Date: July 9, 2018
Subject: FY19 Vehicle Replacements, 1-Ton Dump Trucks

The FY 2019 budget includes replacement of two Public Works one-ton dump trucks. One replaces a Forestry Division truck (unit # FO388, a 2008 Ford F-550) and the other replaces a Water Division truck (unit # WT450, a 2008 F-550). Since the lead time to build these trucks is approximately 9 months staff would like Village Board authorization to place the order for the vehicles now.

The chassis for these trucks is available for joint purchase through the State of Illinois. Landmark Ford of Springfield, IL is the current contract vendor (contract # 4018300). Public Works would like to equip these trucks with 4-wheel drive, snow plows and tailgate salt spreaders so they can be utilized during snow removal operations. By out-fitting these medium duty trucks this way, Public Works will increase operational efficiency and reduce snow removal time. Additionally these trucks will have the capability of spreading measured amounts of salt just like the large dump trucks in the fleet therefore increasing salting operation efficiency. The body and equipment for these trucks is also available for joint purchase through Sourcewell (formerly NJPA). The contract vendor for the body and equipment is Monroe Truck Equipment of Joliet, IL (contract # 080114-MTE). The replacement cost of these vehicles is detailed below and the specifications are attached.

Replacement Unit #	Chassis Cost	Body/Equipment Cost	Total Cost	Budgeted Amount
FO388 (11ft Dump)	\$46,352	\$39,488	\$85,840	\$92,000
WT450 (9ft Dump)	\$46,193	\$38,824	\$85,017	\$92,000
			<u>\$170,857</u>	<u>\$184,000</u>

I recommend the Board of Trustees waive bid and award a contract to Landmark Ford of Springfield, IL in the amount of \$170,857 for two new one-ton dump trucks per the attached specifications. I also recommend declaring Village unit numbers FO388 and WT450 as surplus per the attached ordinance and authorizing their sale. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the July 19, 2018 meeting.
