Dear Chief Seagraves,

Congratulations! The Lombard Fire Department is the winner of the Dr. Joseph Hartmann Award of Excellence for 2007. As you know, this award is given annually to the crew or department exhibiting excellence in the delivery of medical care in the pre-hospital setting.

This call, which occurred March 21, 2007, is an example of a crew that is well trained and able to anticipate the immediate and future needs of their patient under intense circumstances. They were asked to transfer a patient who was experiencing a severe allergic reaction. Little did they know that after the care of the physician they would also have to emergently and systematically treat according to their standard of care. This included a successful surgical cric and re-establishment of a patent airway. Your crew handled a very difficult call and used their training to its fullest. You should all be rightfully proud of yourselves!

This award will be presented on May 23, 2007 at 5:30 pm @ the Bally Doyle Irish Pub located on Main St. in Downers Grove. We are hoping that you and your personnel can attend.

Once again congratulations to you and your department on a job well done.

Sincerely,

Valerie Phillips, M.D.  
Good Samaritan EMSS Medical Director
