RE: Ambulance Fee Schedule Adjustment- January 1, 2007

Medicare Part B Ambulance Fee Schedule Adjustments have just been released. The effective date is January 1, 2007. The increase is minimal and has already been absorbed in some cases by moving the fee to the nearest \$ 5.00. Below is a comparison with my recommendation.

	Resident Current / Proposed	Glenbard Fire Current / Proposed	Non- Resident Current / Proposed
Mileage	\$ 6.05 / \$ 6.25	\$ 6.05 / \$ 6.25	\$ 6.05 / \$ 6.25
Basic Life Support	\$335.00 / \$340.00	\$335.00 / \$340.00	\$435.00 / \$440.00
Advanced Life Support	\$400.00 / \$400.00	\$400.00 / \$400.00	\$500.00 / \$500.00
Advanced Life Support II	\$575.00 / \$580.00	\$575.00 / \$580.00	\$675.00 / \$680.00

Fee Schedule		
2007 Allowable	Mileage	\$6.25
	BLS	\$336.55
	ALS	\$399.65
	ALS2	\$578.44
