WHEREAS, the Glenbard Wastewater Authority, DuPage County, Illinois (the “Authority”) operates its sewage system (the “System”), and the Villages of Glen Ellyn and Lombard have entered into an intergovernmental agreement in order to create the Authority in accordance with the provisions of the Intergovernmental Cooperation Act and the Intergovernmental Cooperation provisions of the Illinois Constitution (Ill. Const. Art. VII, Section 10, 5 ILCS 220/I) and the Local Government Debt Reform Act, (30 ILCS 350/1) collectively, the “Act”); and

WHEREAS, the Board of Directors of the Authority has determined that it is advisable, necessary and in the best interest of public health, safety and welfare to upgrade the existing St. Charles Road Lift Station to help alleviate a sanitary sewer overflow located in the collection system upstream of the station, as well as other miscellaneous equipment improvements, with an estimated useful life of not less than twenty (20) years, together with any land or rights in land and all electrical, mechanical and other services necessary, useful or advisable to such construction and installation (the “Project”), all in accordance with the plans and specifications therefor prepared by consulting engineers to the Authority; and

WHEREAS, the estimated cost of constructing and installing the Project, including engineering, legal, financial, and other related expenses, is in the amount of up to \$4,000,000.00, and there are insufficient funds on hand and lawfully available to pay all of such costs; and

WHEREAS, such costs are expected to be paid for with a loan to the Authority from the Illinois Environmental Protection Agency through the Water Pollution Control Revolving Fund, said loan to be repaid from the revenues of the System and such loan is authorized to be accepted at this time pursuant to the Act; and

WHEREAS, pursuant to and in accordance with the provisions of the Act, the Authority is authorized to borrow funds from the Water Pollution Control Revolving Loan Fund in the aggregate principal amount not to exceed \$4,000,000.00 for the purpose of providing funds to pay the costs of the Project; and

WHEREAS, the loan to the Authority shall be made pursuant to a Loan Agreement, including certain terms and conditions, between the Authority and the Illinois Environmental Protection Agency; and

WHEREAS, the Corporate Authorities of the Villages wish to independently exercise their authority to authorize or ratify the execution of the Loan Agreement in addition to the actions to be taken by the Board of Directors of the Authority;

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF LOMBARD, DU PAGE COUNTY, ILLINOIS, as follows:

SECTION 1: Incorporation of Preambles. The Corporate Authorities of the Village of Lombard hereby find that the recitals contained in the preambles to this Ordinance are true and correct and do incorporate them into this Ordinance by this reference.

SECTION 2: Determination to Borrow Funds. It is necessary and in the best interests of the Authority to construct the Project for the public health, safety and welfare, in accordance with the plans and specifications, as described, so that the System continues to be operated in accordance with the provisions of the Act, and that for the purpose of constructing the Project, it is hereby authorized that funds be borrowed by the Authority in an aggregate amount not to exceed \$4,000,000.00, and to pay such interest charges as are charged for loans from the Water Pollution Control Revolving Fund, with available Federal subsidies, which cannot exceed any statutory maximum.

SECTION 3: Publication. This Ordinance, together with a Notice in the statutory form as attached hereto as Exhibit A, and made part hereof, shall be published once within ten (10) days after passage in the Lombardian, a newspaper published and of general circulation in the Village of Lombard, and if no petition, signed by electors numbering 10% or more of the registered voters in the Village of Lombard asking that the question of improving the System as provided in this Ordinance and entering into the Loan Agreement therefor be submitted to the electors of the Village of Lombard, is filed with the Village Clerk within thirty (30) days after the date of publication of this Ordinance and the Notice, then this Ordinance shall be in full force and effect. A petition form shall be provided by the Village Clerk to any individual requesting one.

SECTION 4: Additional Ordinances. If no petition meeting the requirements of the Act and other applicable laws is filed during the thirty (30) day petition period, then the Corporate Authorities of the Village of Lombard may adopt additional ordinances or proceedings supplementing or amending this Ordinance providing for entering into the Loan Agreement with the Illinois Environmental Protection Agency, prescribing all the details of the Loan Agreement, and providing for the collection, segregation and distribution of the revenues derived from a user charge, so long as the maximum amount of the Loan Agreement as set forth in this Ordinance is not exceeded and there is no material change in the Project or purposes described herein.
