SUBJECT: Text Amendments to Chapter 125 of Village Code: Farmers' Markets

SUBMITTED BY: William J. Heniff, AICP, Director of Community Development *WJH*

BACKGROUND/POLICY IMPLICATIONS:

The Economic & Community Development Committee (ECDC) recommends the the Village Board approve the Text Amendments to Chapter 125 of Village Code: Farmers' Markets. The Chamber of Commerce is working on a Farmers' Market at 20 E. St. Charles Road.

Updates include:

1. Removing the non-profit market sponsor. Past Farmers' Markets at Yorktown did not have a non-profit component.
2. Removing the license requirement. Farmers' Markets can be approved through special event process or a conditional use permit process as discussed above.
3. Clarifying Code to allow for multiple Farmers' Markets by separate entities.
4. Insurance updates.
5. Removing the hours of operation. Past Farmers' Markets did not always comply with the hours. As noted, the proposed event is at different hours than Code states. This would allow for more flexibility for future markets.
6. Edits for clarity.

The ECDC unanimously recommended approval of the text amendments. Please place this item on the April 7, 2022 Board of Trustees agenda.
