TITLE: A RESOLUTION ENABLING VILLAGE EMPLOYEES TO  
PERFORM MAINTENANCE WORK WITHIN STATE OWNED  
RIGHTS-OF-WAY

SUBMITTED BY: Carl Goldsmith, Director of Public Works 

BACKGROUND/POLICY IMPLICATIONS:

Chapter 121 of the Illinois Revised Statutes requires any person, including a Municipality, obtain a permit from the Illinois Department of Transportation for working within the State rights-of way. This includes emergency repairs to broken watermain.

The State also requires a surety bond with each permit application. The bond is required to ensure that work is completed in accordance with State specifications and the right-of-way is properly restored. However, the State does allow Municipalities to adopt a Resolution in lieu of the surety bond. The Resolution is valid for a period of 2 years from January 1, 2021 through December 31, 2022.

SUBJECT: IDOT Permit Requirements

### **BACKGROUND**

The Illinois Department of Transportation, in accordance with State Statute, requires that any person, firm or agency working in the state maintained rights-of-way must obtain written authorization from IDOT. Additionally, any person working in the R-O-W must also post a surety bond to insure that the work and restoration is completed according to state specifications. The Village of Lombard and all municipalities are exempt from posting the surety bond, but in lieu of said bond are required to place on file the attached resolution. The resolution must be updated every two years. The attached resolution will cover the calendar years 2021 and 2022.

### **RECOMMENDATION**

The Staff recommends that the Village President and Board of Trustees adopt the resolution enabling Village employees to perform maintenance within the State owned rights-of-way.
