NOTICE OF MEETING MODIFICATION DUE TO COVID-19

In light of the Disaster Declaration issued by the Governor of the State of Illinois relative to the COVID-19 pandemic, and pursuant to Public Act 101-0640, the Chairperson of the Plan Commission has determined that an in-person meeting of the Plan Commission, or a meeting conducted under the Open Meetings Act requirements, relative to a quorum of the members of the Plan Commission being physically present at a meeting when some members of the Plan Commission are participating remotely, is not practical or prudent because of the disaster.

Pursuant to Governor Pritzker's Executive Order 2020-07, as extended by Executive Orders 2020-18, 2020-33 and 2020-39, and pursuant to Public Act 101-040, Plan Commission members may attend and participate in the public hearing remotely, and physical attendance at this public hearing will be restricted to Village officials, staff and consultants; petitioners and members of the public; all subject to social distancing and maximum room occupancy requirements and guidelines as set forth by Executive Order and the Illinois Department of Public Health. Interested parties may also view the meeting live on television, at Comcast Channel 6 or AT&T Channel 99, or on online at www.villageoflombard.org/220/view-meetings-live.

All interested persons will be given the opportunity to participate in the public hearing via telephone or submission of public comments or evidence in advance of the meeting

Notwithstanding this request, all comments received before the public comment portion of the public hearing will be read into the public meeting record. The physical attendance restrictions in place for this meeting have been adopted to comply with Governor Pritzker's Executive Orders regarding social distancing and the need to maximize residential self-isolation to slow the spread of COVID-19 to the greatest extent possible.
