Subject: Request for No Parking on Garfield

Tom Ryan, WT/WP Supervisor, requested that "No Parking" signs be installed in front of a pump station located near 959 N. Garfield. Vehicles periodically park in front of the station and makes it difficult to perform maintenance. If the station went down, larger equipment would need immediate access to perform repairs.

The signs would be located on the west side of Garfield, 740 feet north of Progress to a point 815 feet north.

I have reviewed this request and concur with the need for No Parking in this area.
