MEMORANDUM

TO: David A. Huliseberg, Village Manager
FROM: William J. Heniff, AICP *WJH*
Director of Community Development
DATE: February 18, 2010

SUBJECT: ZBA 03-27: 25 E. North Avenue – Further Time Extension Ordinance

On February 5, 2004, the Village Board adopted Ordinance 5423, which granted approval of a variation from Section 155.414 (K) of the Zoning Ordinance to reduce the requisite transitional landscape yard from thirty feet (30') to fifteen feet (15') in the B3 Community Shopping District. Pursuant to Section 155.103 (C)(10) of the Zoning Ordinance, variations are null and void if construction is not substantially underway within one year from the date of granting thereof, unless a time extension is granted by the Village Board. Further one year time extensions to commence construction were granted on February 3, 2005 (Ordinance 5605), February 2, 2006 (Ordinance 5809), March 1, 2007 (Ordinance 5995), February 21, 2008 (Ordinance 6147), and February 19, 2009 (Ordinance 6303). Subsequent time extensions also obligated the petitioner to bury an existing overhead electrical line over Main Street.

After being advised that the variation was about to expire, the petitioner is requesting a further time extension, as stated in the attached letter. To date, the property owner has been finalizing his plans with staff and DuPage County to address the engineering issues with the site. The petitioner notes that the development has been delayed due to current economic conditions.

Staff believes that granting an extension is in the best interest of the Village, provided that the petitioner adheres to conditions incorporated in the original Ordinance, and past extensions. Moreover, staff believes it is in the best interest of the Village to extend the previous approvals, as it will allow the property owner to be able to market a "pre-approved" development plan.

ACTION REQUESTED

Please place this item on the February 18, 2010 Village Board agenda. Staff recommends that the Village Board approve an Ordinance extending the time period for construction for an additional twelve (12) months, until February 18, 2011. Staff is also requesting a waiver of first reading. A copy of Ordinances 5423, 5605, 5809, 5995, 6147 and 6303 are also attached.
