REGARDING TAX INCREMENT FINANCING

- A. Developer hereby covenants and agrees that, with regard to the assessed value as proposed by the Assessor of DuPage County, Illinois for the Project and the Subject Properties during the life of the Lombard St. Charles Road TIF II - East

District, Developer shall not apply for, seek or authorize any special classification of the Subject Properties or any exemption from the imposition or paying of any or all real property taxes extended for collection without first obtaining the prior written approval of the Village.

- B. The Developer agrees to construct and market the proposed condominium units at the fair market rate for new condominium units within the Village of Lombard.
- C. The foregoing covenants and agreements contained in this Section V shall be construed and interpreted as an express agreement between Developer and the Village in that a major incentive inducing the Village to enter into this Agreement is to increase the assessed valuation of and the general real estate taxes payable with respect to the Project. This Agreement may be used by the Village, in the Village's discretion, as an admission against Developer's interest in any proceeding respecting the subject matters covered by this Agreement.

VI. ADDITIONAL COVENANTS, UNDERTAKINGS AND AGREEMENTS OF THE PARTIES

- A. This Agreement incorporates all agreements and understandings of the parties hereto as of the date of its execution, concerning the Project. Each party acknowledges that no representations or warranties have been made which have not been set forth herein.
- B. Time is of the essence in the performance of this Agreement.
- C. For the purposes of any of the provisions of this Agreement, neither the Village, Developer nor any of their respective successors and assigns, as the case may be, shall be considered in breach of, or default in, its obligations under this Agreement in the event of any delay caused by acts of god, acts of public enemy, acts of Federal or State government, fires, floods, epidemics, quarantine or restriction, strike, shortage of materials, embargoes, and delays due to weather conditions or delays of construction contractors and subcontractors due to such causes; nor shall the Village or Developer be considered in breach of or default in its obligations under this Agreement in the event of any delay resulting from the conduct of any judicial, administrative or legislative proceedings, or caused by litigation or proceedings challenging the authority or right of the Village to act under the TIF Plan, any of the ordinances referenced herein, or perform under this Agreement. The Village shall diligently contest any such proceedings and any appeals therefrom. The Village may settle a contested proceeding at any point, so long as the settlement results in the Village's ability to perform pursuant to this Agreement and so long as any such settlement does not impose additional obligations on Developer or increase Developer's obligations under this Agreement. It is the purpose and intent of this provision that in the event of the

occurrence of any such delay, the time or times for performance of the obligations of the parties shall be extended for the period of the delay.

- D. Developer recognizes and agrees that the Village has sole discretion with regard to all approvals and permits relating to the Project, including but not limited to approval of the final development plan, excavation permits, grading permits, building permits and occupancy permits, and failure on the part of the Village to grant or issue any required permit shall not be deemed as the cause of a default by Developer under this Agreement or give rise to any claim against or liability to the Village pursuant to this Agreement. The Village agrees, however, that such approvals and permits shall not be unreasonably withheld.
- E. The Village agrees to permit Developer to construct, install and maintain signs on the Subject Properties, which approval shall not be unreasonably withheld. All signage shall, however, be in compliance with the applicable provisions of the Village Code.
- F. The Project shall be completed substantially in accordance with the final approved development plans and in accordance with all applicable ordinances, rules and regulations of the Village in existence as of the date of such approval.
- G. All notices and requests if any, required pursuant to this Agreement shall be sent by certified mail return receipt requested, or by personal service, addressed as follows:

- H. This Agreement shall be construed and enforced in accordance with the laws of the State of Illinois.
- I. Developer shall not assign this Agreement to any person or entity without the prior written consent of the Village, which consent shall not be unreasonably withheld provided, however, at the time of such assignment, there is no default under this Agreement by Developer.
- J. In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provisions hereof.
- K. No recourse under or upon any obligation, covenant, or agreement of this Agreement or for any claim based thereon or otherwise in respect thereof shall be had against the Village, in any amount or in excess of any specific sum agreed by the Village to be paid to Developer hereunder, subject to the terms and conditions herein, and no liability, right or claim at law or in equity shall attach to or shall be incurred by the Village's officers, agents and/or employees in regard to this Agreement, with all and any such rights or claims of Developer against the Village's officers, agents and/or employees being hereby expressly waived and released as a condition of and as consideration for the execution of this Agreement by the Village.
- L. Subject to the provisions of Section V.A. above, Developer hereby covenants and agrees to promptly pay or cause to be paid as the same become due, any and all taxes and governmental charges of any kind that may at any time be lawfully assessed against the Subject Properties or the Project.
- M. This Agreement shall be binding upon the parties hereto and their respective grantees, heirs, successors, administrators, permitted assigns or other successors in interest. All of the terms and provisions of this Agreement shall survive the closing of the transactions contemplated herein.
- N. The parties shall record a certified (by the Village Clerk) copy of this Agreement in the office of the Recorder of Deeds of DuPage County, Illinois, and upon recordation thereof, the covenants and conditions of the parties hereto shall be binding upon their successors in title and shall be deemed covenants which shall run with the land until the termination of this Agreement.

VII. REPRESENTATIONS AND WARRANTIES OF DEVELOPER

- A. Developer hereby represents and warrants that it is an Illinois limited liability company in good standing with proper authority to execute this Agreement. With the Village's written consent, Developer shall have the right to assign its rights

and obligations under this Agreement to the permittee of the Village permits for the Project.

- B. Developer hereby represents and warrants that the Project requires economic assistance from the Village, including, but not necessarily limited to, an underwriting of the property acquisition, environmental remediation, demolition, underground stormwater management and site preparation costs associated with the Project, in order for Developer to complete the construction in accordance with the approved final development plans and, but for the economic assistance to be given by the Village as herein stated, the Project, as contemplated, would not be economically viable nor eligible for the financing necessary for its completion.
- C. Developer hereby represents and warrants that the Project shall be constructed and fully completed in a good and workmanlike manner in accordance with the approved final redevelopment plans and all plans and specifications pertaining thereto including any amendments, as approved by the Village.
- D. Developer hereby represents and warrants that at all times it shall comply with all applicable local zoning ordinances and regulations, the building code, fire code and all other applicable Village ordinances, resolutions and regulations in existence as of the date of approval of the Project.
- E. Developer hereby represents and warrants that it shall comply with all applicable laws, rules and regulations of the State of Illinois and the United States and all agencies thereof, having jurisdiction over it or the Project.
- F. Developer hereby represents and warrants that it shall comply with all terms, provisions and conditions and shall not default or knowingly permit a default under any document or agreement relating to the Project or the financing of the Project to which it is a party, including but not limited to this Agreement, and all agreements and documentation in connection with any loan to it in relation to the Project.
- G. Developer hereby covenants and agrees that, except as provided above, it will not, directly or indirectly, sell, transfer, assign or otherwise dispose of the Project (including the beneficial interest or power of direction over any land trust holding legal title thereto) without the prior written consent of the Village, which consent will not be unreasonably withheld.

VIII. REPRESENTATIONS AND WARRANTIES OF THE VILLAGE

The Village hereby represents and warrants to Developer that, subject to its compliance with the Act, it has the power and authority to execute, deliver and perform the terms and obligations of this Agreement.

IX. DEFAULTS AND REMEDIES

In the event of any non-monetary default and/or breach of this Agreement or any terms or conditions by either party hereto or bound by this Agreement, such party shall upon written notice proceed promptly to cure or remedy such default or breach within said sixty (60) days after receipt of such notice; provided, however, that in the event such default is incapable of being cured within sixty (60) day period and the defaulting party commences to cure within said sixty (60) day period and proceeds to cure with due diligence, such party shall not be deemed to be in default under this Agreement. In case such action is not taken or not diligently pursued or the default or breach shall not be cured or remedied within the above time or in the event of a monetary default (time being of the essence with respect to the payment of any sums required hereunder), the aggrieved party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach including but not limited to proceedings to compel specific performance by the party in default or breach of its obligations, but not specific performance of any obligations to construct any buildings or other improvements. The rights of the parties to this Agreement, whether provided by law or this Agreement, shall be cumulative and the exercise by either party of any one or more of such remedies shall not preclude the exercise by it of any one or more of such remedies in relation to the same default or breach by the other party. No waiver made by either party with respect to any specific default by the other party under this Agreement shall be construed as a waiver of rights with respect to any other default by the defaulting party under this Agreement or with respect to the particular default except to the extent specifically waived in writing. Notwithstanding anything contained herein to the contrary, all monetary damages resulting from a breach of this Agreement shall be limited to the non-defaulting party's actual out of pocket costs and expenses resulting from such breach along with all costs and expenses, including reasonable attorneys' fees, incurred by the non-defaulting party in enforcing this Agreement. In the event of any litigation between the parties hereto resulting from a breach of this Agreement, the prevailing party in such litigation, as determined by final judgment, shall be entitled to an award of its attorneys' fees and costs incurred in such litigation.

X. AGREEMENT TERM

The term of this Agreement shall commence as of the date of its execution after approval by the corporate authorities of the Village and expire upon final payment of TIF increment as provided for in this Agreement or a period of five (5) years from the date of approval of this Ordinance, whichever comes first.
