

**RESOLUTION NO. R 62-18**

**A RESOLUTION  
REPAYING AN UNNECESSARY DEVELOER CONTRIBUTION  
AND DECLARING A REBATE  
IN REGARD TO SPECIAL ASSESSMENT NO. 215**

**WHEREAS**, the final settlement has been made with the contractor for the construction of the improvement involved in Special Assessment No. 215; and

**WHEREAS**, full payment has been made on all bonds and vouchers issued as a result of said improvement; and

**WHEREAS**, there was no public benefit assessment as part of Special Assessment No. 215; and

**WHEREAS**, there are funds remaining in the Special Assessment No. 215 Fund above the specified payments, in an amount of \$228,289.89; and

**WHEREAS**, at the time of the filing of the Certificate of Final Cost and Completion relative to Special Assessment No. 215, it was thought that there would be a shortfall in the Special Assessment No. 215 Fund, which would not be covered by the assessments confirmed by the Court (the "Shortfall"); and

**WHEREAS**, as a result of said anticipated Shortfall, Fountain Square of Lombard, LLC (the "Developer") contributed an additional \$128,649.66 to the Special Assessment No. 215 Fund (the "Developer Contribution"), so as to avoid the need for a supplemental assessment prior to closing out Special Assessment No. 215 in Court; and

**WHEREAS**, the Developer was a single-purpose entity, created by The Shaw Company (the "Developer Successor"), for purposes of developing Fountain Square of

Lombard, and constructing the improvements provided for pursuant to Special Assessment No. 215; and

**WHEREAS**, pursuant to the documents, correspondence and emails attached hereto as Group Exhibit A, and made part hereof, the Developer Successor has represented and certified that, as the Developer was dissolved in 2009, the Developer Successor is entitled to any reimbursement of the Developer Contribution; and

**WHEREAS**, in light of the foregoing, and the amount of surplus funds remaining in the Special Assessment No. 215 Fund, the Developer Successor should be reimbursed for the Developer Contribution, prior to rebating any of the surplus funds in the Special Assessment No. 215 Fund, as that portion of the surplus funds in the Special Assessment No. 215 Fund, attributable to the Developer Contribution, was not paid by those individuals and entities that were assessed pursuant to Special Assessment No. 215; and

**WHEREAS**, after reducing the funds remaining in the Special Assessment No. 215 Fund by the amount of the Developer Contribution, there is a surplus remaining in the Special Assessment No. 215 Fund in the amount of \$99,640.23 (the "Surplus"); and

**WHEREAS**, pursuant to 65 ILCS 5/9-2-138, the Village is entitled to deduct five percent (5%) of the amount of said surplus for its costs and expenses relative to declaring and making a rebate;

**NOW, THEREFORE, BE IT RESOLVED**, by the President and Board of Trustees of the Village of Lombard, DuPage County, Illinois, that the recitals as set forth above are incorporated herein by reference, and made part hereof.

**BE IT FURTHER RESOLVED** that, based on the representations and certifications of the Developer Successor, the amount of the Developer Contribution (\$128,649.96) shall be paid to the Developer Successor out of the Special Assessment No. 215 Fund.

**BE IT FURTHER RESOLVED** that a rebate is hereby declared in relation to the Net Surplus [the funds remaining in the Special Assessment No. 215 Fund, less the Developer Contribution and less the five percent (5%) to reimburse the Village for its costs and expenses relative to declaring and making the rebate] remaining in the aforesaid Special Assessment No. 215 Fund in the amount of \$94,658.23 and that said rebate shall be made in accordance with 65 ILCS 5/9-2-138.

**BE IT FURTHER RESOLVED** that said rebate shall be on a pro rata basis and shall be paid to the owner(s) of record (tax assessesees of record) on the date of this Resolution.

**BE IT FURTHER RESOLVED** that the Village shall retain the amount of \$4,982.00 from said Surplus to cover its costs and expenses for declaring and making said rebate.

### Re: **Lombard Special Assessment No. 215 – Fountain Square – Refund of the Developer Contribution**

Dear Mr. King:

Please be advised that this letter is being written in response to your letter of August 17, 2018, relative to the above-captioned matter (copy enclosed). In that regard, please be advised as follows:

1. As further explained in the enclosed copy of the email from Anne Fairbairn, Accounting Manager for the Village of Lombard (the "Village"), to Devon M. Evans, Vice-President of Property Management for the Sequoia Realty Group (the current property manager for the Fountain Square of Lombard development in Lombard – the "Property Manager"), sent on August 2, 2018 (at 9:42 a.m.), at the time Lombard Special Assessment No. 215 was closed out in Court, it was anticipated that the proceeds of the assessments, that were confirmed by the Court, would be insufficient to pay for all of the costs of the project. As such, the developer, Fountain Square of Lombard, LLC, was requested to make up the shortfall, in the amount of \$128,649.66, which the developer did, pursuant to the payment referenced in item 4 in Anne Fairbairn's email to Devon M. Evans (the "Developer Contribution").
2. All project costs, relative to Lombard Special Assessment No. 215, have now been paid, and there are funds remaining in the Lombard Special Assessment No. 215 Fund, which exceed the amount of the Developer Contribution. As such, it is now clear that the Developer Contribution was not necessary to pay for the costs of the project.
3. As Fountain Square of Lombard, LLC was dissolved in 2009, Anne Fairbairn contacted the Property Manager, to ascertain who should receive the refund of the Developer Contribution, and, after a phone conversation with Devon M. Evans, forwarded the email, referenced in 1. above, to Devon M. Evans.
4. In response to the email referenced in 1. above, Devon M. Evans forwarded two (2) emails to Anne Fairbairn, one on August 8, 2018 (at 10:16 a.m.) and one on August 10, 2018 (at 3:02 p.m.), both of which indicated that the Developer Contribution should not be forwarded to the Property Manager, but rather to The Shaw Company (the entity which forwarded the Developer Contribution check to the Village). Copies of the aforementioned emails are enclosed.
5. In response to the Property Manager forwarding Anne Fairbairn's email of August 2, 2018

to your attention, you forwarded the enclosed letter of August 17, 2018 to Anne Fairbairn.

6. Based on your letter of August 17, 2018, the Village will forward a check, in the amount of \$128,649.66, made payable to The Shaw Company, as a refund of the Developer Contribution, to your attention; provided, however, that the Village receives the enclosed copy of this letter, executed below by you, on behalf of The Shaw Company, and notarized, in light of the fact that the Developer Contribution was made by a check written on the account of Fountain Square of Lombard, LLC, which has since been dissolved.

If there are any questions, please feel free to contact Anne Fairbairn [(630) 620-5916] or me [(630) 620-5902].

Very truly yours,  
Village of Lombard

#### ACKNOWLEDGMENT

I, William T. King, having first been duly sworn on oath, state and represent as follows:

- A. I am the Executive Vice-President/CFO of The Shaw Company and, in said capacity, am the authorized agent of The Shaw Company for purposes of making the statements and representations set forth below, and binding The Shaw Company in relation thereto.
- B. That Fountain Square of Lombard, LLC was a single purpose entity, formed by The Shaw Company, for the purposes of developing the Fountain Square of Lombard development, and constructing the improvements covered by Lombard Special Assessment No. 215.
- C. That Fountain Square of Lombard, LLC was dissolved in 2009, and, as such, any refund of the Developer Contribution should go to The Shaw Company.
- D. That, provided the Village of Lombard refunds the Developer Contribution to The Shaw Company, The Shaw Company shall indemnify and hold harmless the Village, and its elected officials, officers, agents and employees, with respect to any claim or liability, including, but not limited to, attorney's fees, costs and expenses of litigation, claims and judgments in connection with any and all claims for damages, or otherwise, of any kind which may arise, either directly or indirectly, out of, or as a result of, the Village's refund of the Developer Contribution to The Shaw Company.

RE: Special Assessment #215/Fountain Square – refund of developer's contribution

Dear Anne,

The project known as Fountain Square of Lombard was developed by Fountain Square of Lombard LLC. This LLC was formed by principals of The Shaw Company. As you know this LLC no longer exists. It was dissolved on 6/30/2009. The Shaw Company, however, does continue to exist and operate. Our Federal ID # is 36-4266706. On November 16, 2001, The Shaw Company delivered a check to the Village of Lombard in the amount of \$128,649.66 to cover an anticipated shortfall in the SAA assessment. It is our understanding that there is a surplus of funds and that the Village of Lombard now wishes to return funds to the developer. Under the circumstances, we believe it would be appropriate to return these funds to The Shaw Company.

Very Truly Yours,

William T. King

Hi Anne,

I checked with my boss and we feel this should be returned to the developer. I have a call into The Shaw Company and hope to track down a direct contact to refer back to you.

Thank you!

**Importance:** High

As you requested during our phone conversation this afternoon, I'm providing an e-mail summarizing information we are seeking.

1. Fountain Square was previously property owned by a seminary.
2. R98-095981 was recorded on May 19, 1998 in the Circuit Court for the Eighteenth Judicial Circuit, DuPage County, Illinois in the matter of the Village of Lombard, DuPage County, Illinois Special Assessment for the installation of sanitary sewers and watermains, and the improving of portions of 22<sup>nd</sup> Street, Meyers Road and Butterfield Road, in regard to the Fountain Square development in the Village of Lombard. (attached scan)
3. Upon calculating Final Cost and Completion in 2001 after all project costs were paid, it was determined the need for additional funds from the developer were required.
4. Check #101 dated 11/15/2001 in the amount of \$128,649.66 from the Fountain Square of Lombard, SAA – 215 – Escrow was received by the Village of Lombard on November 19, 2001. Dennis J. Stine signed the check and it was enclosed with letterhead from The Shaw Company. The letter dated 11/16/01 was signed by Michael J. Power, Jr, Senior Accountant. (attached scan)
5. On December 5, 2001 Judge Duncan entered the Order Confirming Certificate of Final Cost And Completion. (attached scan)
6. All of the bonds issued and all of the principal & interest payments from the property owners have all been paid in full in 2018. There is a surplus of funds.
7. Since the Fountain Square of Lombard LLC no longer exists, I contacted Sequoia Realty Group to inquire who the authorized party would be to receive the refund due Fountain Square of Lombard, LLC.

I hope this helps explain what happened & what we're looking to do.

Thank you,  
Anne

**C.J. BROYLES**, being first duly sworn on oath, deposes and says that she has made a true and impartial assessment of the cost of the said improvement upon the property benefitted by such improvement; that she verily believes that the amounts assessed against the public and against each lot, block, tract and parcel of land assessed in the said assessment roll made by her in pursuance thereof, attached hereto, are just and equitable and do not exceed the benefits which will be in each case derived from said improvements; that no lot, block, tract or parcel of land has been assessed more than its proportionate share of the cost of said improvement.

The affiant further states that she made or caused to be made a diligent search of the records maintained by the Collector of general taxes in this County showing the persons who paid general taxes during the last preceding year in which taxes were paid on the premises above-described subject to this assessment, and has made a diligent search for the residences of such persons, and the report herewith filed correctly states such persons and residences as so ascertained.

The affiant further states that she has fully complied with all of the requirements as set forth in Section 9-2-47 of the Illinois Municipal Code (65 ILCS 5/9-2-47).

## CERTIFICATE TO ROLL

The undersigned Commissioner, duly appointed to make a true and impartial assessment of the cost of an improvement consisting of:

**A. 22<sup>nd</sup> Street**

Pavement removal, curb and gutter removal, inlet and catch basin removal, guardrail removal, earth excavation, removal and disposal of unsuitable material, Portland Cement Concrete pavement, aggregate base course, combination concrete curb and gutter, Portland Cement Concrete sidewalk, bituminous concrete pedway, butuminous driveway replacement, storm sewer and appurtenances for pavement drainage purposes, street lighting, pavement marking, traffic signals, parkway restoration and landscaped median; making a pavement seventy-one feet (71') wide as measured between the back of curbs.

**B. Meyers Road - (Enhancement to Meyers is part of DuPage County Roadway Improvement abutting the SAA)**

Curb and gutter removal; earth excavation and embankment; removal and disposal of unsuitable material; bituminous concrete surface course and binder course; sub-base granular material; bituminous base course; combination concrete curb and gutter; storm sewer and appurtenances for pavement drainage purposes; pavement marking and parkway restoration; adding a southbound right turn lane and a northbound left turn lane both twelve feet (12') wide measured from edge of pavement to edge of pavement.

**C. Butterfield Road**

Median removal and replacement, curb and gutter removal, inlet and manhole removal, guardrail removal and replacement, earth excavation and embankment, removal and disposal of unsuitable material, Portland Cement Concrete pavement, sub-base granular material, stabilized subbase, combination concrete curb and gutter, Portland Cement Concrete sidewalk, box culvert extension and installation, storm sewer and appurtenances for pavement drainage purposes, pavement marking and traffic signals; adding a right turn lane and two (2) left turn lanes twelve feet (12') wide measured from edge of pavement to edge of pavement.

as provided for by a Resolution of the Board of Local Improvements and an Ordinance enacted by the corporate authorities of the Village, said Ordinance having been passed on the 7<sup>th</sup> day of May, 1998, does hereby certify:

**That she has completed the attached assessment roll showing a list of all the lots, blocks, tracts and parcels of land assessed for the proposed improvement; the amount assessed against each; the name of the person who paid the taxes on each parcel during the preceding year in which taxes were paid as shown upon the books of the County Collector; the residence of the person so paying the taxes where the same could be found; and the assessment having been divided into installments, the amount of each installment is stated.**

**She further certifies that she estimated what portion of the total cost of such improvement would be of benefit to the public and what portion thereof would be of benefit to the property to be benefitted and apportioned the same between the Village and such property so that each will bear its relative equitable proportion; that no amount was estimated and apportioned to the Village as public benefit, and the amount so estimated and apportioned to the property to be benefitted being the sum of \$4,335,949.09; and having found such amounts the undersigned did apportion and assess the amount so found to be of benefit to the property upon the several lots, blocks, tracts and parcels of land in the proportion in which they will severally be benefitted by such improvement; and that no lot, block, tract or parcel of land has been assessed a greater amount than it will be actually benefitted.**

ORDER CONFIRMING CERTIFICATE OF FINAL COST AND COMPLETION

THIS CAUSE having duly come on to be heard on the Petition of the Village of Lombard for approval of a Certificate of Final Cost and Completion for an improvement described in the Ordinance passed previously by the corporate authorities of said Village, the said Ordinance having been duly passed upon recommendation of the Board of Local Improvements after due notice and publication thereof and the holding of the necessary public hearings and the necessary publication of the said Ordinance, the Court having received and confirmed the Assessment Roll and Report prepared by the Commissioner duly appointed in said matter, and proper notice having been given to all parties concerned of the respective proceedings in this Court, and this Court having examined the Certificate of Final Cost and Completion showing that said improvement has been completed substantially as provided for in the above-described Ordinance.

IT IS HEREBY ORDERED AND ADJUDGED that the application for the confirmation and approval of the Certificate of Final Cost and Completion is sufficient in all respects, that notices of this

hearing as prescribed by law have been published and given in the manner required by law.

I, Joel Kagann, Clerk of the 18th Judicial Circuit Court, DuPage County, Illinois, do hereby certify this to be a true and correct copy as it appears from the records and files in my office.  
IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Seal of the said Court.
