Multifamily Recycling Grant**

**DATE:** October 7, 2009

The Environmental Concerns Committee voted on September 29, 2009, to approve a Multifamily Recycling Grant for the Park Avenue Condominium Association in the amount of \$470.52. The Multifamily Recycling Grant Program reimburses the last six months of the first-year costs to establish a recycling program. Therefore, this payment will be made in FY2011.

This is only the sixth application received in 12 years (four in 1997 and one in 2000). The Committee has expressed a desire to revitalize this program. Funding is shared with the other grant programs per the Village's service fee in the refuse/recycling contract.

Please present this item for consideration by the Board of Trustees at their next regular meeting.
