Subject: Hickory Road – Parking Restriction Request

120246; Ordinance to Add Parking Restrictions on Hickory Road

The homeowners on a section of Hickory Road between Elizabeth Street and Park Road have petitioned the Village to adopt a limited parking restriction in their area. For the past several years, these residents have been observing an increasing number of transient vehicles parking in front of their homes for extended hours (likely commuters) and an increase in litter. These stated problems are similar to the other sections of the Village that previously experienced commuter parking issues before the Village Traffic Code was modified to discourage commuter parking availability in neighborhoods. Coincidentally, all roads between this section of Hickory Road and the Metra Station are posted with a limited one hour parking restriction between the hours of 7am and 10 am.

The petition was signed by 59% percent of the properties affected. Attached are the petition, a tabulation of the petition, and a map of the area for your reference. Staff supports permanently implementing a limited parking restriction on the stated section of Hickory Road and recommends the Transportation and Safety Committee make a recommendation to the Village Board of Trustees with the following modification to the Traffic Code:

SCHEDULE X – PARKING TIME LIMITED ON CERTAIN STREETS

(a) In accordance with Section 10-13-10 and when signs are erected giving notice thereof, no person shall park a vehicle for a period of time exceeding one hour between the hours of 7:00 A.M. and 10:00 A.M. on any day except Sunday and holidays in any of the following places:
