TITLE: Lead Water Service Line Replacement Reimbursement Program  
Amendment

SUBMITTED BY: Carl Goldsmith, Director of Public Works 

BACKGROUND/POLICY IMPLICATIONS:

Staff and the Public Works and Environmental Concerns Committee recommend amending the Lead Water Service Line Replacement Reimbursement Program to increase the funding level offered by the Village towards the cost of replacing the private portion of lead water services. The program will aid residents in the replacement of lead water service lines for the purpose of eliminating lead from the water distribution system and reduce the risk of exposure to lead in drinking water.

FISCAL IMPACT/FUNDING SOURCE

Funds have been presented in the FY 2019 Water/Sewer Capital Reserve Budget Request as RM PROG 44 in the amount of \$75,000.
