Subject: "No Parking" on Greenfield at Main

A request was made from area residents and the Police Department to prohibit parking on the north and south side of Greenfield near Main. There are many vehicles that are constantly parking on the south side of Greenfield and occasionally on the north side. This situation has caused operational problems for motorists maneuvering through the Main and Greenfield intersection.

After reviewing this request, I would recommend posting the north and south side of Greenfield from Main to a point 115 feet west, "No Parking".
