

Public Information Meeting

Dear Resident,

May 4, 2005

The Engineering Division of the Public Works Department will hold a public information meeting on **Tuesday, May 17, 2005 at 7:00 PM in the Village Hall Community Room** to discuss proposed roadway improvements for West Road from Woodland Avenue to St. Charles Road

The scope of work includes curb and gutter, asphalt pavement, installation of sidewalk, street lighting, sanitary sewer and water main improvements.

Village staff along with the resident engineer (an outside consultant) will review the basic the scope of job and outline what you can expect during construction. Following the general presentation, representatives from the Village's Engineering Division and the consultant will be available to answer questions and review plans with individual residents.

Construction is anticipated to begin in late June and continue through early November. Newsletters will be periodically mailed or hand delivered to keep residents informed about the progress of the project.

If you have questions please call the Department of Public Works at 630.620.5740.

Sincerely,

Village of Lombard
