Subject: Complete Maintenance of Traffic Control Equipment Extension

A contract for traffic signal maintenance was awarded to Meade Electric on June 4, 2009. The current contract, PWO-0913, gives the Village the right to extend the contract for one year. The original approved bid document allowed for a \$1,188.00 increase which brings the total to \$47,940.00. In addition to that amount \$18,000.00 is included in the contract for painting 25% of the traffic signals.

I recommend award of a contract for Complete Maintenance of Traffic Control Equipment to Meade Electric in an amount not to exceed \$65,940.00.

Please present this item at the next regular Board of Trustees meeting scheduled for May 20, 2010.
