**AN ORDINANCE AUTHORIZING  
THE VILLAGE OF LOMBARD,  
DUPAGE COUNTY, ILLINOIS, TO BORROW FUNDS FROM  
THE PUBLIC WATER SUPPLY LOAN PROGRAM**

**WHEREAS**, the Village of Lombard, DuPage County, Illinois, (hereinafter the "Village"), operates its public water supply system (hereinafter the "System") in accordance with the provisions of 65 ILCS 5/11-139-1 *et seq.*, and is subject to the provisions of the Local Government Debt Reform Act, 30 ILCS 350/1 *et seq.* (said statutory provisions being hereinafter collectively referred to as the "Act"); and

**WHEREAS**, in accordance with the provisions of Article VII, Section 10 of the *Illinois Constitution* of 1970, and 415 ILCS 5/4 and 5/19.1 through 5/19.9, the Village is authorized to enter into a Loan Agreement with the Illinois Environmental Protection Agency (hereinafter the "IEPA") for a loan of funds for public water supply system improvements, the repayment of which loan may be secured by a dedicated source of revenue; and

**WHEREAS**, the President and Board of Trustees of the Village (hereinafter the "Corporate Authorities") have determined that it is advisable, necessary and in the best interests of public health, safety and welfare to improve the System, including the following:

- A. **ROOSEVELT ROAD WATERMAIN LINING – PHASE I:** The project includes the rehabilitation of approximately 6,500 linear feet of watermain by installation of cured-in-place pipe (CIPP). The project limits for Phase I include Finley Road to Fairfield Avenue. In addition to lining the watermain, the scope of work also includes excavation, sidewalk, asphalt and concrete driveway aprons, storm sewer and sod restoration;
- B. **ROOSEVELT ROAD WATERMAIN LINING – PHASE II:** The project includes the rehabilitation of approximately 4,300 linear feet of watermain by installation of cured-in-place pipe (CIPP). The project limits for Phase II include Fairfield Avenue to Wisconsin Avenue. In addition to lining the

watermain, the scope of work also includes excavation, sidewalk, asphalt and concrete driveway aprons, storm sewer and sod restoration; and

- C. **TRANSMISSION MAIN – CIVIC CENTER RESERVOIR TO SOUTH BOOSTER STATION:** The Transmission Main is a water main intended to provide a direct connection from the Civic Center Reservoir to the South Booster Station. Currently, the South Booster Station is fed by the existing water system network. The project consists of the construction of approximately 8,200 linear feet of 16 inch ductile iron transmission main from the Civic Center Reservoir to the South Booster Station;

together with any land or rights in land and all electrical, mechanical or other services necessary, useful or advisable to the construction and installation (hereinafter the "Project"), all in accordance with the plans and specifications prepared by consulting engineers of the Village; which Project has a useful life of at least sixty (60) years; and

**WHEREAS**, on January 22, 2015, the Corporate Authorities approved Ordinance No. 7041, entitled, "An Ordinance Authorizing the Village of Lombard, DuPage County, Illinois, to Borrow Funds from the Public Water Supply Loan Program," relative to the Project (hereinafter the "Original Ordinance"); and

**WHEREAS**, the Original Ordinance anticipated the cost of the Project to be \$8,172,392.00, and, therefore, authorized the Village to borrow funds from the IEPA's Public Water Supply Loan Program in the aggregate principal amount of \$8,172,392.00; and

**WHEREAS**, after going to bid in relation to the Project, the Village has determined that the cost of construction and installation of the Project, including engineering, legal, financial and other related expenses, is \$12,050,354.16, and there are insufficient funds on hand and lawfully available to pay these costs; and

**WHEREAS**, it is, therefore, necessary for the Village to borrow funds from the IEPA

Public Water Supply Loan Program, in the amount of \$12,050,354.16, relative to the Project; and

**WHEREAS**, the loan shall bear an interest rate as defined by 35 Ill. Adm. Code 662, which does not exceed the maximum rate authorized by the Bond Authorization Act, as amended, 30 ILCS 305/0.01 *et seq.*, at the time of the issuance of the loan; and

**WHEREAS**, the principal and interest payments shall be payable semi-annually, and the loan shall mature in twenty (20) years, which is within the period of useful life of the Project; and

**WHEREAS**, the costs are expected to be paid for with a loan to the Village from the Public Water Supply Loan Program through the IEPA, the loan to be repaid from the water user fees, and the loan is authorized to be accepted at this time pursuant to the Act; and

**WHEREAS**, in accordance with the provisions of the Act, the Village is authorized to borrow funds from the Public Water Supply Loan Program in the aggregate principal amount of \$12,050,354.16 to provide funds to pay the costs of the Project; and

**WHEREAS**, the loan to the Village shall be made pursuant to a Loan Agreement, including certain terms and conditions, between the Village and the IEPA;

**NOW, THEREFORE, BE IT ORDAINED** by the President and Board of Trustees of the Village of Lombard, DuPage County, Illinois, as follows:

**SECTION 1: INCORPORATION OF PREAMBLES.** The Corporate Authorities hereby find that the recitals contained in the preambles are true and correct, and incorporate them into this Ordinance by this reference.

**SECTION 2: DETERMINATION TO BORROW FUNDS.** It is necessary and in the best interests of the Village to construct the Project for the public health, safety and welfare, in accordance with the plans and specifications, as described; that the System continues to be operated in accordance with the provision of the Act; and that for the purpose of constructing the Project, it is hereby authorized that funds be borrowed by the Village in an aggregate principal amount (which can include construction period interest financed over the term of the loan) not to exceed \$12,050,354.16.

**SECTION 3: PUBLICATION.** This Ordinance, together with a Notice in the statutory form (a copy of which is attached hereto as Exhibit A and made part hereof), shall be published once within ten (10) days after passage of the Ordinance in the *Lombardian*, a newspaper published and of general circulation in the Village, and if no Petition (a copy of which is attached hereto as Exhibit B and made part hereof), signed by electors numbering ten percent (10%) or more of the registered voters in the Village (i.e., two thousand eight hundred twenty-six (2,826) or more electors) asking that the question of improving the System as provided in this Ordinance and entering into the Loan Agreement therefor be submitted to the electors of the Village, is filed with the Village Clerk within thirty (30) days after the date of publication of this Ordinance and the Notice, then this Ordinance shall be in full force and effect. A Petition form shall be provided by the Village Clerk to any individual requesting one. In the event that no such Petition is filed, the Village Clerk shall provide a No Referendum Certificate to the IEPA in the form as attached hereto as Exhibit C and made part hereof.

**SECTION 4: ADDITIONAL ORDINANCES.** If no Petition meeting the requirements of the Act and other applicable laws is filed during the thirty (30) day Petition period, then the Corporate Authorities may adopt additional ordinances or

proceedings supplementing or amending this Ordinance providing for entering into the Loan Agreement with the IEPA, prescribing all the details of the Loan Agreement, and providing for the collection, segregation and distribution of the water user fees, so long as the maximum amount of the Loan Agreement as set forth in this Ordinance is not exceeded and there is no material change in the Project or purposes described herein. Any additional ordinances or proceedings shall in all instances become effective in accordance with the Act or other applicable law. This Ordinance, together with such additional ordinances or proceedings, shall constitute complete authority for entering into the Loan Agreement under applicable law.

However, notwithstanding the above, the Village may not adopt additional ordinances or amendments which provide for any substantive or material change in the scope and intent of this Ordinance, including but not limited to interest rate, preference, or priority of any other ordinance with this Ordinance, parity of any other ordinance with this Ordinance, or otherwise alter or impair the obligation of the Village to pay the principal and interest due to the Public Water Supply Loan Program without the written consent of the IEPA.

**SECTION 5: LOAN NOT INDEBTEDNESS OF THE VILLAGE.** Repayment of the loan to the IEPA by the Village pursuant to this Ordinance is to be solely from the revenue derived from water user fees, and the loan does not constitute an indebtedness of the Village within the meaning of any constitutional or statutory limitation.

**SECTION 6: APPLICATION FOR LOAN.** The Village Manager of the Village is hereby authorized to make application to the IEPA for a loan through the Public Water Supply Loan Program, in accordance with the loan requirements set out in 35 Ill. Adm. Code 662.

**SECTION 7: ACCEPTANCE OF LOAN AGREEMENT.** The Corporate Authorities hereby authorize acceptance of the offer of a loan through the Public Water Supply Loan Program, including all terms and conditions of the Loan Agreement as well as all special conditions contained therein and made a part thereof by reference. The Corporate Authorities further agree that the loan funds awarded shall be used solely for the purposes of the Project as approved by the IEPA in accordance with the terms and conditions of the Loan Agreement.

**SECTION 8: AUTHORIZATION OF PRESIDENT TO EXECUTE LOAN AGREEMENT.** The Village President is hereby authorized and directed to execute the Loan Agreement with the IEPA. The Corporate Authorities may authorize by resolution a person other than the Village President for the sole purpose of authorizing or executing any documents associated with payment requests or reimbursements from the IEPA in connection with this loan.

**SECTION 9: SEVERABILITY.** If any section, paragraph, clause or provision of this Ordinance is held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

**SECTION 10: REPEALER.** Except for Ordinance No. 7041, adopted January 22, 2015, relative to the Project, which shall be repealed by the Corporate Authorities upon the passage of thirty (30) days from the publication of this Ordinance and the Notice attached hereto as Exhibit A, without any valid referendum petition having been filed with the Village, and the confirmation of the IEPA's issuance of a loan through the Public Water Supply Loan Program, in the amount of \$12,050,354.16, relative to the Project, all ordinances, resolutions or orders, or parts thereof, which conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.
