Subject: FY 2016 Equipment Purchase, Skid-Steer Loader

Included in the 2016 budget are replacements for Village unit # ST375, a 2006 Bobcat skid-steer loader and two (2) attachments (an asphalt planer and a sweeper). The Bobcat loader and attachments are available for joint purchase through the National Joint Purchase Alliance (NJPA) however Public Works can get a lower price by purchasing directly from our local dealer (Atlas Bobcat) because the NJPA charges fees. The NJPA price for the loader and attachments would be \$79,844.80 and the price directly from the dealer is \$76,208 (a \$3,637 savings). Also included in the 2016 budget is the replacement of the skid-steer trailer (unit # ST912). The quoted price of the trailer from Atlas Bobcat is \$8,525.

The total price of the Bobcat, attachments and trailer is \$84,733. Atlas Bobcat offered us a trade-in value of \$30,750 for our old Bobcat, trailer and two (2) attachments so the net purchase price would be \$53,983. We have \$63,000 in reserve for this purchase.

I recommend the Board of Trustees waive bid and award a contract to Atlas Bobcat of Shiller Park (IL) in the amount of \$53,983 for a new Bobcat skid-steer loader, trailer and two (2) attachments per the attached proposal. I also recommend declaring Village unit # ST375, ST912 and two (2) attachments (asphalt planer and sweeper) as surplus per the attached ordinance and authorizing their disposal. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the February 4, 2016 meeting.
