Subject: President's Community Service Award - Nomination

Hi Joelyn,

I would like to submit a nomination for an individual in Lombard for the President's Community Service Award. I'm uncertain of the regulations on it (or even when it happens), but nonetheless, here is my submission.

I would like to nominate Scott Martenson, owner of Culvers at 1155 S. Main Street, Lombard. Mr. Martenson has been extremely supportive of community events, especially the Village of Lombard blood drives. A few years ago, he started assisting the Lombard blood drives by donating custard coins to donors at a drive here and there. That has moved towards giving donors at every Lombard drive a coupon for a free pint of frozen custard. I recently approached him about possibly offering a giveaway for blood donors at the Glenbard East blood drive. He happily donated custard coins for the donors. He is also willing to promote the Village blood drives via his electronic marquee sign and place posters inside his restaurant. It's also my understanding he is supportive of other causes too, such as Relay for Life. I'm not even a resident of Lombard and these acts of generosity and support he shows are clearly evident. I'd imagine residents can offer additional examples of his kindness, generosity and community involvement.

If you need additional information from me or if there is a form I need to fill out to make this submission "official", please let me know. Also, if this should be submitted to a different individual, let me know.

Thank you!
