Subject: Transportation and Safety Committee Recommendation

Highland Turn Restriction Adjustment

Highland Avenue currently has traffic restrictions between Maple Avenue and St. Charles Road to prevent cut-through traffic. The current restriction is 7-10 a.m. and 4-8 p.m, Monday through Friday. In July 2014, the Police Works Department received a petition to adjust the No Left Turn restriction to 7-9 a.m. from Maple and 4-7 p.m. from St. Charles. Staff recommended approval of the adjustment according to the petition.

During the September 8, 2014 meeting, the Transportation and Safety Committee voted to recommend changing the traffic restriction in accordance with staff recommendation and the resident petition after sending a letter to affected residents. Staff sent written notice to all affected residents dated September 10th.

During the October 13, 2014 meeting, staff reported the results of the letter distribution, and the Committee confirmed their decision to recommend changing the traffic restriction.
