Subject: June 2015 Meeting Item 4—Wilson Parking Restriction

The Public Works Department has received two requests (Betsy Swinson, Abdul Majeed) to continue the south side parking restriction on Wilson Ave west of Finley Rd. Motorists appear to be parking in that area and hindering sight distance from driveways and traffic control. In addition, the elevation change at EB Wilson and Finley Rd contributes to the sight reduction. The restriction ends at Finley and resumes in the unincorporated portion. For safety and uniformity, the restriction should include the portion between Finley Rd to the Village boundary (Highmoor Rd).

Staff recommends approval of the above request.
