Subject: Sale of Surplus Equipment

The five (5) vehicles listed below are no use to the village. They are vehicles that were seized by the Police Department and should be sold at auction. Some seized vehicles are in very bad condition and would need extensive repair to be sold at auction, therefore should be sold directly to a salvage yard.

I recommend the Board of Trustees declare these vehicles as surplus per the attached ordinance and authorize their sale at the Tri-State Automobile Auction of Chicago. Vehicles valued less than the cost of auction fees and repairs and would not result in a net profit for the village shall be sold directly to a salvage yard. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the September 2, 2010 meeting.
