VILLAGE OF LOMBARD

Attention: Transportation & Safety Committee
255 E. Wilson Avenue
Lombard, IL 60148

To Whom It May Concern:

My name is Scott Bianchi and I am the Vice President of All-Star Cab Dispatch, Inc. I spoke with Denise in your Village licensing department to inquire as to how to acquire taxicab licensing for Lombard. She explained that I would first need to write a letter to the Transportation & Safety Committee requesting to be licensed so we may operate vehicles within the Village parameters. We are the 3rd largest suburban cab company in the state of Illinois with over 100 vehicles to serve your community. We have the most state-of-the-art, band-new, Automated GPS dispatch and tracking system and technology currently in the entire Midwest area. Giving us tremendous capabilities to provide exceptional taxi/shuttle services to your residents, businesses and hotels throughout the Lombard Area. Some communities near you that we are already currently licensed to operate our vehicles in would include, but certainly not limited to, Elk Grove Village, Oak Brook, Oakbrook Terrace, Addison, Glendale Heights, Carol Stream, Bloomingdale, Itasca, Roselle, Hanover Park and many, many others. I mention Elk Grove Village and Oak Brook because they also have a very in-depth process to becoming licensed in their respective villages, which included: applications, fees, meetings and public hearings to procure those licenses for All-Star Cab.

I have included some brief information with this letter: General Information Letter about All-Star Cab, Lombard Corporate Rate Sheet and a Master Rate Sheet showing which towns All-Star Cab provides service to.

Should you have any questions or require any additional information please feel free to reach me at the office (numbers listed above), mobile (847) 338-1694 or via email.

I will look forward to your reply and instruction. From all of us here at All-Star Cab Dispatch, Inc. we look forward to providing your residents with the exceptional transportation service they deserve!

Sincerely,

Scott A. Bianchi

VILLAGE OF LOMBARD

Attention: Transportation & Safety Committee
255 E. Wilson Avenue
Lombard, IL 60148

To Whom It May Concern:

Please allow me to present our company, All-Star Cab Dispatch, Inc., and the phenomenal services we can offer you. We utilize brand new, state-of-the-art, computerized GPS dispatching and continue to do business with live phone operators for person to person contact. To date, our fleet has grown to well over **100 vehicles in your area**, which consists of **full size cars, wagons, 6, 10 or 14 passenger vans**. We take great pride in our business and yours, which is why it is mandatory for all drivers to clean and vacuum their vehicles on a daily basis and to follow a professional dress code, which we strictly enforce through the efforts of our road supervisors and daily field checks. To be sure our customers are safe in the vehicle at all times we require motor vehicle reports and conduct background checks upon hiring and we continuously monitor and update these reports to assure **quality and safety**. Also, each vehicle is required by the State of Illinois to receive quarterly vehicle inspections and a yearly inspection in each town the vehicle operates in.

All-Star Cab Dispatch, Inc. was founded with several standards that were not being met by any other company: **excellent customer relationships, reliable and accurate on-time service, the safest, best dressed and most courteous drivers**, and a full service 24-hour ground transportation company, including cabs, shuttles and package delivery. We are confident that our company and the excellence we deliver in our services are unrivaled by any other company in the industry. We service O'Hare and Midway International Airports, The Loop, and all local areas, so you can count on us for all your transportation needs. The transportation business is an imperfect one; however, you can rest comfortably knowing that we strive each minute of every day to perfect it. **All-Star Cab does not follow the standards set forth in this business by those before us--we are setting the new standards!**

In addition to providing the highest quality customer service available, All-Star Cab simply offers the **lowest affordable flat rates** to and from all Chicagoland suburbs. The rates we offer you are per unit, up to 4 people, with **no hidden or extra charges!**

For your convenience, All-Star Cab has courtesy phones in **ALL TERMINALS** at O'Hare Airport baggage claim areas or at Midway Airport call (847) 658-1555. Please call us **AFTER** receiving your luggage so we can provide you with your unit and door number. Although we have cabs stationed at O'Hare and Midway 24 hours a day, we recommend when traveling into Midway to make reservations with our office at least 45 minutes in advance.

As hundreds of companies already have, we invite your establishment to enroll on our Corporate Preferred Billing, entitling you to charge orders when you are picking up the expense of the fare. If you opt to do so, the new account authorization form is simple and takes only a few minutes to complete.

Please feel free to contact me at my office (630) 787-9200 (ext.-503), on my cellular (847) 338-1694 or by email if you have any questions or require any additional information. **Be sure to fill out the new account authorization form and fax it back to (847) 310-8089 to activate your billing account today.**

From all of us here at All-Star Cab Dispatch, Inc. we look forward to providing you with the exceptional transportation service you deserve!

Sincerely,

Scott A. Bianchi
