## MEMORANDUM

**TO:** Scott Niehaus, Village Manager

**FROM:** Keith T. Giagnorio  
Local Liquor Control Commissioner  
Village President

**DATE:** June 11, 2018

**SUBJECT:** **Noon Whistle Brewing Company Special Event**  
**800 E. Roosevelt Road**

Noon Whistle Brewing Company will be applying for a Special Event Permit for a one-day, temporary event called Summerfest which will be held on June 30, 2018 from noon to 11:00 p.m. In conjunction with that event, Noon Whistle is requesting permission for a Class "J" liquor license in order to serve beer in a defined, fenced-in area of the parking lot adjacent to their premises.

Troika Brewing Company LLC d/b/a Noon Whistle Brewing Company currently holds a Class "S" liquor license which allows them to manufacture and consume beer products on the licensed premises as well as serve beer, cider and wine, that are not manufactured on the licensed premises.

As Village Code does not consider the parking lot part of the licensed premises, Village Board approval is needed. As you will recall, the Village Board previously approved other Class "J" liquor licenses to Troika Brewing Company LLC for their Summerfest and Oktoberfest events as well as for their anniversary party.

Attached find an ordinance amending Village Code Title 11, Chapter 112, Section 112.18(B) to allow the sale of beer within the specified area of the parking lot for this one-day, temporary, special event. The petitioner has verbally requested a waiver of first reading in order to allow them enough time to secure a State liquor license and advertise for this event.

Mr. Keith T. Giagnorio  
Village Of Lombard – Local Liquor Commissioner  
255 E. Wilson Ave.  
Lombard, IL 60148

I am writing on behalf of Noon Whistle Brewing Company to describe a proposed event, Noon Whistle Summerfest, which we are hoping to host on Saturday June 30<sup>th</sup>, 2018. The event will begin at 12:00pm and will close at 11:00pm, which are also our normal business hours.

Noon Whistle Brewing Company is a for profit company, with a Class "S" liquor license, and we have applied for a special event permit with the Building Division. Although the vent will occur on our premises and within normal business hours, we are requesting permission to serve our beer in the parking lot directly in front of our micro-brewery for consumption during the special event.

We understand this special event requires specific controls and we incorporate appropriate processes and precautions so to responsibly host this event. First, the event area will be fenced in using reliable temporary fencing so to limit entrance points and general access to the event. Second, we will have a single table set up to check customer's identification and age. We will provide wristbands to customers of appropriate age. The ID/wristband table will be located at the entrance to the event and staffed by Noon Whistle ownership and/or experienced staff members. Next, beer will be served only to customers with event wristbands and in a 14oz ounce plastic cup by Bassett certified Noon Whistle staff members. Customers will not have access to the pouring stations and pitchers will not be used. Also, we will formally end at 11:00pm, we will stop serving beer outside one-hour earlier at 10:00pm to allow customers a reasonable amount of time to finish their drinks and allow us to promptly begin cleaning up after the event.

This event should be fun and will showcase our brewery, local food trucks businesses, and the Village of Lombard. We appreciate your time and consideration of this event and respectfully request your approval.

Respectfully submitted,

Mike Condon, Owner

Noon Whistle Brewing Company
