Parkways

SUBMITTED BY: William J. Heniff, AICP, Director of Community Development 

BACKGROUND/POLICY IMPLICATIONS:

Your ECDC Committee transmits for your consideration its recommendation regarding the above-referenced petition. At the February, 2019 Economic and Community Development Committee (ECDC) meeting, the members approved updated Code Enforcement Vision and Procedure Manual as part of the Village's Standard Operating Procedures (SOP). As part of the regular review of code provisions and as a part of the implementation effort of this document, staff offers an amendment to existing code as it pertains to waste and container placement within the public rights-of-way.

The ECDC unanimous recommended approval of this request. Please place this item on the January 9, 2020 Board of Trustees agenda for approval.
