Subject: Complete Maintenance of Traffic Control Equipment

---

On March 23, 2005 nine bid documents were mailed to vendors. On April 1, 2005 two vendors attended the mandatory prebid meeting. The bids were opened on April 8, 2005 and one vendor submitted a valid bid. Meade Electric has been the Villages maintenance contractor for the past 2 years and has preformed satisfactorily. Past experience denotes that this bid is reasonable and fair.

I recommend award of a contract for Complete Maintenance of Traffic Control Equipment to Meade Electric in an amount not to exceed \$34,836.00.

Please present this item at the next regular Board of Trustees meeting scheduled for May 5, 2005.
