

PETITION

In opposition to the proposed hotel development located at 451 E. North Avenue, Lombard

Presented on January 17, 2020

the 1990s, the number of people with a mental health problem has increased in the UK (Mental Health Act 1983).

There is a growing awareness of the need to improve the lives of people with mental health problems. The Department of Health (1999) has set out a vision of a new mental health system, which will be based on the following principles:

- People with mental health problems should be treated as individuals, with their own needs and wishes.
- People with mental health problems should be given the opportunity to participate in decisions about their care and treatment.
- People with mental health problems should be given the opportunity to live in their own homes and communities.

The Department of Health (1999) has also set out a vision of a new mental health system, which will be based on the following principles:

- People with mental health problems should be given the opportunity to live in their own homes and communities.
- People with mental health problems should be given the opportunity to participate in decisions about their care and treatment.
- People with mental health problems should be treated as individuals, with their own needs and wishes.

The Department of Health (1999) has also set out a vision of a new mental health system, which will be based on the following principles:

- People with mental health problems should be given the opportunity to live in their own homes and communities.
- People with mental health problems should be given the opportunity to participate in decisions about their care and treatment.
- People with mental health problems should be treated as individuals, with their own needs and wishes.

The Department of Health (1999) has also set out a vision of a new mental health system, which will be based on the following principles:

- People with mental health problems should be given the opportunity to live in their own homes and communities.
- People with mental health problems should be given the opportunity to participate in decisions about their care and treatment.
- People with mental health problems should be treated as individuals, with their own needs and wishes.

The Department of Health (1999) has also set out a vision of a new mental health system, which will be based on the following principles:

- People with mental health problems should be given the opportunity to live in their own homes and communities.
- People with mental health problems should be given the opportunity to participate in decisions about their care and treatment.
- People with mental health problems should be treated as individuals, with their own needs and wishes.

PETITION

Oppose the Holiday Inn Express as it relates to the Lombard Lagoon and Surrounding Neighborhoods in an effort to:

- **Preserve open space land, wildlife, natural transitional landscape and setback.**
- **Protect the Lombard Lagoon from the effects of the development and operation of the hotel.**
- **Maintain park and neighborhood safety.**
- **Secure Lombard's property values.**
- **Reduce negative consequences for current flood-prone areas.**

I would like to take this opportunity to oppose the proposed plans for the Holiday Inn Express at 451 E. North Avenue in Lombard, Illinois.

I ask that the Village of Lombard oppose the building.

If opposing the building itself is not an option at this stage of the village process, at the very least, the Village of Lombard should oppose the requested variance for a fourth story and new back roadway.

Current height restrictions should be strictly enforced. Transitional and setback areas should be at code.

If a back roadway is absolutely necessary for a hotel of any size then I request a new plan presentation. This new plan will reposition the building north to maintain the current transitional and setback areas and keep them at code. Alternative plans through direct communication with DuPage County and IDOT for North Avenue entryways should be created as options. Barriers to prohibit traffic onto Joyce and other surrounding streets should be constructed.

For the multiple concerns related to park safety, the well-being of the wildlife, drainage into the lagoon and the destruction of the natural transitional landscape, setback and view I implore the Village of Lombard to do everything within its power on behalf of the Lombard Lagoon and village residents.

If the Village of Lombard allows a structure is allowed to be built at 451 E. North Avenue, I then request that the Village of Lombard work to obtain esthetic durable fencing, tall growing trees (including coniferous varieties), buffer and vegetation. I ask that this fencing and landscape plan is designed by the Lombard Park District with input from the residents and the installation, planting and maintenance paid for at the hotel owners' expense.

I request to eliminate any construction parking and traffic on neighborhood streets due to park safety and further effects on the lagoon and park area. Construction parking and traffic should also not interfere with park and residential access to emergency vehicle service.

I feel that enforcements must also be made for banquet hall and hotel parking overflow around the park area and that park hours are strictly adhered to by banquet hall and hotel guests as well as the employees of these facilities.

A plan to offset the hotel lights and eliminate noise pollution should also be implemented.

For many decades the Lombard Lagoon Park has been enjoyed and respected by our residents and I believe it should continue to be a safe and natural setting.

As a resident, I also have concerns regarding how the proposed hotel will affect Lombard's property values, flood-prone areas, traffic and law enforcement needs. I believe the outcome of this issue will affect all Lombardians and parkgoers.

I willfully add my name to this petition for the preservation of the Lombard Lagoon and park area as we maintain the safety and value of our entire community.

Dear Neighbor,

There is a proposed plan to develop the land at 451 E. North Avenue in Lombard. This plan includes a Holiday Inn Express hotel next to the north end of the Lombard Lagoon.

Many residents are working together to speak out against this plan. A team member stopped by today to ask you to sign a petition that will be presented to Lombard's Plan Commission and Village Board. To substantiate our cause, we ask that petition signers are Lombard residents and at least 18 years of age.

You can still participate online if you were unable to physically sign the petition in person today. An online petition has been created. There is NOT a required online fee to sign the petition online. Please visit: <http://chnng.it/xRkZHKTsx4> The petition is on the change.org website.

The Plan Commission's public hearing is currently set for Monday, January 27, 2020. It is best to have the petition entries in before this date so the Plan Commission can review everything prior to the hearing.

We wish to provide the petition in advance of the public hearing. We would like all signatures and online petition entries to be completed by Wednesday, January 15, 2020. The information will then be compiled and submitted by Friday, January 17th.

If you have any questions regarding the development or the Plan Commission process, please respectfully contact Ms. Jennifer Ganser, Community Development Assistant Director, with your questions. 630-620-5717 / Email: ganserj@villageoflombard.org

You may also learn more by visiting: <https://www.villageoflombard.org/429/Holiday-Inn-Express>

If this issue is important to you please send letters and emails to the Plan Commission and Village Board. Visit villageoflombard.org for contact information. Ms. Ganser is a resource for you if you have questions regarding the process.

You also have the option to attend the public hearing and stand with us on January 27, 2020.

Public Hearing Date: Monday, January 27, 2020 at 7:00pm.

Location: Lombard Village Hall, 255 E. Wilson Avenue.

Please check the Village of Lombard website for any changes.

The following pages pertain to our neighborhood petition letter:

In an effort to inform our neighbors about the proposed hotel development, 450 copies of the attached letter and petition went out the first week in January 2020. Area residents personally went door-to-door delivering them as they attempted to get written petition signatures. What they presented is a two-sided piece with general information on one side and our original petition on the back. As always we included the link the Village of Lombard FAQs sheets and Ms. Ganser's contact information. We wanted all petition signers to have the opportunity to learn more before they included their name.

January 17, 2020

Ms. Thérèse M. Cilella

Lombard, Illinois 60148

Village of Lombard
Department of Community Development
255 E. Wilson Avenue
Lombard, Illinois 60148

Regarding: Proposed Hotel Development at 451 E. North Avenue

To the Department of Community Development,

My name is Ms. Thérèse M. Cilella. I am a resident at 637 N. Joyce Street.

Thank you for providing my family, neighbors and I with the opportunity to be part of the village process. Today, January 17, 2020, I am submitting petition information to oppose the current plans for the proposed hotel at 451 E. North Avenue.

In the short time that has elapsed since learning about the development, over 2500 total signers have joined in our mission to preserve and protect the Lombard Lagoon area.

Our Neighborhood has truly joined together through this experience. Seeing our numbers grow throughout all districts of Lombard really says something positive about the Lagoon area and what it means to our village. Although you will see some various locations on the electronic petition printout, there is also an email response from change.org as to why the locations are listed as they are. It is true that some signers are past residents who wanted to speak out too. I recognize the names of people from my past. What this tells me, and surely the village too, is that no matter the reason for signing the Lombard Lagoon is a cherished, iconic, tranquil and beautiful place that needs a protective voice under today's commercial transformation. New and old neighbors fused to make a change. In a societal time when people are caught up in their own lives, we all stopped for this.

On behalf of all signers, we appreciate the Village of Lombard's consideration in this matter. The natural serenity and safety the Lombard Lagoon is embedded in the memories and daily lives of so many people. We ask that the village preserves this entire experience for future generations. The decision is yours.

Sincerely,

Ms. Thérèse M. Cilella

Petition: Oppose the Holiday Inn Express as it relates to the Lombard Lagoon and Surrounding Neighborhoods in an effort to:

- Preserve open space land, wildlife, natural transitional landscape and setback.
- Maintain park and neighborhood safety.
- Protect the Lombard Lagoon from the effects of the development and operation of the hotel.
- Secure Lombard's property values.
- Reduce negative consequences for current flood-prone areas.

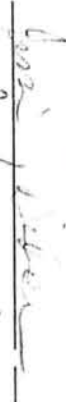

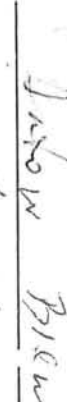

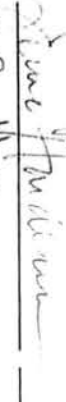

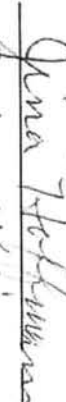

Verify that I am at least 18 years of age and a Lombard, Illinois resident. If signing on behalf of my family, I will include # of household adults represented.

change.org

Hello Therese,

Thank you for contacting the Change.org Help Center!

I understand you have some inquiries regarding the location taken when signing a petition. I appreciate you trusted me to assist you with this. I am more than happy to help you.

I would like to inform you that there are two scenarios in this situation. If the user is logged in her/his account, then the signatures take the location of the account. If the user is not logged in and only sign adding her/his signature, then the site takes the location automatically at the time of signing.

Lastly, I appreciate your politeness and kindness displayed on your request. I can see you are very committed to your petition, that is excellent news. I wish you the best and hope you will even exceed your expectations with your petition.

Kind regards,

Camila

Lagoon Neighbor started this petition to Village of Lombard Plan Commission and 3 others

January 11, 2020: Please see our petition's 01/10/20 Update. There is also an updated FAQs sheet from the Village of Lombard. <http://www.villageoflombard.org/429/Holiday-Inn-Express>

We would like to acknowledge that the developers have made some changes based on resident feedback.

At this stage of the village process the Lombard Lagoon and area residents may have a new neighbor in the form of a hotel at 451 E. North Avenue. If so, with community spirit we would like to continue to work with the developers in coming to a compromise that will keep the Lombard Lagoon a safe, serene and natural setting.

The Lombard Lagoon area has been enjoyed and appreciated by many generations. Let's work together to preserve it!

Building height restrictions should be strictly enforced.

The building should be no more than three stories.

Aesthetic, concrete stonewall barrier to maintain boundaries and assist with noise. This barrier should be the maximum allowable height based on village ordinance with no openings between the Lombard Lagoon and the banquet/hotel properties.

A beautification plan for buffer and vegetation along the barrier wall which includes tall growing trees, native species and coniferous varieties.

We ask that the Lombard Park District be given the opportunity to design the barrier wall and buffer/vegetation plan with resident input.

We respectfully request that the hotel developers consider a new color scheme for the south-facing exterior. In an effort to blend with nature, the neutral gray tones of the front of the building would be an improvement for the Lombard Lagoon if they are continued to the south-facing view.

Eliminate traffic onto Joyce. No right turns allowed out of the hotel onto Joyce. Create barriers to prevent this traffic flow.

No banquet/hotel parking in Lombard Lagoon parking areas. No banquet hotel/parking on area streets. (This also includes construction parking and traffic for the hotel.)

Lombard Lagoon hours strictly enforced.

The height of the proposed hotel will be discussed at the public hearing on January 27, 2020. We ask that height restrictions are strictly enforced.

Can't make the public hearing? Please email your concerns to: communitydevelopment@villageoflombard.org.

Continue to email Lombard's Trustees. The Lombard Lagoon is in District 4. Contact Trustee Honig at HonigA@villageoflombard.org. 630-880-7733. <https://villageoflombard.org/213/District-Map>

Original Petition:

Oppose the Holiday Inn Express as it relates to the Lombard Lagoon and Surrounding Neighborhoods in an effort to:

- Preserve open space land, wildlife, natural transitional landscape and setback.
- Protect the Lombard Lagoon from the effects of the development and operation of the hotel.
- Maintain park and neighborhood safety.
- Secure Lombard's property values.
- Reduce negative consequences for current flood-prone areas.

I would like to take this opportunity to oppose the proposed plans for the Holiday Inn Express at 451 E. North Avenue in Lombard, Illinois.

I ask that the Village of Lombard oppose the building.

If opposing the building itself is not an option at this stage of the village process, at the very least, the Village of Lombard should oppose the requested variance for a fourth story and new back roadway.

Current height restrictions should be strictly enforced. Transitional and setback areas should be at code.

If a back roadway is absolutely necessary for a hotel of any size then I request a new plan presentation. This new plan will reposition the building north to maintain the current transitional and setback areas and keep them at code. Alternative plans through direct communication with DuPage County and IDOT for North Avenue entryways should be created as options. Barriers to prohibit traffic onto Joyce and other surrounding streets should be constructed.

For the multiple concerns related to park safety, the well-being of the wildlife, drainage into the lagoon and the destruction of the natural transitional landscape, setback and view I implore the Village of Lombard to do everything within its power on behalf of the Lombard Lagoon and village residents.

If the Village of Lombard allows a structure to be built at 451 E. North Avenue, I then request that the Village of Lombard work to obtain aesthetic durable fencing, tall growing trees (including coniferous varieties), buffer and vegetation. I ask that this fencing and landscape plan is designed by the Lombard Park District with input from the residents and the installation, planting and maintenance paid for at the hotel owners' expense.

I request to eliminate any construction parking and traffic on neighborhood streets due to park safety and further effects on the lagoon and park area. Construction parking and traffic should also not interfere with park and residential access to emergency vehicle service.

I feel that enforcements must also be made for banquet hall and hotel parking overflow around the park area and that park hours are strictly adhered to by banquet hall and hotel guests as well as the employees of these facilities.

A plan to offset the hotel lights and reduce noise pollution should also be implemented.

For many decades the Lombard Lagoon Park has been enjoyed and respected by our residents and I believe it should continue to be a safe and natural setting.

As a resident, I also have concerns regarding how the proposed hotel will affect Lombard's property values, flood-prone areas, traffic and law enforcement needs.

I believe the outcome of this issue will affect all Lombardians and parkgoers.

I willfully add my name to this petition for the preservation of the Lombard Lagoon and park area as we maintain the safety and value of our entire community.

Letter: Greetings,

Support the Lombard Lagoon Area and Express Objection to the Proposed
Hotel Development

Comments

Name	Location	Date	Comment
Justine Ewalt	Villa Park, IL	2019-12-29	"I'm signing because I am concerned about increased traffic, losing the wooded area that is home to wildlife, and safety of our community with an increase of "strangers" staying so close to the park. There are 2 hotels to the west. Another one in our small community is not necessary."
Dawn Gribble	Oneida, WI	2019-12-29	"Preserve the wetlands they are crucial to our survival!"
WILLIAM FETTERHOF	Lombard, US	2019-12-29	"Traffic, 30' buffer zone, extra lighting, extra policing, home values, noise and park use"
Steve Ozgowicz	Middleburg, FL	2019-12-29	"Do we need another motel rather than a park for our kids!"
Cyndee Muska	Lombard, US	2019-12-29	"This is a terrible idea. Have 2 hotels on 53 and North Ave. Don't need the transient population, traffic, concrete or affect on property values. More businesses have not proved to help reduce or even keep stable our residential property taxes. No benefit. Just downside. Don't do it!!!!!!!!!!!!!!!"
Timothy Nordskog	Carol stream, IL	2019-12-29	"Timothy Nordskog"
Natalie Priest	Carol Stream, IL	2019-12-29	"We love to walk our kids over there"
Helina Kruse	Lombard, IL	2019-12-29	"How about the park district buy it. Park services on that side of town are poor"
William Walsh	Lombard, IL	2019-12-29	"The lagoons are important to the area."
Susan Del Guidice	Lombard, IL	2019-12-29	"There has to be a better location for a hotel. It's set away from other businesses and such a beautiful view driving into Lombard"
Jaime Juda	Lombard, IL	2019-12-29	"I dread the negative effect this building will have on the current wildlife."
John Buonanoma	West Chicago, IL	2019-12-29	"It's a place that we take our families to fish hang out with friends and create memories and it's local that some people don't have to travel far"
Megan Buscher	Villa Park, IL	2019-12-30	"Childhood memories/nature/building new memories with my family"
Kimberly Grala	Carol Stream, IL	2019-12-30	"It's a fabulous part of Lombard for kids growing up. I spent a lot of time there with my dad and brother when I was little over 50y ago! I've seen young families doing the same. Needs to stay period"
Jessica Bugajsky	Glen Ellyn, IL	2019-12-30	"We have had many family parties there!"
Mike Orlovski	Glendale Heights, IL	2019-12-30	"It's a place to get outside have some fun and even fish, it's the last place they need a hotel who would even think of letting it happen.."

Name	Location	Date	Comment
Kimberly Messina	Elmhurst, IL	2019-12-30	"Save the Lagoon, another hotel is not needed. Keep the open space"
Hector Franco	Villa Park, IL	2019-12-30	"Lombard doesn't need a hotel preserve the land"
Denise Genthe	Elmhurst, IL	2019-12-30	"Mother Nature needs to be left alone !!! Adults and children need a peaceful relaxing place to go to"
Jim Moore	La Crosse, WI	2019-12-30	"used the pond often with my brother and his kids"
Jim & Rebecca Hickey	Marengo, IL	2019-12-30	"Stop overcrowding, no need for a hotel, put it near the highway not in residential neighborhoods ! Putting a hotel near the Lagoon will affect more than people know, the way the sun rises, plants/trees blocked by the hotel will die from no sun or not enough, garbage from hotel will draw in rodents/raccoons which will draw in coyotes. Think about that developers."
John Suto	West Chicago, IL	2019-12-30	"John Suto"
Kierstynn Decker	Villa Park, IL	2019-12-30	"I live nearby and love walking my dogs at the lagoon and watching the turtles and other wildlife. A hotel nearby is a bad idea from an ecological standpoint, safety standpoint and simply would ruin the serenity that we love about Lombard Lagoon!"
Alicia Nowak	Lombard, IL	2019-12-30	"I love the trees there and a hotel may bring the wrong types of people to the area and a lot of traffic."
Kathy Wagner-Selbach	Lombard, IL	2019-12-30	"This area has enough traffic congestion already due to North Ave. and Grace St. that causes 24/7 "White Noise". The Lombard Lagoon gives a buffer to that noise and lights and also allows a space for wildlife to go. Holiday Inn Express should look elsewhere that won't backup to such an rear."
Wojciech Jablonski	Lombard, IL	2019-12-30	"I am opposed to a hotel in my back yard!"
Laura Sasinka	Lombard, IL	2019-12-30	"Laura Sasinka I am opposed to the idea. There is flooding around the lagoon when it rains. The lagoon water over flows onto Grace St, East Lemoine Avenue, up to Marcus. Traffic will increase around the lagoon and surrounding area. Also concerned with the different types of wild life that will be affected if the hotel get a built."
Debbie Ward	Lombard, IL	2019-12-30	"I am against the hotel. It is taking away the green at the lagoon. I don't think it is a safe environment for our children who play in the park. Or the peace of fishing.."
Lisa Galinsky	US	2019-12-30	"It is a beautiful area and a hotel will detract from it."
Erica Sexton	Lombard, IL	2019-12-30	"I do not think that another huge hotel is needed in the area. The lagoon is a beautiful area and shouldn't be married with a giant hotel. Also, what is going to happen too the neighborhood with all of the increased traffic? This is going to ruin a peaceful area."
Wendy Johnston	US	2019-12-31	"It's beautiful please save it!"

Name	Location	Date	Comment
Joe Bessert	US	2019-12-31	"Its been a pond as long as I remember and its a lovely place to visit it should stay for many years to come"
Regina Artelt	Lombard, US	2019-12-31	"Lombard doesn't need anymore hotels We have over ten hotels, off 22nd St & Butterfield"
Jeanine Czerwin	Lombard, IL	2019-12-31	"We do not need a hotel. Leave the Lagoon alone!"
Mart Anne Oczkowski	Lombard, IL	2019-12-31	"Save the lagoon. The families that use this park do not need a hotel in their backyard."
Donna Fagocki	Arlington Heights, IL	2019-12-31	"No Hotel keep it the way it is keep the lagoon"
Kathy Percifield	Oak Lawn, IL	2019-12-31	"Please leave the lagoon as is. No hotel needed."
R Kero	Lombard, IL	2019-12-31	"I'm signing this because Lombard needs to protect our open spaces. We do not need to build on every piece of land. There are more than enough hotels in Lombard ...you can never have enough parks & open spaces."
Susan La Veau	Aurora, IL	2019-12-31	"This is preposterous!! That lagoon is a necessary habitat for the unique trees,plants and animals in tha area. It's practically a landmark. There are plenty of other spots along North Avenue and even on Route 83 that would be better for what they are plotting to do."
scott mcnulty	chicago, IL	2019-12-31	"The local code was written for a reason."
Beth Gunsteen	LOMBARD, IL	2019-12-31	"I vehemently oppose a hotel threatening the tranquility of the Lagoon and upsetting the natural balance of the wildlife. We as residents co-exist with the geese, but what happens when you bring many non-residents into the area who won't have the patience or respect for slow geese crossings? Has the village considered this? Just one of my MANY concerns!"
Carly Amen	Elmwood Park, IL	2019-12-31	"We love this park and area, our kids play here and we don't want it gone"
Shelby Mccleary	De Pere, WI	2019-12-31	"Wildlife needs to be unscathed fromDevelopers"
Sue Selander	Lombard, IL	2019-12-31	"We do NOT need a hotel there, there are plenty enough around to stay at !!!! Keep the Lagoon !!! Can we please keep some things as is ??????"
Dan Woolley	River Forest, IL	2019-12-31	"Protect the wildlife!"
Gayle Borel	Elmhurst, IL	2019-12-31	"Lombard lagoon is beautiful!"
Donna Cardia	Downers Grove, IL	2019-12-31	"Keep the land open"
Donna Busching	ERIE, CO	2019-12-31	"Lombard needs open space."
Maria Moore	Lombard, IL	2019-12-31	"We dont need another hotel."

Name	Location	Date	Comment
Betsy Aldred	Elmhurst, IL	2019-12-31	""Open space" is a community asset, especially in this hyper-developed section of DUPage County. Maintaining it should be a priority for the community's leaders. Set an example, Lombard!"
Dave Panfil	Mopar, CA	2019-12-31	"There is absolutely no reason to build another hotel There are 2 within 1 mile of the lagoon! Leave the park!"
Kathryn Rydz	Crossville, TN	2019-12-31	"Sometime, it's got to stop being all about money. We need open spaces to combat flooding and to renew our souls and our childrens' souls"
Melissa Dagenhart	Lombard, IL	2019-12-31	"The Lombard Lagoon is a gem of a park. I understand that the property in question adjacent to the lagoon has commercial zoning, however, please seriously consider how any construction and businesses at that location will impact the area, the wildlife, the flooding issues, the families and pedestrians and park users, etc. The aesthetics of the park are one issue, but more important is the impact on the people who reside there, the wildlife who reside and utilize the park, and the taxpayers who pay to have such parks and open spaces. Flooding is already an issue. Additional construction, construction traffic, and budge hotel traffic flow, and the lighting necessary for the business and its parking lot devalues the park and likely will destroy its habitability for wildlife, not to mention would likely lower the property values for existing homes in the area."
Danny Peters	Chicago, IL	2019-12-31	"Lombard Lagoon must stay. Fuck Lombard and there ugly ass's trynna ruin nature"
Richard Masciopinto	Lombard, IL	2019-12-31	"The lagoon is a great place to walk dogs, play with your children, and relax on one of not so many open spaces. The less the lagoon and surrounding area is changed, the better."
Joe Huttner	Villa Park, IL	2019-12-31	"My dad walks my dog here!!! It's her favorite spot!!!"
John Sheehan	Addison, IL	2020-01-01	"I eat lunch at this park almost every day"
Carol Krizman	Chicago, IL	2020-01-01	"We do not need another hotel. We do need nature and natural beauty. Do the right thing, Lombard Trustees. Life is not about money."
Joseph Thompson	Winfield, IL	2020-01-01	"The area needs to be saved from development. It is beloved and used by the community."
Chouaib Mchabcheb	Lombard, IL	2020-01-01	"Maintain the Prosperity of Lombard!!!"
Alyssa Hernandez	Illinois	2020-01-01	"We as humans beings of this earth need to start putting the earth and nature FIRST before we develop and build over every last piece of land. Lombard does not need another hotel, especially in a residential area. Leave this area be so others can enjoy it's tranquility and beauty."
Theresa Yates	Chicago, IL	2020-01-01	"Too much nature is being overrun with development. It's sad!"

Name	Location	Date	Comment
Jean Wiedman	Apple River, US	2020-01-01	"I was born and raised in Lombard. My parents lived there all their married life. I am really disappointed that the village would allow this to be built."
Kathy Berent	Carol Stream, IL	2020-01-01	"There are so few natural areas that serve both wildlife and the community in that area, a Holiday Inn is the last thing the village should consider building on that land."
Mary Becker	Lombard, IL	2020-01-01	"We don't need another Hotel in this area...I feel it will increase flooding in the neighborhood behind the Proposed location ...Just say NO!"
Amanda Martin	Villa Park, IL	2020-01-02	"I love the serenity of Lombard lagoon, it is my happy spot."
Christine Wood	Villa Park, IL	2020-01-02	"Christine Wood"
Jennifer Bergeron	Naperville, IL	2020-01-02	"The lagoon has been a staple of the community since I was a little girl. The warming house used to be open for skaters during the winter months. We fished during the summer. Stop destroying everything!"
Spaencer Sherman	Glen Elynn, IL, IL	2020-01-02	"I love the lagoon. Terrible place for a hotel."
Valerie McGregor	Lombard, IL	2020-01-02	"Why would we support the demolition of wetlands when we can build on the Mr. Z's property?"
Nicholas Goclan	Lombard, IL	2020-01-02	"I grew up playing there..we lived on N.Grace St..There was nothing more as a little kid I wanted to do then ride my bike and play at the lagoon..Feeding animals and swinging on the vine tree..Last thing Lombard needs right in the middle of a quiet subdivision then a hotel.."
April daane	Lombard, IL	2020-01-02	"Bad idea!!"
Michael Boucher	Lombard, IL	2020-01-02	"Lombard let Ken Loch golf course get sold and get developed on. This area is not replaceable, shame on Lombard officials!!!"
Debi Mascarella	Illinois	2020-01-02	"I'm signing because a hotel in this area is completely stupid . There are more than enough hotels in Lombard and the surrounding areas. Lombard needs to keep the lagoon as is and let kids and wildlife have a safe place as we all did growing up. I'm sick and tired of seeing every area of nature being destroyed by greed"
Dave Yant	Chicago, IL	2020-01-02	"We don't need another hotel in lombard"
Brad Pedersen	Lombard, IL	2020-01-02	"We dont need more hotels"
Michelle Barth	Bensenville, IL	2020-01-02	"My parents grew up in lombard. We as adults now frequent the lombard area, especially the lagoon and park there. Why pick that area to develop when there are a few hotels close by and multiple areas with buisness that are vacant they could use instead. The lagoon and all its inhabitants deserve to keep their environment free of all the issues and drama the hotel will bring. Say no lombard this is a bad idea"

Name	Location	Date	Comment
Alex Kane	Lombard, IL	2020-01-02	"It will ruin the area doesn't belong there"
Heather Ringgold	Staunton, VA	2020-01-02	"Born and raised in Lombard hate to see it go! It's nice to see when I come home to visit!"
Pat Lorimer	Lombard, IL	2020-01-02	"We need to preserve the area as is! There are enough hotels in the Lombard area. Thank you"
Tiffany Cunat	Clarendon Hills, IL	2020-01-02	"Because we need to stop destroying natural habitats for wildlife and nature. We are destroying animals homes and for what a damn hotel. Find a vacant lot and put it there, instead of destroying a habitat"
Lesley Carhart	Villa Park, IL	2020-01-02	"Light and habitat pollution are already a problem in the area. Let's have a meaningful conversation about how to have less dramatic impact to the park space."
Tom Morris	Wheaton, IL	2020-01-02	"Too nice of a lagoon and park area to ruin it with a hotel."
Cathy Hall	US	2020-01-02	"The Lombard lagoon is a beautiful park with wild life that enjoy it as much as the residents of Lombard. There is absolutely no need or reason to destroy what beautiful nature we have left. NO HOTEL !"
amy kane	Lombard, IL	2020-01-02	"Plenty of other locations to build that hotel. Dont take away our park for something like that."
Debra Tabanera	US	2020-01-02	"Debra tabanera"
Jose Santacruz	Lombard ill, IL	2020-01-02	"Please save our natural resources"
Lisa Flores	Lombard, IL	2020-01-02	"Keeping the beauty of a park is more important than a hotel."
Jerry Dolan	Hoffman Estates, IL	2020-01-02	"I believe that this space should be saved for recreation use."
Deanna Pisano	Lombard, IL	2020-01-02	"Hey Lombard ...the village will make a mint off the hotel/motel taxes! Don't they get enough from all the developments on the south side! Leave us alone up here.How about a Family restaurant for us? There's nothing on the north end of town! We have enough banquet halls, we need family restaurants. Why is the North end of Lombard ignored until some Hotel wants to move in....\$\$\$\$\$\$ \$ Don't be fooled people, there will be plenty of rif raf coming and going in an Express hotel especially near a highway. Watch, this place will be up and running before we even get our new library! Lombard is more concerned with taking care of outside businesses and sticking it to their residents!"
Josh Funakoshi	US	2020-01-02	"We do not need a hotel in a residential area let alone a park"
Bea Hantzis	Villa Park, IL	2020-01-03	"I am signing this petition because I love Lombard lagoon & the poor residents have to look at a back of another hotel- which we do not need. Please do not build it here."
Jan Jenca	Lombard, IL	2020-01-03	"Janet j jenca"

Name	Location	Date	Comment
Marsha Swetin	Lombard, IL	2020-01-03	"We do not need another hotel. We must not do anything to impact the lagoon!"
Rocky Zigmant	Lombard, IL	2020-01-03	"A hotel doesn't belong in a park."
Carol Berndt	Lombard, IL	2020-01-03	"This is a residential neighborhood. Please respect that. We do not need another hotel. And enough banquet halls already! We do need a nice family restaurant. There are none anymore on this end of town. I sure do miss Casey's!"
Sarah Yannias	US	2020-01-03	"I want to preserve the lagoon and it's surroundings It already floods over there and we don't need more water problems. We have enough hotels"
Karen Padecky	Melrose Park, IL	2020-01-03	"It is wrong to take this long Term Park that has been part of many generations. It's also needed for wildlife."
Michael Ritchey	Elmhurst, IL	2020-01-03	"I'm signing this petition because it's a beautiful stretch of land that is peaceful and not taken up by the fast-paced society of today plus it's good for the wildlife and all the nature that it brings please leave the Lombard Lagoon alone"
Jim Lithas	Lombard, IL	2020-01-03	"I don't want this in the town that I live in!"
Tina Krische	Merritt Island, FL	2020-01-03	"We need some earth and open healthy land to be able to learn from. Because it's been around longer than you,find Respect for the earth."
CHARLYN WALTER	MAUSTON, WI	2020-01-03	"I grew up in Illinois. I just love this lagoon. It is the perfect place for people to relax and enjoy the scenery, wildlife, etc. It should stay and be destroyed."
Kimberly Cotton	US	2020-01-03	"Kimberly Cotton"
Kathy Bliss	Villa Park, IL	2020-01-03	"Kathy Bliss"
Linda Wilkie	Villa Park, IL	2020-01-03	"There's too many problems with the townhomes just West if there. Get rid of the townhomes and build it on that property."
Valerie Navarre	Wheaton, IL	2020-01-03	"I agree completely with the concerns and concepts set forth. This is an area to be preserved and maintained for the residents and their safety. This park has served this community for years and should not be sacrificed for an unnecessary hotel development. By scaling back the plan, this park space can be better preserved for the residential property owners, their families, and the community that has reasonable expectations as to the maintenance of the character of their living environment."
Natalie Banas	Mount Juliet, TN	2020-01-03	"This area is special and should not be destroyed"
Karen Hoffman	Glendale Heights, IL	2020-01-03	"Leave this alone!!!!!! Stop building on land and protect wildlife. Find an old building and rehab it!!!"
Joan Younger Stevian	Bolingbrook, IL	2020-01-03	"I used to live in Lombard. We need to maintain the open lands. We don't need to build on every singleopen space available."

Name	Location	Date	Comment
Michael croschere	Villa Park, IL	2020-01-03	"The lagoon and the property surrounding it should remain as is, not hotel needed"
Lauren Tedesco	Villa Park, IL	2020-01-03	"Need open space. Need kids play. Need natural surroundings for water absorption and not cement and parking lots that will detriment houses and streets"
Jennifer Johnson	Lombard, IL	2020-01-03	"The Lagoon is too beautiful to turn into a hotel."
Kenyatta Smith	Villa Park, IL	2020-01-03	"Kenyatta Smith"
Kenyatta Smith	Villa Park, IL	2020-01-03	"I've hosted two babyshowers there. The Lagoon has been there since I was kid. Byild gitel somewhere else"
Richard Valdez	Addison, IL	2020-01-03	"Richard Valdez"
Allison Karel	Villa Park, IL	2020-01-03	"I grew up with the Lombard Lagoon being one of the places my friends and I would walk to or ride our bikes to and play. It's a beautiful part of the community. Feeding the birds there was always my favorite as a kid."
Jacqueline Luna	Lombard, IL	2020-01-03	"Another hotel? Instead of building on good land look at that terrible cement playground where the goodwill and that shady motel is..."
Jeff Theissing	Burbank, US	2020-01-03	"We don't need a hotel 2 blocks from my home! Keep the hotels by the mall where there are attractions for visitors! There are 2 hotels a couple blocks west on north! Hotels bring people that don't care about the area and I don't want to see the lagoon get trashed up or my neighborhood as well. I hate this plan!"
Robert Hensley	Elgin, IL	2020-01-03	"Areas like this do not need to be over runby large hotels. Build it somewhere else and keep this area as pristine as possible."
Elisabeth True	Lombard, IL	2020-01-03	"I walk my dogs at Lombard lagoon regularly and my children play at the park. It is a nice quiet community park that benefits the neighborhood. We don't need anything that is going to increase traffic in the area and compromise safety. Plus flooding is already a serious problem in the area due to too many structures filling up ground water space, major construction in Lombard needs to be limited and instead they should be focusing on doing a better job with flood control. I now get water in my basement 5-10 times a year, but it only started about 5 years ago, before that we never got any. Water runoff is out of control right now."
Gail MacKenzie	Tiffin, OH	2020-01-03	"Parks are where kids go to stay out of trouble. When I was there I know I did."
Kristen Fiene	West Chicago, IL	2020-01-03	"This park is right next to where I grew up. Let this be a memorable place for families and leave it be. This hotel can go somewhere else where we dont have to take away something from children and families."
Lawrence Kopp	Delavan, WI	2020-01-03	"I like and use the Lombard Lagoon"

Name	Location	Date	Comment
Kristen Pham	Wonder Lake, IL	2020-01-03	"Maintain this beautiful, natural public space."
Jan Oliver	Villa Park, IL	2020-01-03	"Although I don't live in Lombard , I worked in Lombard. I still picnic , fish, walk and just enjoy the beautiful scenery. It would be a shame to allow what is being proposed. The sign out front say banquet hall coming soon. What happened to that? Flooding is prevalent in that area, don't make it worse. There is enough riff raft on North Avenue."
Rosie Schwartz	Elmhurst, IL	2020-01-03	"Leave this land be!!!!!"
Nancy Ammons	lombard, IL	2020-01-03	"I'm concerned that the Lombard Lagoon and surrounding green space is not affected!"
Sam Fitzgerald	Villa Park, IL	2020-01-03	"Nature > Corporations"
Gina Rubio	Villa Park, IL	2020-01-03	"I grew up with the Lombard lagoon and so did a lot of my friends and family, I think it would be a poor decision to ruin the childhoods of many Lombardians and future Lombardians."
Morgan-Daniell Witt	elmhurst, IL	2020-01-03	"I've enjoyed going to this area since I was a kid. My friends have grown up to raise their families in this area as well and now bring their kids here. This is an important place in the community for children to grow, people to enjoy nature and being outdoors and therefore should be protected. A hotel in this area in nonsense. There are plenty around the area people can get to, this area does not have the room. It is also an unsafe idea with children around to even have this type of building built because of all the traffic it will cause. And outsiders being around that could cause issues. Keep the hotel for a better area and leave Lombard Lagoon alone"
Jan Hoffman	South Elgin, IL	2020-01-04	"Jan Hoffman"
Jamie Cizek	Lombard, IL	2020-01-04	"One voice can be heard all over the world, if you only listen..."
Timothy Lange	Villa Park, IL	2020-01-04	"Marian I"
Teaghan Hock	Huntley, IL	2020-01-04	"Our family grew up around the lagoon. There aren't enough open spaces in the suburbs anymore. One more hotel isn't going to drastically change income or tourism in the area. It only cuts into some of the only natural environment left. Please leave it be."
Tina Behrendt	Villa Park, IL	2020-01-04	"We dont need another hotel . Leave nature as is and the Lagoon alone."
Mary Blaas	Lombard, IL	2020-01-04	"We need to preserve parks and nature. The Lombard lagoon is a staple in the town."
Scott Kuban	Bloomingtondale, IL	2020-01-04	"Scott Kuban"
Susan Hiller	Villa Park, IL	2020-01-04	"Do we really need ANOTHER Hotel?"
Noreen Lydon	Bensenville, IL	2020-01-04	"I want nature to be preserved!"
Debra Colletti	Lombard, IL	2020-01-04	"Debra Colletti"

Jennifer Ford	Lombard, US	2020-01-04	"We have plenty of hotels already. Leave nature alone."
Mary P	South Elgin, US	2020-01-05	"I lived near Lombard lagoon for meant years. This is a wonderful and special place for family's to spend time without having to drive long distances"
Jennifer Anderson	Lombard, IL	2020-01-05	"Adding a hotel would take away a wonderful part of our town and only bring bad news just like the rest of the shifty hotels on Roosevelt and north ave. Let it be. Lombard would not be the same without the lagoon."
Pam Peters	Lombard, IL	2020-01-05	"I care about our neighborhoods ."
Alanna Schwartz	Kenosha, WI	2020-01-05	"I grew up near that lagoon! It would be a shame to see it go. There are other places to put up a hotel. We need more natural areas. It's what keeps our ecosystem in place"
Mikayla Lamont	Raleigh, US	2020-01-05	"Keep the area more natural, less commercial development"
Michael McMahon	De Motte, IN	2020-01-05	"What the hell happened to the preservation of green space requirements that Trustees like Laura Vasquez, Pete Davis, Dick Tross and so many others fought for? Everyone in the hospitality industry knows damn well how well Lombard taxes the hell out of the hotels and motels, and have done so for years. I lived in Lombard for over 23 years and watched, in person, at Zoning Board, monthly Board of Trustees meetings in the early days of Downtown Lombard redevelopment, and the development of the Highland and 22nd areas. This kind of encroachment on a public park would never have been tolerated. Time for the planners to get back to basics and protect the habitat and environment their predecessors expected the vision of the future to look like. This development will not, in my opinion be an advantage to the citizens, for many years financially, while denigrating the neighborhood structure, and property values."
Jennifer Rosario	Villa Park, IL	2020-01-05	"I have lived in the area and enjoyed this park for years. It would be a shame to see it destroyed the area doesn't really need."
nancy gordon	Chicago, IL	2020-01-05	"Can we please recognize that there are some things - THE EARTH - that are more important than more development and more money?"
Patricia Lenckus	West Chicago, IL	2020-01-05	"Kids need a place to fish and run! Hi"
Lucretia Davies	US	2020-01-05	"This is a very special place for a lot of Lombard families. We need to keep the neighborhood safe and putting up a hotel could endanger our children."
Colleen Fitzgerald	US	2020-01-05	"Its right"
Nathan Hart	Lombard, IL	2020-01-05	"I'm in favor of that parcel being developed, finally, but I can't support a hotel in that location. Not with the variances needed to accomplish that and the disruption it will cause to the residents in the area, the wildlife potentially displaced. Our proximity to North Ave. already brings undesirable amounts of noise, speeding

Name	Location	Date	Comment
			vehicles, littering, and lower property values why add a transient element to the mix?"
Eldorene McGuinn	Port St Lucie, FL	2020-01-05	"Because I am originally from there and haven't we destroyed enough of nature! STOP!"
Isabel Benitez	Elmhurst, IL	2020-01-05	"Keep the earth clean, man"

Kari Lynn Ploke	Lombard, IL	2020-01-10	"I feel we have plenty of hotels in Lombard. We need to leave our parks and ponds alone."
Sharon Brennan	Lisle, IL	2020-01-10	"You don't need another hotel in the area. This park is beautiful and you want to destroy it. Are you all Nuts."
Frank Gondermann	US	2020-01-10	"I don't care to have a hotel less that a mile from my house. We don't need the traffic driving through our neighborhood"
Sandra Newell	Elmhurst, IL	2020-01-11	"Sandra Newell"
Gemma Alcasid	Sugar Grove, IL	2020-01-11	"The lagoons needs to be left alone because of animals that lives there! Build someplace else where no natural habitat for animals are not affected! It's all about money and greed! Businesses don't care! All animals deserve to be treated with respect and kindness and compassion and men should not interfere with their natural habitat unless to help them!"
Greg Schroeder	US	2020-01-11	"We need more green space not less!"
Barbara schroeder	Lombard, IL	2020-01-11	"I grew up in the area and I don't want to see the lagoon change."

Name	Location	Date	Comment
Heather Eagan	US	2020-01-12	"Preserve wildlife and some of the limited open space that is remaining."
Christina Pignato	Lombard, IL	2020-01-12	"The Lombard Lagoon has long been a treasured, tranquil place for my family for generations. The businesses on the corner have already impacted the area with noise and auto traffic making a visit to the Lagoon one of constant distraction instead of tranquility and peace. Over 23 years of living within steps of it's beautiful landscape, I have witnessed it decline into a place of just another "pond" meant to mimic some natural Illinois reservoir. Adding a hotel will only bring the value, beauty and safety down to our community. PLEASE keep the Lombard Lagoon and it's residents a priority in your decision and decline the building of an express hotel. Thank you from this 3rd generation Lombard resident."
Daniel Schroeder	Marengo, IL	2020-01-13	"I grew up very near to this Lagoon and have so many fond memories of being with family and friends and loving nature there! This place is a Landmark in Lombard! Thanks for letting me share."
Kathy Cregan	Marengo, IL	2020-01-13	"There are so many Empty places. Rebuild there"
Karen Worthington	Lombard, IL	2020-01-13	"Flooding issues."
Stephanie Ostrowski	Lombard, IL	2020-01-14	"We need to stop building and every available green space in Lombard. I don't believe Lombard needs another hotel!"
Sharon pederson	Lombard, IL	2020-01-14	"I'm a lombard resident who enjoys the lagoon...please don't ruin it..."
Carol Judd	Lombard, IL	2020-01-14	"I don't there is sufficient space for this hotel. Concerned about the lagoon."
Nicole Nava	Lombard, IL	2020-01-14	"The Lagoon has been here longer then most Lombardians!!! Its 1 of the only nice things we have in Lombard that is nice , peaceful, and free!!! People use it to exercise, fish, bbq, parties and much more!!! SAVE THE LAGOON"
Laura Zaagman	Lombard, IL	2020-01-14	"Lombard needs wildlife space. Not another hotel!!"
Bonnie Breen	Lombard, IL	2020-01-15	"My young daughter & I have always enjoyed the serenity of the Lagoon in all seasons - it would be a terrible mistake to disrupt that..."
Andy Ferris	Lombard, IL	2020-01-15	"I support keeping the Lombard Lagoon a natural and enjoyable place for everyone."
Holly Pecora	Lombard, IL	2020-01-15	"Not looking forward to a hotel so close to our homes. Will Lombard be regularly patrolling this area? I was concerned about parking when I saw the banquet facility. I can' t imagine there will be enough parking if there is a full hotel and an event at the banquet hall. I do not want parking on the local streets. I feel that the space is inadequate for both businesses."
Kelli May	Villa park, IL	2020-01-16	"We don't need yet another hotel in our residential neighborhood! Save the park dor the kids, nit the commerce."

Name	Location	Date	Comment
Cassandra Schumacher	Villa Park, IL	2020-01-16	"There is no need for a hotel. There are others very close"

The following pages pertain to our change.org petition updates

After individuals sign the petition, “Lagoon Neighbors” has opportunities to send updates to signers. We can do an update every 24 hours at the most. (We do not update this often.) Please note that there are times we would update in the evening and the post would be dated with the next day’s date.

Originally our petition started circulating amongst family, friends and the “Lagoon Neighbors” Facebook group. Once the petition started increasing in numbers, we made sure we included the link to the Village of Lombard FAQs sheets and Ms. Ganser’s contact information within those early updates. The “Lagoon Neighbors” Facebook group had included these since it became a public group, but the petition grew quickly. We wanted to make sure all signers had resources to obtain the best information regarding the proposed hotel and the Plan Commission process.

PETITION UPDATE

Let's Flock Together!

Lagoon Neighbor

Lombard, IL, United States

JAN 16, 2020 —

We have reached over 2400 online supporters and we have sheets of written signatures too! Can somebody say 2500 total? **WE CAN!**

This is great!

The Plan Commission will review your thoughts prior to the public hearing....just make sure to get your letters and emails in by January 17th!

communitydevelopment@villageoflombard.org

Keep Honking!

Email Community Development by January 17th!

Lagoon Neighbor

Lombard, IL, United States

JAN 15, 2020 —

Please email communitydevelopment@villageoflombard.org by January 17th.

Signing the petition was a great help! Please continue to show your support by emailing Community Development.

We recognize that at this stage of the village process the Lombard Lagoon and area residents may have a new neighbor in the form of a hotel at 451 E. North Avenue. With community spirit we would like to continue to work with the developers in coming to a compromise that will keep the Lombard Lagoon a safe, serene and natural setting.

Please take this opportunity to share your thoughts regarding the proposed hotel and how it relates to the Lombard Lagoon area. It is also helpful if you include your requests should the hotel be built.

Some points of consideration are listed below. Please include in your email any points that you feel are important.

The Lombard Lagoon area has been enjoyed and appreciated by many generations. Let's work together to preserve it!

Points you might like to include in your email:

- * Building height restrictions should be strictly enforced.
- * The building should be no more than three stories.

- * Aesthetic, concrete stonewall barrier to maintain boundaries and assist with noise. This barrier should be the maximum allowable height based on village ordinance with no openings between the Lombard Lagoon and the banquet/hotel properties.
- * A beautification plan for buffer and vegetation along the barrier wall which includes tall growing trees, native species and coniferous varieties.
- * We ask that the Lombard Park District be given the opportunity to design the barrier wall and buffer/vegetation plan with resident input.
- * We respectfully request that the hotel developers consider a new color scheme for the south-facing exterior. In an effort to blend with nature, the neutral gray tones of the front of the building would be an improvement for the Lombard Lagoon if they are continued to the south-facing view.
- * Eliminate traffic onto Joyce and Marcus. No right turns allowed out of the hotel onto Joyce. Create barriers to prevent this traffic flow.
- * No banquet/hotel parking in Lombard Lagoon parking areas. No banquet hotel/parking on area streets. (This also includes construction parking and traffic for the hotel.)
- * Lagoon hours strictly enforced.

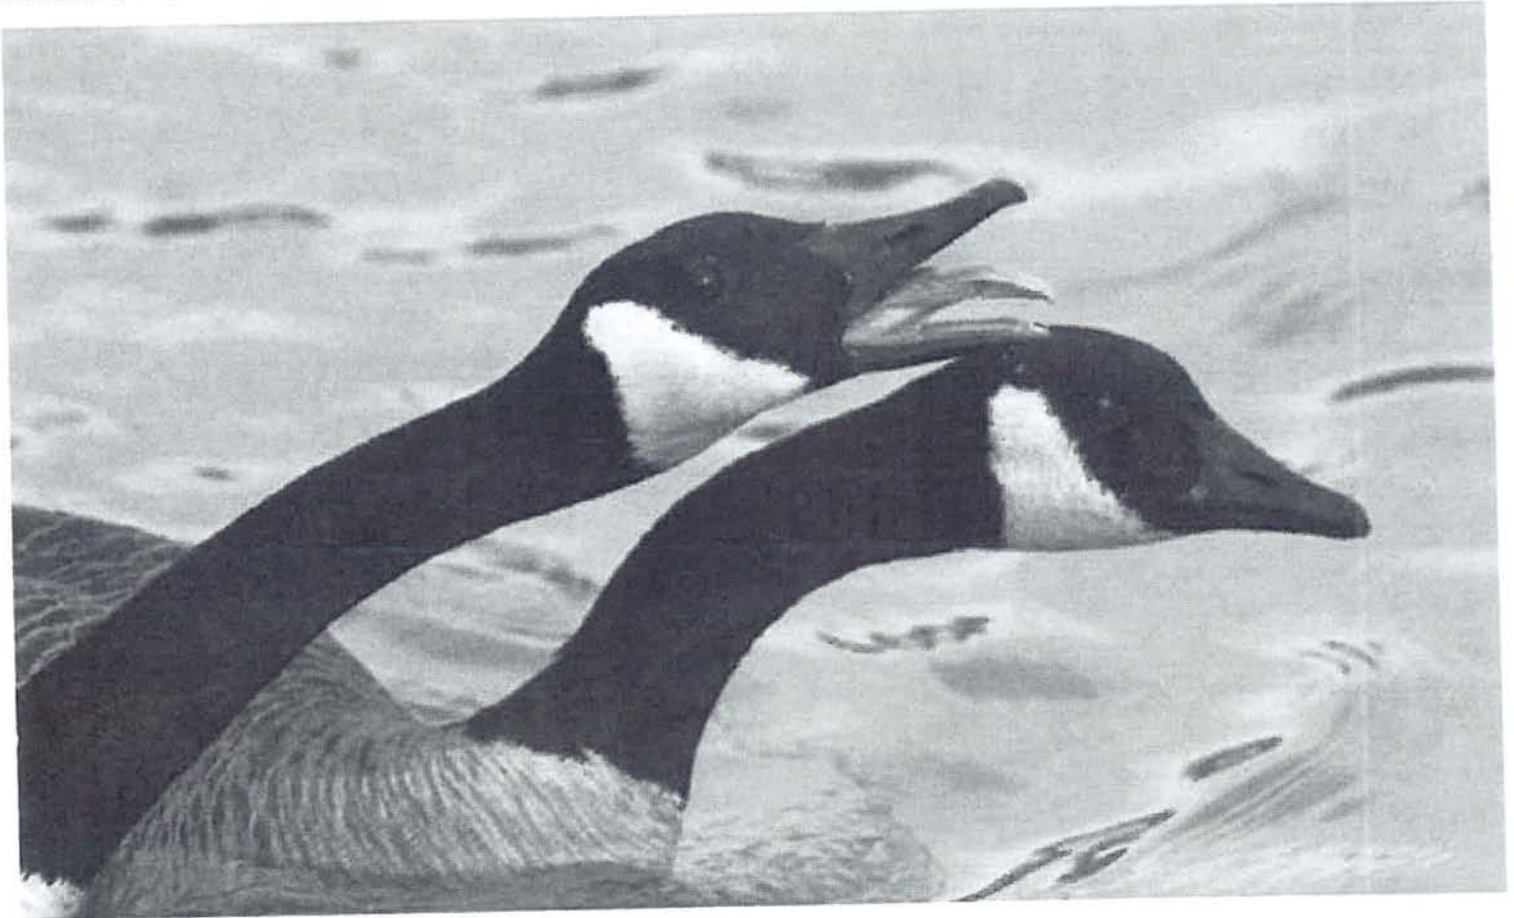

Please continue to share the petition. If you can, share it with at least one new person today!

Encourage supporters to share their thoughts by emailing communitydevelopment@villageoflombard.org by January 17th.

Thank you!

Your Voice Makes Improvements Happen!

Lagoon Neighbor
Lombard, IL, United States

JAN 11, 2020 —

Please stand with us! The public hearing is scheduled for Monday, January 27. At this meeting the project will be considered by the Plan Commission.

This meeting is open to the public. Residents may speak at the meeting or submit written comments (letters or emails) prior to the meeting.

Can't make the public hearing on January 27th? Please email your concerns to: communitydevelopment@villageoflombard.org.

We would like to acknowledge that the developers have made some changes based on resident feedback.

<http://www.villageoflombard.org/429/Holiday-Inn-Express>

If the hotel is built, please help us minimize the effects on the Lombard Lagoon and surrounding neighborhood. (The Village FAQs sheet mentions zoning in relation to the hotel.)

The height of the proposed hotel will be discussed at the public hearing on January 27, 2020. **We ask that height restrictions are strictly enforced.**

Petition issues such as fencing, landscape buffer/vegetation, wildlife, traffic, safety, flood-prone areas and property values are important factors.

Please continue to speak out.

Continue to email Lombard's Trustees. The Lombard Lagoon is in District 4.

Contact Trustee Honig, at HonigA@villageoflombard.org. 630-880-7733.
<https://villageoflombard.org/213/District-Map>

Please also remember to email: communitydevelopment@villageoflombard.org.

Thank you to all supporters!

Village of Lombard Update - Provide Your Feedback!

Lagoon Neighbor

Lombard, IL, United States

JAN 10, 2020 —

We would like to recognize the update shared by the Village of Lombard. The information is copied from the Village of Lombard - Municipal Government Facebook page on January 9, 2020. Within the update is a link to a new FAQs sheet and a contact for your feedback.

The update does address some of the concerns supporters have about the hotel being built next to one of Lombard's public parks and surrounding residential area.

If a hotel is indeed built on the land at 451 E. North Avenue, we feel it is best for the Lombard Lagoon and neighborhood to maintain height restrictions on the hotel. There are a great number of petition concerns that apply including fencing, landscape buffer and vegetation, wildlife, safety, traffic, parking overflow, flood prone areas and property value.

After reviewing the petition and the January 9th update from the Village of Lombard, please continue to speak out and share the issues that are important to you. Contact Lombard's Trustees, attend the public hearing on January 27th (hotel height issue to be addressed) and make your thoughts known.

Thank you for your support! Our voices are being heard! Thank you!

Update from "Village of Lombard - Municipal Government" Facebook page on January 9, 2020:

A Public Hearing regarding a proposed Holiday Inn Express Hotel at 451 E. North Avenue, north of the Lombard Lagoon, will take place at the Plan Commission Meeting on Monday, January 27th, at 7 p.m., at Village Hall, 255 E. Wilson Ave. All meetings are open to the public and attendees will have the opportunity to provide public comment.

In response to a voluntary informational neighborhood meeting that took place on December 9, 2019, site plans for the project have significantly changed to address resident concerns. The developer's need for perimeter building and landscape variances have been eliminated, as the proposed hotel has been relocated further north on the property, away from the Lombard Lagoon property.

The private property in question is zoned in the B4 Corridor Commercial District which allows for hotels as a permitted use. The Plan Commission discussion on the 27th will pertain to the conditional use request to build a 4 story building.

An FAQ and more information is available at www.villageoflombard.org/northavehotel If you would like to provide your feedback and cannot attend the meeting, email communitydevelopment@villageoflombard.org.

Reach out to your Lombard Trustee!

JAN 3, 2020 —

Thank you supporters! We now have over 1150 online signers! Thank you!

Many of you may have some questions about the proposed development. If you have any questions about the development or the Plan Commission process, please respectfully contact Ms. Jennifer Ganser at 630-620-5717. Her email is ganserj@villageoflombard.org. Ms. Ganser is the Community Development Assistant Director.

Lombard has also posted a FAQs sheet: www.villageoflombard.org/429/Holiday-Inn-Express .

All of you give the Lombard Lagoon area a stronger voice and your support matters! Please continue to share, especially with your family and friends who are Lombard residents.

Together we will improve this situation!

The following pages pertain to our Facebook Group, “Lagoon Neighbors”.

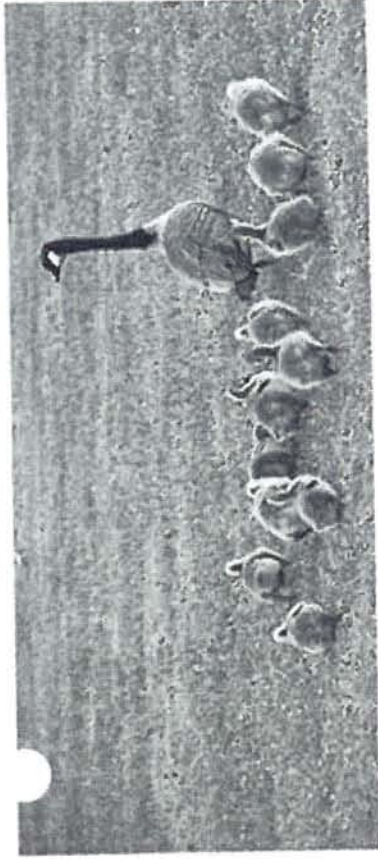

The group started out as private and hidden on 12/13/19 so that we neighbors could easily talk amongst ourselves.

On 12/17/19 we made the group public. We were going to have it public for a short time to allow others could join, but we decided to keep it public. The group is still public as of 01/17/20. We currently have over 90 members.

Attached are our posts from “Lagoon Neighbors” since the site was made public. The posts attached go up to January 15th.

There were four days with some posts while the group was private. These can be seen on our group’s site and includes much of the same. The early posts also include things we learned at the neighborhood meeting.

Since changing our status to public, “Lagoon Neighbors” has made efforts to make resources available to members. We wanted members to be able to contact and/or learn directly from the proper community source. You will see these efforts in our posts.

Here is some information that I received in response to some public hearing and plan questions. I appreciate the quick response from the Village.

Response:

You do not need to give notice that you want to speak until you're at the meeting. When you arrive at the Plan Commission (PC) meeting there will be half sheets of paper to fill out notifying the PC that you wish to speak. You'll need to fill out your name and agenda item (PC 20-01 is the Holiday Inn Express). Speakers speak in the general order that we receive the paper. When your name is called you are allowed to speak, you can decline if you change your mind.

We do not have a strict time limit. (The Village Board does enforce the 3 minute time limit). However, as you'll see from the attached Procedures we do encourage public comment to be a combined 30 minutes per petition. You'll also note the PC Chairperson may remind speakers to keep the questions relevant to the petition and to not ask the same questions. I will read the Procedures document at the beginning of the meeting.

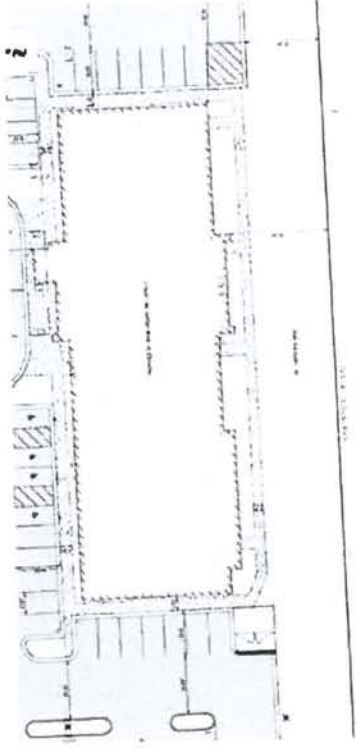

Residents can also submit comments in writing.

petition and to not ask the same questions. I will read the Procedures document at the beginning of the meeting.

Residents can also submit comments in writing. Comments received before the packet goes out will be included to the PC. Comments received after the packet goes out may be emailed to the PC and/or given to them at the meeting itself.

The site plan is online at http://www.villageoflombard.org/northavehotel

At this stage of the village process the Lombard Lagoon and area residents may have a new neighbor in the form of a hotel at 451 E. North Avenue. If so, with community spirit we would like to continue to work with the developers in coming to a compromise that will keep the Lombard Lagoon a safe, serene and natural setting. The Lombard Lagoon area has been enjoyed and appreciated by many generations. Let's work together to preserve it!

- Building height restrictions should be strictly enforced.
- The building should be no more than three stories.
- Aesthetic, concrete stonewall barrier to maintain boundaries and assist with noise. This barrier should be the maximum allowable height with no openings between the Lombard Lagoon and the banquet/hotel properties.
- A beautification plan for buffer and vegetation along the barrier wall which includes tall growing trees, native species and coniferous varieties.
- We ask that the Lombard Park District be given the opportunity to design the barrier wall and buffer/vegetation plan with resident input.

We respectfully request that the hotel developers consider an alternate color scheme for the south-facing exterior. In an effort to blend with nature, the neutral gray tones of the front of the building would be an improvement for the Lombard Lagoon if they are continued to the south-facing view.

- Eliminate traffic onto Joyce. No right turns allowed out of the hotel onto Joyce. Create barriers to prevent this traffic flow.
- No banquet/hotel parking in Lombard Lagoon parking areas. No banquet hotel/parking on area streets. (This also includes construction parking and traffic for the hotel.)

- Lombard Lagoon hours strictly enforced.
- Please continue to share our petition. Encourage residents to share their thoughts by emailing communitydevelopment@villageoflombard.org.
- Most importantly, join us at the public hearing on January 27th.

Thank you!

Hi there! If anybody has any petition sheets with written signatures it will be great if I can pick them up by Wednesday. Just message me if you have any! Although the new plans show the developers are listening, issues like building height, fencing, buffer, etc still apply. Thank you.

Thérèse Cilella
Admin • Jan 11 at 6:57 AM •

Good Morning! We posted an introductory update on the petition today so supporters have access to the most recent information. We also sent an update to our 2225 online supporters asking them to speak out to Community Development and join us on January 27th.

Our continued efforts matter! Doing all we can will make improvements for the Lombard Lagoon and our neighborhood. This is something to be proud of! We can create a better situation. Keep learning, keep acting! You are making a difference! Good things will happen!

Lynn Jaloszynski Cilella and 5 others 1 Comment

4) We would like the Village of Lombard to stick to the current codes and enforce the height restrictions.

Thank You to all that signed the petition, over 2200 signers and 100 more door to door signers.

We are in the final run to the January 27th meeting with village.

We can get this done if we have all your support at the meeting, numbers mean everything.

Lets Stay LOMBARD STRONG !!!

Good Morning Lombardians:

Great NEWS, the village and the developer are taking notice to our concerns on the Lagoon/Hotel issue!

Thank You to the developer for working with us.

Please see the following update to the proposal: https://www.facebook.com/VillageofLombard/posts/10157956256077812:0

They are trying to work with us and it's inevitable the hotel will be built but we would still like to ENFORCE discussion on a few more things:

- 1) Sufficient FENCING between hotel property and Park property.
- 2) Trees and Shrubbery For beautification along fencing.
- 3) Restricted access of exiting hotel patrons into the neighborhood.

4) We would like the Village of Lombard to stick to the current codes and enforce the height restrictions

Hi! Some neighbors went out and were able to get 86 physical signatures over the past few days! I know some of you are working on that too. Thank you for your hard work! It isn't easy! Good job! We also did another petition update today reminding signers of the village FAQs sheet link and Ms. Ganser's contact information.

We are on our way to a new milestone!

Hello! Everyone is doing a great job! 750 online! We have some neighbors starting to take it on foot too and they are doing well! Thank you! If your neighbors or fellow Lombardians have any questions about the development or the Plan Commission process, you may reach out to Ms. Jennifer Ganser at 630-620-5717. Her email is ganserj@villageoflombard.org. She is the Community Development Assistant Director. We had posted this on December 27th, but incase this information got lost in the mix we wanted to share it again. We want everyone to have the resources available to learn. We also posted the FAQs sheet provided to us at the December Park District meeting in an earlier post. Thank you!

Hi again... some petition info to share. I spoke to two ladies at the village about it over the last week. A petition of this nature is more informal. To substantiate it, even though it is more informal, signers should be Lombard residents who are at least 18 years or older. Physical signatures will be best, but we can do an online petition (One has been made and will publish/share tonight). It was suggested that online petitions are printed out and presented with the rest. The site used allows info to be printed out by the creator of the petition, but can take some time to download. Although the public hearing isn't until January 27th, it is best if we get them in no later than January 17th to Ms. Ganser. They can then be included in a staff report and can be reviewed by plan Commission prior to the public hearing. I think it will be great to have the petition forms and online petition entries completed by the 14th. This way we have two days to compile the papers and print online entries before submitting on the 17th. The online form is available soon. There is also a paper petition made for door-to-door attempts. It is doubled-sided... one side petition info, one side a letter to our neighbors with the basic info and hopefully online link. This way if people aren't home or prefer not to answer their door they can still sign online if they like. I think physical signatures are the best when we can get them but at least we will have options. I have a

them...but at least we will have options. I have a couple of neighbors already willing to go door-to-door. Maybe we can make a plan of who covers what area. Okay...more soon. Thanks again for your participation!

Hello! The petition should be ready to share by this weekend. I wanted to double check with the village on a couple of things first. I learned that the notice for the public hearing, currently set for January 27th, won't be sent out until the early part of January. Only those of us who received the original neighborhood meeting letter will get notice of the hearing by mail, but we can share the information with our neighbors once we receive it. As of now it is January 27th, 7pm, Lombard Village Hall. We should also have our petitions submitted no later than January 17th so that the plan commission will have the opportunity to review everything before the public hearing. (More info on the petition soon.) In the meanwhile, if you have any questions about the development or the Plan Commission process, you may reach out to Jennifer Ganser at 630-620-5717. She is the Community Development Assistant Director. Thank you!

Since we can only speak for ourselves as residents, please reach out to your elected public officials and village staff to learn about their positions. This way you will best be enabled to speak out.

Good Morning fellow Lombardians,
Again thank you to the page administrators for allowing us to get the word out.

Please mark your calendar for the public hearing which is currently set for January 27th. We hope to see you there!

Here's a short update on last night's meeting with the Lombard Park District on the Proposed Holiday inn Express @451 E. North Ave.

The park district did offer suggestions to us as to contact the village and our district trustee Andrew Honig@630-880-7733

Again, this was not a meeting to get answers, but they gave us a chance to speak on our thoughts on how the hotel is going to affect the Lagoon and park and people using the park.

There is a meeting scheduled with the plan commission on January 27 2020 so this is not a done deal yet, we need Lombardians support at this meeting Big Time. If you can show up for a half hour it would be great.

The park district is a concerned neighbor just like us and are on top of things also.

We have started a FB Page if you would like to comment or watch for more information

We had about twenty residents show up with five of them taking a turn addressing their concerns.

[<https://www.facebook.com/groups/446462382926983/>]
[https://www.facebook.com/groups/446462382926983/?ref=group_browse]

Thank you to the Lombard Park District for allowing citizens to address the board yesterday evening. Attached is one person's statement that was presented. There were many other neighbors who brought forth excellent thoughts too;

Please pass this info on to your neighbors that don't have social media

Thank You

On behalf of my family and many neighbors I would like to take this opportunity to respectfully request the assistance of the Lombard Park District as it pertains to the proposed Holiday Inn Express at 451 E. North Avenue.

I ask that the Lombard Park District, as much as it may within its ability, oppose the building. If challenging the building is not an option at this stage through the influence of the Lombard Park District and the village process, at the very least I ask that the Lombard Park District speak out at the public hearing, if it is allowed to do so, to oppose the requested variance for a fourth story and new back roadway.

For the multiple concerns related to park safety, the well-being of the wildlife, drainage into the lagoon and the destruction of the natural landscape and view I implore the Lombard Park District to do everything within its power on behalf of the lagoon and park area.

If the village allows a structure is allowed to be built at 451 E. North Avenue, I then ask that the park district work to obtain esthetic durable fencing, tall growing trees, buffer and vegetation. I ask that this fencing and landscape plan is designed by the Lombard Park District with input from the residents and the installation, planting and maintenance paid for at the hotel owners' expense.

Please also request to eliminate any construction parking and traffic on neighborhood streets due to park safety and further effects on the lagoon and park area. I feel that enforcements must also be made for banquet hall and hotel parking overflow around the park area and that park hours are strictly adhered to by banquet hall and hotel guests as well as the employees of these facilities. A plan to offset the hotel lights should also be considered.

For many decades the Lombard Lagoon Park has been enjoyed and respected by our residents and I believe it should continue to be a safe and natural setting.

Thank you for your consideration. I look forward to the possibility of working with the Lombard Park District in this matter as our neighbor.

So I talked to DuPage County today they said that the hotel is out of their jurisdiction it's all Village of Lombard. So I talked to Jennifer who was at the neighborhood meeting said that any concerns we have with flooding you have to talk to Public Works to voice any concerns. So I left a message with public works today about the flooding that's already happening off of Grace Street between North Avenue and Marcus and East Lemoyne Avenue.

They said the flooding from the Lagoon would be Park District properties problem not the village. Again Jennifer from the village basically said at the January 27th meeting voice your concerns with. Also they said if you called Public Works about the planning of the hotel they don't have any plans so they wouldn't know what we are talking about because they haven't seen them or come across their desk. Again Jennifer said to call her with any concerns or questions.

Thérèse Cilella

...

Hi all! Great seeing so many people come to share their thoughts at the meeting this evening. I personally was very encouraged by the community spirit. I just wanted to let you know that this group has temporarily been made public so that our neighbors can join in the conversation without having to friend request one of us first. With that said, welcome new neighbors...thank you for caring about Lombard's public park and our neighborhood!

Village of Lombard
Attn: Scott Niehaus, Village Manager,
255 E. Wilson Avenue
Lombard, IL 60148

Re: Holiday Inn Express Planned Development.

Village Manager Niehaus,

Thank you for your efforts in making sure the neighbors that live in the Lagoon park area are aware of the Holiday Inn Express planned development on North Avenue. The Park District understands the open house which took place on Monday, December 9, 2019 at the Lagoon building was above and beyond what is required of the Village when such a development is being discussed. As a neighbor of the development, we appreciated the ability to ask questions of the ownership and developer as I believe most neighbors were that evening.

Two of our staff members, Executive Director Paul Friedrichs and Director of Recreation Joe McCann attended the open house, in an effort to listen to the neighbors' concerns. They spoke with many of those in attendance. Many cited the size of the building (the fourth floor in particular), the lack of a buffer between the development and the Lagoon park property, the aesthetics of the building into the park and neighborhood, increased traffic issues and stormwater management.

At our December 17, 2019 monthly Board meeting, some of those neighbors addressed the Park District Board regarding their concerns. At this time, the Park District Board would like to express that members of the Park District Board and staff share in some of their feelings and it is our hope that any potential development on that property will have the neighbors and park in mind moving forward.

We understand that the Village's Plan Commission will be taking up this topic on January 27, 2020. While we will not be speaking at that meeting against the proposed variances, we urge the Plan Commission and Village Board to act in the best interests of the neighbors and their neighborhood.

Sincerely,

Sarah Richardt, President
Board of Park Commissioners

Subject: Holiday Inn

Hello. As a Lombard resident I strongly oppose the new hotel. It will bring more traffic to Grace St. And surrounding streets. It will bring problems that all hotels bring. City rif raf, parties and other problems. Adding a 3-4 story hotel next to a beautiful park and nice neighborhood is a travesty. I understand the village is all about money but at some point the residents have to be taken into account.

It is very clear there is absolutely no support for this project from residents. Do we matter? If we matter I don't see how this could possibly move forward. No one wants this... Is there an upcoming foroum or meeting where we will be able to voice our opposition? Thank you for your time.

To: Giagnorio, Keith <GiagnorioK@villageoflombard.org>

Subject: Save Lombard Lagoon, Please Vote NO

Mr. Giagnorio,

I am writing to ask you to support the residents of Lombard and our neighborhood park, the Lombard Lagoon.

Our village has plenty of hotels. We do not need another one. I ask you to, please, **oppose the building** of the Holiday Inn at 451 E. North Avenue. We love our park!

If opposing the building itself is not an option at this stage of the village process, at the very least, the Village of Lombard should oppose the requested variance for a fourth story and new back roadway. Current height restrictions should be strictly enforced.

If a back roadway is absolutely necessary for a hotel of any size then I request a new plan presentation. This new plan will reposition the building north to maintain the current transitional and setback areas and keep them at code. Alternative plans through direct communication with DuPage County and IDOT for North Avenue entryways should be created as options. Barriers to prohibit traffic onto Joyce and other surrounding streets should be constructed.

For the multiple concerns related to park safety, the well-being of the wildlife, drainage into the lagoon and the destruction of the natural transitional landscape, setback and view I implore the Village of Lombard to do everything within its power on behalf of the Lombard Lagoon and village residents.

If the Village of Lombard allows a structure to be built at 451 E. North Avenue, I then request that the Village of Lombard work to obtain esthetic durable fencing, tall growing trees (including coniferous varieties), buffer and vegetation. I ask that this fencing and landscape plan be designed by the Lombard Park District with input from the residents and the installation, planting and maintenance paid for at the hotel owners' expense.

I request to eliminate any construction parking and traffic on neighborhood streets due to park safety and further effects on the lagoon and park area. Construction parking and traffic should also not

interfere with park and residential access to emergency vehicle service.

I feel that enforcements must also be made for banquet hall and hotel parking overflow around the park area and that park hours are strictly adhered to by banquet hall and hotel guests as well as the employees of these facilities.

A plan to offset the hotel lights and reduce noise pollution should also be implemented.

For many decades the Lombard Lagoon Park has been enjoyed and respected by our residents and I believe it should continue to be a safe and natural setting.

As a resident, I also have concerns regarding how the proposed hotel will affect Lombard's property values, flood-prone areas, traffic and law enforcement needs.

I believe the outcome of this issue will affect all Lombardians and parkgoers.

Thank you!

Sherri Sanfelice

Subject: HOLIDAY INN Express

Dear Andrew,

I am writing to you as a 63 year old resident who has lived in District 4 for a total of over 45 years. As a child, the 5 Johnson kids that is me and my sisters and brothers ,spent most of our day at the Lagoon whether it was playing softball with friends or using the playground or going to Craft Club in the building. I now at 63 and I take my disabled clients there (for the past 20 years) to walk the track, to swing on the swings,yes at 35 to age 65 they still swing and love it. My group also eats lunch under the shelter on nice weather days. I also take my grandson to this same wonderful park to swing, to fish , play and much more.

I LOVE the Lombard Lagoon Park as it has been a big part of the majority of my life and I fear with a Holiday Inn Express being built behind the park that things will drastically change for All of the residents that live on this part of Lombard.

Kids will no longer be able to walk to the park to play with their friends. I do believe the fishing will also be affected.

But most of all, I believe that my disabled clients who live in the area will be the most affected by this neighborhood environment change.

Please vote NO for this hotel being built in Our Community.

Thank you for your time.

Sincerely,
Gloria Hickey

Subject: Holiday Inn Express concerns

Hello,

My husband and I are residents of north Lombard and live close to the proposed Holiday Inn Express building site. We have shared concerns with the development of the area, specifically how it may impact the Lagoon and the wildlife who live in the area. We love spending time at the lagoon and in fact, we walk and/or run there daily.

We signed the online petition as well because we do believe in protecting the area near the lagoon and preserving the safety of our neighborhood. To reiterate the main bullets of the petition include:

- Preserve open space land, wildlife, natural transitional landscape and setback.
- Protect the Lombard Lagoon from the effects of the development and operation of the hotel.
- Maintain park and neighborhood safety.
- Secure Lombard's property values.
- Reduce negative consequences for current flood-prone areas.

We hope you thoughtfully consider all options available as well as hear the voices from your community. Thank you for taking the time to read our concerns.

Regards,

Karla & Matt Hein

Subject: Objection to Holiday Inn's proposal for exception to the B4 District Zoning Code

My name is Michele Johnson. I have lived in Lombard for 23 years just 2-blocks from the Lombard Lagoon.

I strongly object to the Holiday Inn developer's application for an exception to the B4 District Zoning Code!!

It is curious why this site is so special to the Holiday Inn express. It seems that there are PLENTY of already empty sites in and around Lombard that would be much more suitable for a 4-story building that is less an impediment to our Lagoon.

SHOULD the developer require a 4-story building, perhaps the developer should consider the following four alternate locations:

- 1. Landings of Lombard: This is a very large strip mall on the corner of Rowling Rd. and North Ave. And there is even a Brauer House bar in the strip mall to serve the hotel guests and perhaps a growth opportunity for the Brauer House. There are large office buildings just across the street on the south side of North Ave and Rowling Roads to which Holiday In Express can serve as housing. This location is closer to I-355 and I-290. This location would seem much more suitable than the property at North Ave. and Joyce.***
- 2. Cross Point Corporate Center: This is also an empty strip mall at the corner of Sydney and Rowling Roads zoned for 4-story buildings. It has quick access to I-355, gas stations, McDonalds, and Burger King and is located near local businesses, corporate offices and the large office buildings on the south side of North Ave and Rowling Rds.***
- 3. High Point Center in Lombard: This is an enormous and completely empty lot at the intersection of Roosevelt Rd. and Fairfield St. It is approximately 90-95% empty? It is quickly becoming a deserted eye-sore. This location does not impede any parks and is on the main thorough-fair of Roosevelt Rd. with easy access to I-355 and includes an already established stop light. It is also very closely located to larger business and the Oakbrook Mall just south on Highland street. I am quite sure the developer's proposal for a 4-story building would be most welcomed at that location.***
- 4. Maxfield's Restaurant: This restaurant, at 402 E. Roosevelt Rd., recently went out of business leaving an abandoned building that is currently not being maintained? That would seem like a prime location for a 4-story building because it does not impede any parks and is off a main thorough-fair; Roosevelt Rd. with easy access to I-355. It is also very closely located to larger business and the Oakbrook Mall just south on Highland street.***

I have a few more additional concerns about the developer's plans which include:

- **A Fairfield Inn Hotel is located just 1.5 miles west of the proposed Holiday Inn Express.**
- **A Comfort Suites Hotel is located even closer to the proposed site at 1.3 miles west of this proposed property**
- **The corner of Joyce and North Ave in Lombard is a residential location with a beautiful Lagoon and a small piece of wooded area that is home to wildlife.**
- **The proposed location for the hotel is the furthest from office buildings, local stores, malls, restaurants, and interstate access than any of the aforementioned locations.**

And finally, the most perplexing of my concerns is the question of comprehension. I simply do not understand. Why is it so important that the developer erect a 4-story hotel on the corner of Joyce St. and North Ave? Why does the developer feel the need to tear down forestry areas that destroy our wildlife and impede the natural beauty of our beloved Lagoon? Why is it necessary to build a NEW 4-story building when SO MANY existing buildings and strip malls are currently empty and unused??? Why does the developer feel that the community NEEDS another hotel within 1.5 linear miles of other hotels?

According to the FAQ document on the Village of Lombard website titled, FAQs: Proposed Holiday Inn Express, PC20-01, "Holiday Inn studied the market conditions in the region and determined there is an opportunity for an additional hotel". I am very interested in seeing and learning more about the developer's market research that supports the opportunity for a new hotel in this location. Is the developer willing to share his or her findings with the community?

We, as a community, cannot talk about saving this Earth, encourage recycling, and incessantly preach about acting "green", then allow developers to plow over, pollute, and decimate the very same natural resources we "commit" to preserving so they can erect yet ANOTHER building. Let's "recycle" the existing empty lots in and around Lombard for the hotel proposal.

I am a successful professional that pays hefty taxes to support Lombard's parks, Police Department, and Firefighters. I spend significant money and time to maintain the beauty of my property and my community. I support progress. Building a bigger and higher hotel in a residential neighborhood does not represent progress. It represents destruction of a quiet neighborhood filled with tax-paying citizens.

In closing, I leave you with one final question: Is there a Village board member brave enough to stand up and introduce a new motion to re-locate the proposed Holiday Inn Express hotel to another site that is more appropriate for a 4-story building, or propose that the property at 451 E. North Ave. be re-zoned as a non-B4 commercial district?

**Sincerely,
Michele Johnson**

Subject: Proposed Holiday Inn Express at 451 E. North Ave

Dear Community Leaders,

I have been a resident of Lombard for over 5 years. One of the reasons I chose my home on East Le Moyne Avenue was due to the proximity to the Lombard Lagoon. I have fond memories of the Lagoon even as a child growing up in nearby Addison. I am writing to request that you uphold several requests for the development of the property at 451 E. North Avenue in order to allow the residents of that neighborhood to continue to enjoy the Lagoon and to keep the neighborhood feel despite the proximity to commercial spaces.

Please do the following:

- Strictly enforce the height restrictions listed in the building code. The surrounding businesses are to code, and any new development should be as well.
- Require an aesthetic, concrete stonewall barrier to maintain boundaries and assist with noise. This barrier should be the maximum allowable height based on village ordinance with no openings between the Lombard Lagoon and the banquet/hotel properties.
- Ensure a beautification plan for buffer and vegetation along the barrier wall which preserves the access to nature the lagoon provides and supports the current wildlife. The Lombard Park District should also have input into the plants selected.
- Eliminate traffic onto Joyce Ave. Prohibit right turns out of the hotel onto Joyce. Create barriers to prevent this traffic flow.
- Ensure there is no banquet/hotel parking in Lombard Lagoon parking areas. Many of these areas are already taxed by the PAYING customers who rent the Park District facilities at the lagoon.
- Prohibit and enforce a rule of No banquet hotel/parking on area streets. Include this restriction for construction parking and traffic for the hotel.
- Ensure that Lombard Lagoon hours strictly enforced. There are many families that live nearby and their sleep, safety, and health should not be endangered by this new facility.

While I recognize that Lombard cannot dictate what a developer does with private land, enforcing existing rules and regulations is vital to the health and safety of the neighborhood. Furthermore, the residents in closest proximity to the Lagoon should not lose access to their homes, and there should not be additional traffic and parking that could potentially impede the response of emergency vehicles.

Please reach out if I can provide an additional input on this issue. Thank you for considering my concerns.

Sincerely,

Mary Nolan-Pleckham
626 E Le Moyne Ave
Lombard, IL 60148

Subject: Holiday Inn Express near Lombard Lagoon

Village of Lombard,

My wife and I will have lived in Lombard for four years this May. We purchased a home several blocks from the Lagoon and always saw this as an added bonus. Two years ago our son joined our family and ever since the Lombard Lagoon has become an almost daily part of our lives, weather permitting. We enjoy the trail, whether it be walking our dogs or pushing our son in his car, romping around the playground or simply watching the geese and ducks on the Lagoon. We even chose this location for our son's first birthday party, renting the center, where over 60 guests enjoyed the park on a beautiful spring day.

All this being said we are more than concerned with the building of the Holiday Inn Express, both for its effect on the Lagoon and the surrounding area.

It sounds like (regardless of the thousands of Lombard residents who signed the petition against the building of the Holiday Inn) plans are moving ahead for the hotel's development.

My wife and I have numerous concerns, outside of Lagoon issues, regarding its effect on local traffic, an increase in transients in the area who have no stake in the neighborhood and perhaps the possibility of the hotel and its banquet hall neighbor becoming loud "party" spots.

We love our home. We also love our neighborhood and local community. However, it's very upsetting to know that some changes are coming that may effect our quality of life and how we feel about where we live.

That being said, along with my fellow petition signees, here are the main issues we would like to be recognized and addressed.

- * Building height restrictions should be strictly enforced.
- * The building should be no more than three stories.
- * Aesthetic, concrete stonewall barrier to maintain boundaries and assist with noise. This barrier should be the maximum allowable height based on village ordinance with no openings between the Lombard Lagoon and the banquet/hotel properties.
- * A beautification plan for buffer and vegetation along the barrier wall which includes tall growing trees, native species and coniferous varieties.
- * We ask that the Lombard Park District be given the opportunity to design the barrier wall and buffer/vegetation plan with resident input.

* We respectfully request that the hotel developers consider a new color scheme for the south-facing exterior. In an effort to blend with nature, the neutral gray tones of the front of the building would be an improvement for the Lombard Lagoon if they are continued to the south-facing view.

* Eliminate traffic onto Joyce and Marcus. No right turns allowed out of the hotel onto Joyce. Create barriers to prevent this traffic flow.

* No banquet/hotel parking in Lombard Lagoon parking areas. No banquet hotel/parking on area streets. (This also includes construction parking and traffic for the hotel.)

* Lagoon hours strictly enforced

Thank you for your time,
Stanley, Amy and Stevie Swida
(Also Harley and Martha our two girls)

Why do a community has to have to go to the extreme, to revoke a petition to destroy a great community park and prevent a permit to a contractor for a building that doesn't give or benefits the neighborhood my give some taxes but that only depends on the sales and occupancy that mentioned hotel.

On Roosevelt roads it's already hotels that have many vacancies that same is for North Ave.

Why if these hotels have that many vacancies Lombard is on the need for more hotels?

The Lombard Lagoon it's a recreational and fishing area visited by many families and people also many kid's.

Subject: Lombard Lagoon

To whom it may concern,

The Lombard Lagoon was my second home growing up. We rode our bikes or walked up there almost everyday to play at the playground, fish, ice skate, feed the geese and ducks, fly kites, picnic, roller blade, play frisbee, baseball or football. I could not imagine enjoying all of this with a big hotel next to it. I hope that great consideration is being taken into preserving this park. If you proceed, make sure that traffic does not interfere with the park so no accidents involving bystanders happen. Also, please keep hotel exterior color neutral. Planting more trees to conceal the hotel from scenery would be recommended too.

Mrs. Rose S. Cilella
637 N. Joyce Street
Lombard, Illinois 60148

Village of Lombard
Department of Community Development
255 E. Wilson Avenue
Lombard, Illinois 60148

Regarding: Proposed Hotel Development at 451 E. North Avenue

To the Department of Community Development,

My name is Mrs. Rose S. Cilella. I have been a resident of 637 N. Joyce Street for 59 years.

My husband, Conrad F. Cilella, and I purchased our Lombard home in 1961. Before we bought it, Conrad went alone to learn more about it. He came back telling me all about the Lagoon and nothing about the house! It was winter and the neighborhood children were playing and skating in the park. He thought the Lombard Lagoon would be the perfect gift for our children. He was right. All seven of our children enjoyed and valued what the entire Lombard Lagoon neighborhood had to offer them growing up. They still appreciate it today.

I tell you this story not for purely for sentiment, but because it leads me to my greatest concern over the proposed hotel development, safety. The hotel's close proximity to the Lombard Lagoon property makes me nervous for the children. Families need to feel safe and have trust in an area they let their children play in. If my children were still young I would not have confidence with a hotel, especially one without any partitions, bordering on the Lombard Lagoon. From a parent's view, it does not seem right to have a hotel alongside a public park. If the property at 451 E. North Avenue is developed, all steps must be taken to keep the children and families safe.

I am also saddened by how commercial the Lombard Lagoon area has become. It still has elements of a beautiful and natural place, but North Avenue is now visible, backs of businesses face the park and noise has increased. This is only going to get worse with a hotel next door. Lombard needs to stand up for our public park and make every effort to add to the landscape and protect what bit of the environment remains despite what businesses were regretfully zoned to stand in the background. If the village allows the building for the sake of commerce, it must also protect current assets such as the Lombard Lagoon. It is a nice thing. Keep it this way.

In addition to these points, I am also concerned about traffic and parking, both of which have become increasing issues. I am more than troubled on how the proposed hotel will have an effect on property values. After nearly 60 years of residing in Lombard, I am disheartened by this development's impact on Lombard Lagoon and our neighborhood. Please do what you can to minimize the effects of the hotel in regards to safety, nature, and district quality.

Sincerely,

Mrs. Rose S. Cilella

January 17, 2020

Lombard Village Staff,

We live at 645 N. Joyce St, Lombard. We would like to address the traffic pattern regarding the proposed hotel. Please keep in mind that although people are taking advantage of the lagoon park in the cold winter months, this is not the busiest time of the year. We would like the village to consider the volume of cars not in the winter months but in the summer months. Look at the parking and amount of pedestrian traffic in the summer and consider the danger of additional traffic with drivers unfamiliar with the area. The corner of Joyce St and Marcus St is and will continue to be a hazard to pedestrians. The crosswalks are not marked and when the summer parties are in full capacity, it is impossible for cars turning at that corner to see the pedestrians in the crosswalk or the dogs they are walking. There is NO Stop sign or Yield sign currently in place. Now put in the fact that drivers, from out of the area, are staying in the hotel and driving around the lagoon to exit the property. All drivers leaving the hotel should be forced to exit onto North Ave and go to the next stop light to make a U turn. This is the case with ALL other business on North Ave.

We were advised by the builder at the Lagoon Neighborhood meeting that the lot where the Signature restaurant is located is consider a separate lot from the proposed hotel property. If this is the case, does the hotel have to have enough parking on the proposed site for the hotel guests or can the parking be in conjunction with the Signature restaurant? Where is the proposed overflow parking once the hotel & restaurant lots are full? I would hope they wouldn't be allowed to park around the lagoon or the nearby businesses. It is impossible for the people that live there to back out of their driveways without hitting the parked cars directly across from their driveways.

Please do your due diligence and have consideration for the people that have homes on the adjacent streets by the lagoon. The lagoon has been a place for families to come and enjoy for many years. Let's keep it safe for everyone walking, running and biking around the lagoon for years to come!

Thank you,

Rick & Roxan Fetterhoff

Subject: Objection to the Holiday Inn's proposal for exception to the B4 District Zoning Code

Hello.

My name is Michele Johnson and I am voicing my objection to the Holiday Inn's request for a major plat of resub-division.

My biggest objection is the lack of provisions considered to mitigate the problems that will inevitably be created when both the hotel parking lot and the banquet parking lot are at capacity. Where will the overflow of cars park? Around the lagoon? On Grace St.? On North Ave?

I have not read about any plans for the possibility of lot overflow in either the FAQ document or the Preliminary Geometric Plan provided on the Village's website.

Due to this VERY REAL possibility, and lack of a solution to it, I object to the application for the following B4 Zoning Code exceptions:

- 1. The height of the building.*
- 2. And the major plat of resub-division.*

Michele Johnson
