Subject: FY24 Vehicle Replacement, Ford Utility Interceptors

The FY2024 budget includes replacement of five Ford Utility Interceptors for the police patrol fleet. Ford had previously announced that their model year 2024 Utility Interceptors order bank would only be opened to agencies that had a model year 2023 order that they could not fulfill, and it was anticipated that the Village would have to wait to purchase model year 2025 vehicles produced late in 2024 or early 2025 since we did not have a previous order. Haggerty Ford contacted the Village today and advised Ford had made available a small number of build spots that are open to agencies regardless of previously unfulfilled orders. We can place an order for 4 of the 5 vehicles scheduled to be replaced in FY2024 at this time with delivery anticipated to be in the first quarter of 2024.

These vehicles are not available to purchase from a joint purchasing consortium because of their limited availability and short ordering window. However, the base price of these vehicles is less than the base price for the 2025 Ford Utility Interceptor on the SPC (Suburban Purchasing Cooperative) #204 contract that are not yet available to order.

I recommend the Board of Trustees waive bid and award a contract to Haggerty Ford Inc. of West Chicago (IL) in the amount of \$206,760 for 4 new Ford Utility Interceptors. Please submit this item to the Village Board for their consideration at the December 7, 2023 meeting.
