MEMORANDUM

To: Scott Niehaus, Village Manager
From: Brian Jack, Utilities Superintendent *B*
Through: Carl Goldsmith, Director of Public Works
Date: August 8, 2018
Subject: **Waiver of Bids**
Sanitary and Storm Sewer CCTV Inspection and Cleaning

Executive Summary/Background

The Village Board of Trustees rejected all bids on June 21, 2018 for the Sanitary and Storm Sewer CCTV Inspection and Cleaning as part of the Municipal Purchasing Initiative (MPI) for the Governmental Agencies of the Village of Downers Grove, Village of Lombard, and City of Elmhurst.

Staff sent a Request for Proposal with revised language to better represent the work requested to the five firms that submitted for the original bid. The following is the proposal tab received from the original bidders with Lombard's quantities identified:

Bidder	Lombard Portion
Sheridan Plumbing	\$199,662.52
Michels Corporation	\$271,699.40
National Power Rodding	\$234,622.90
Visu-Sewer of Illinois, LLC	\$201,602.86
PipeTek Infrastructure Service	No Bid

Sheridan Plumbing has performed this type of work for the Village of Lombard in recent years and has performed satisfactorily. Staff has had a very good working relationship with Sheridan and sees no issue proceeding with this contract for 2018.

Recommendations:

As the proposals are higher than the budgeted amount in the FY 2018 Water/Sewer Capital Reserve Fund programs RM PROG 05 (\$33,000) and RM PROG 14 (\$81,000); staff recommends awarding a contract to Sheridan Plumbing of Bedford Park, IL in the amount not to exceed \$114,000. Quantities will be adjusted to complete the most efficient amount of work required to remain within the budgeted amount.
