MEMORANDUM

To: Scott Niehaus, Village Manager
Through: Carl S. Goldsmith, Director of Public Works
From: Brian M. Jack, Utilities Superintendent
Date: January 12, 2016
Subject: Water/Sewer Supplies Bid

Background

The Public Works Department identified minimum quantities for water and sewer system supplies to be kept on-hand. Public Works also practices buying items on an as-needed basis to maintain flexibility to meet changing requirements. Prices are obtained for all of the items kept in stock but purchases are only made to maintain designated inventory levels. A quantity of one is used for each item for the sole purpose of obtaining a base bid price for comparing the bids. Proposals required Bidders to provide prices for supplies in fourteen categories for FY2016. Bids were awarded for FY2016 by category instead of complete bid as in previous years. By awarding by category, lower prices can be obtained for each category ultimately lowering the cost of the entire Water/Sewer System Supplies purchases for FY2016.

On Friday, December 23, 2015 bids were opened for FY 2016 Water/Sewer System Supplies. The Notice to Bidders was sent to five (5) vendors. Four (4) of the five (5) companies picked up and returned the bid:

- HD Supply of Carol Stream, IL submitted a complete bid of \$50,863.30 with the awarded categories totaling \$12,597.50.
- Ziebell Water Service Products of Elk Grove Village submitted a complete bid of \$52,301.90 with the awarded categories totaling \$17,127.00.
- Underground Pipe and Valve of Plainfield, IL submitted a bid of \$28,512.49 with a deviation alternate manufacturer of Categories II and III and a deviation of no bid for Categories XI, XII, and XIII. Categories IV, VIII, IX, and XIV awarded in the amount of \$6,611.89.
- Water Products Company of Aurora, IL submitted a bid of \$50,892.87 with a deviation of no bid for Categories VII, X, and XII. A total of awarded categories totaling \$11,992.29.
- Mid-American Water of Aurora, IL as disqualified for failing to submit the complete bid packet to include references, Contractor's Certification, etc.
- The total bid price by lowest category is \$48,328.65 which is \$2,534.62 lower than the lowest qualified total bid by a vendor.

The bid tabulation is attached with the recommendation of awarding a contract to Water Products Company of Aurora, IL as the lowest qualified bidder for the partial budgeted amount of \$50,000 for FY2016 for the purchase of Water/Sewer System Supplies throughout the year on an as-needed basis. The other vendors; Ziebell Water Service Products of Elk Grove Village, HD Waterworks Supply of Carol Stream, and Underground Pipe and Valve of Plainfield are awarded categories but will be in amounts less than \$20,000 each for FY2016.

Recommendation

I am recommending the Board of Trustees award a contract in an amount not to exceed \$50,000 for FY2016 for Water/Sewer System Supplies to Water Products Company of Aurora, IL. Please submit this recommendation to the Board of Trustees for their approval at the January 21, 2016 meeting.
