#### **Text Amendments to Chapter 97 of the Village Code - Cluster Mailbox Unit (CBU) in the Public Right-of-Way**

Staff is proposing separate text amendments to Chapter 97 of Village Code, formalizing Cluster Box Units placement provisions within Village Code, to memorialize the USPS standards by reference within our local codes as a tool to assist builders in the design and placement of such boxes in developments.

#### **Solid Waste Contract for 2024-2029**

Staff prefers to negotiate a renewed contract with Waste Management based on good customer service and beneficial services provided to all customers, public institutions, and community events. Staff also prefers to better balance the Commercial and Residential rates. Staff requests that the Committee discuss the aspects of the current Contract, and provide guidance for proceeding with the next five (5) year Contract term.
