DATE: October 3, 2021

TO: Elizabeth Brezinski, Village Clerk

SUBJECT: Appointment to Public Works and Environmental Concerns Committee

FROM: Bob Bachner, Village Trustee

The purpose of this memo is to provide an update on the status of my review and appointment recommendation for the Public Works and Environmental Concerns Committee.

With regards to the Public Works and Environmental Concerns Committee, there is presently one vacancy for which a total of seven (7) applications were received. Upon initial review, the seven applicants in the field were narrowed to three (3). I conducted interviews with each of the finalists. It wasn't an easy choice with many factors to be considered. All of them would have made a good fit on the committee. Upon careful consideration of the candidates, I am recommending the appointment of the following resident to fill the one (1) vacant position on the Public Works and Environmental Concerns Committee:

Steve Wolsztyniak

Mr. Wolsztyniak is resident of Lombard for over 40 years. Raising his family and very involved in the community including being a Lombard Park District soccer coach and running the Indian Princess program. He comes to the table as a business owner with a very diverse construction and occupational background. He is excited to become more involved with our community now at the village level.

A copy of the application submitted for the above recommended candidate is attached to this memo. Please note that personal information including phone number, email and address have been redacted due to privacy concerns as this document will be included on a posted agenda.

Again, thank you for your efforts in communicating the vacant position and assisting with the process. I would kindly ask that you distribute this memorandum to the Village Board for their information and take the necessary steps to have the appointments placed on the regularly scheduled Village Board meeting of October 21, 2021 for formal vote by the Village Board.

Sincerely,
Bob Bachner
Village Trustee
