## MEMORANDUM

**TO:** Scott Niehaus, Village Manager

**FROM:** Janet Downer, Business Administrator 

**DATE:** March 5, 2020

**SUBJECT:** Request for Class B Coin-Operated License  
PacMan Zone, Yorktown

Staff has received a request from PacMan Zone for a Class B coin-operated license. PacMan Zone, which will be located within Yorktown Mall, will operate as a themed family entertainment center consisting of over 50 amusement devices. They will also have the ability to host special events for birthdays, anniversaries, graduations, etc.

Coin-operated devices are one of many types of business licenses. Village Code Title XI, Chapter 110, Section 110.21(C) states there shall be issued no more than the stated number of annual coin-operated licenses. These licenses are categorized into two Classes:

Class A—number of business establishments that have four to eight coin-operated devices on site.

Class B—number of business establishments that have over eight coin-operated devices on site.

Currently there are two (2) licenses issued in the Class A category and two (2) licenses issued in the Class B category (The Game Room and Enchanted Castle). PacMan Zone is requesting a Class B license, consequently, the number of licenses in the Class B category will increase from two to three.

Attached is an ordinance increasing the allowable licenses under the Class B coin-operated license category from two (2) to three (3) to account for the aforementioned request.

PacMan Zone's anticipated opening date is early March and are requesting a waiver of first reading.

If you have any questions relative to this request, please contact me at extension 5913.
