

#120648 and 120650

MEMORANDUM

TO: David A. Hulseberg, AICP, ICMA-CM, Village Manager

FROM: William Heniff, AICP, Director of Community Development *WH*

DATE: December 20, 2012

SUBJECT: **PC 09-08: 331 W. Madison (CPSA School) and
ZBA 03-27: 25 E. North Avenue**

Village Counsel reviewed the language on the agenda associated with both requests for a further time extension in order to start construction. As staff has recommended denial of both requests, Village Counsel recommended that the language be clarified to read as follows:

“Motion to concur with the Village staff’s recommendation and deny the request for the adoption of an Ordinance granting a further time extension for taking action pursuant to Ordinance Numbers (insert numbers), with a waiver of first reading.”

The revised agenda will reflect these language changes.
