TITLE: An Ordinance Amending Title 7 of the Lombard Village Code regarding the Administrative Adjudication of Vehicular Regular Violations

SUBMITTED BY: Pat Rollins, Deputy Chief of Police

BACKGROUND/POLICY IMPLICATIONS:

The Lombard Police Department is requesting authorization in establishing an Administrative Adjudication process for providing a fair and efficient method of enforcing Village Vehicular standing, parking, equipment and vehicle sticker violations, and other violations allowed by law.

This process will assist in freeing up the overcrowded Circuit Court system from hearing parking tickets and other allowable Village violations along with reducing high costs to the Village associated in sending a violator to court on our local violations/citations. This amended ordinance provides another method for collecting on fines that violators refuse or fail to pay the Village. In addition, violators will be able to attend a hearing in a shorter time span than it currently takes now through the Circuit Court method. Typically it takes 6-12 months to send a violator to court on these types of violations. Now a violator will be able to contest and have a hearing regarding their violation typically within 45 days from the date the violation occurred.

FISCAL IMPACT/FUNDING SOURCE: This process has been budgeted to begin this fiscal year. Revenues received from the program are projected to far exceed the costs to run the program.
