Subject: Request for "No Parking" Signs at 153 Eisenhower Lane North

The Village received a letter from Alter Asset Management requesting "No Parking" signs be installed in front of 153 Eisenhower Lane North. I met with Mr. Dan Balint of Inland Plastics to review his request. Dan said he has 3 semi-tractor trailers delivering daily to his business. With vehicles parking across the street from his loading dock the driver can not back the truck into the dock. Dan also requested "No Parking" in front of his business due to vehicles parking too close to the driveway. The area has sufficient off street parking to accommodate their guests.

The Village in the past has allowed the installation of "No Parking" signs to assist business owners.

**RE: No Parking Request
153 Eisenhower Lane North**

Dear Mr. Cuny:

I have been asked by my tenant, Inland Plastics, Ltd. to have "No Parking" signs put up directly across from their truck dock on Eisenhower Lane. I have enclosed a map of Yorkbrook Park and marked the area I am referring to. The problem is when a car is parked in this area the semi-trucks have a very difficult time making the swing into the dock. Many times they have to go from tenant to tenant to find out who the vehicle belongs to and ask them to move it.

Please present this request to the Traffic and Safety Committee at your next meeting. If you have any questions or need additional information please give me a call at (630) 620-3600. Thank you in advance for your help.

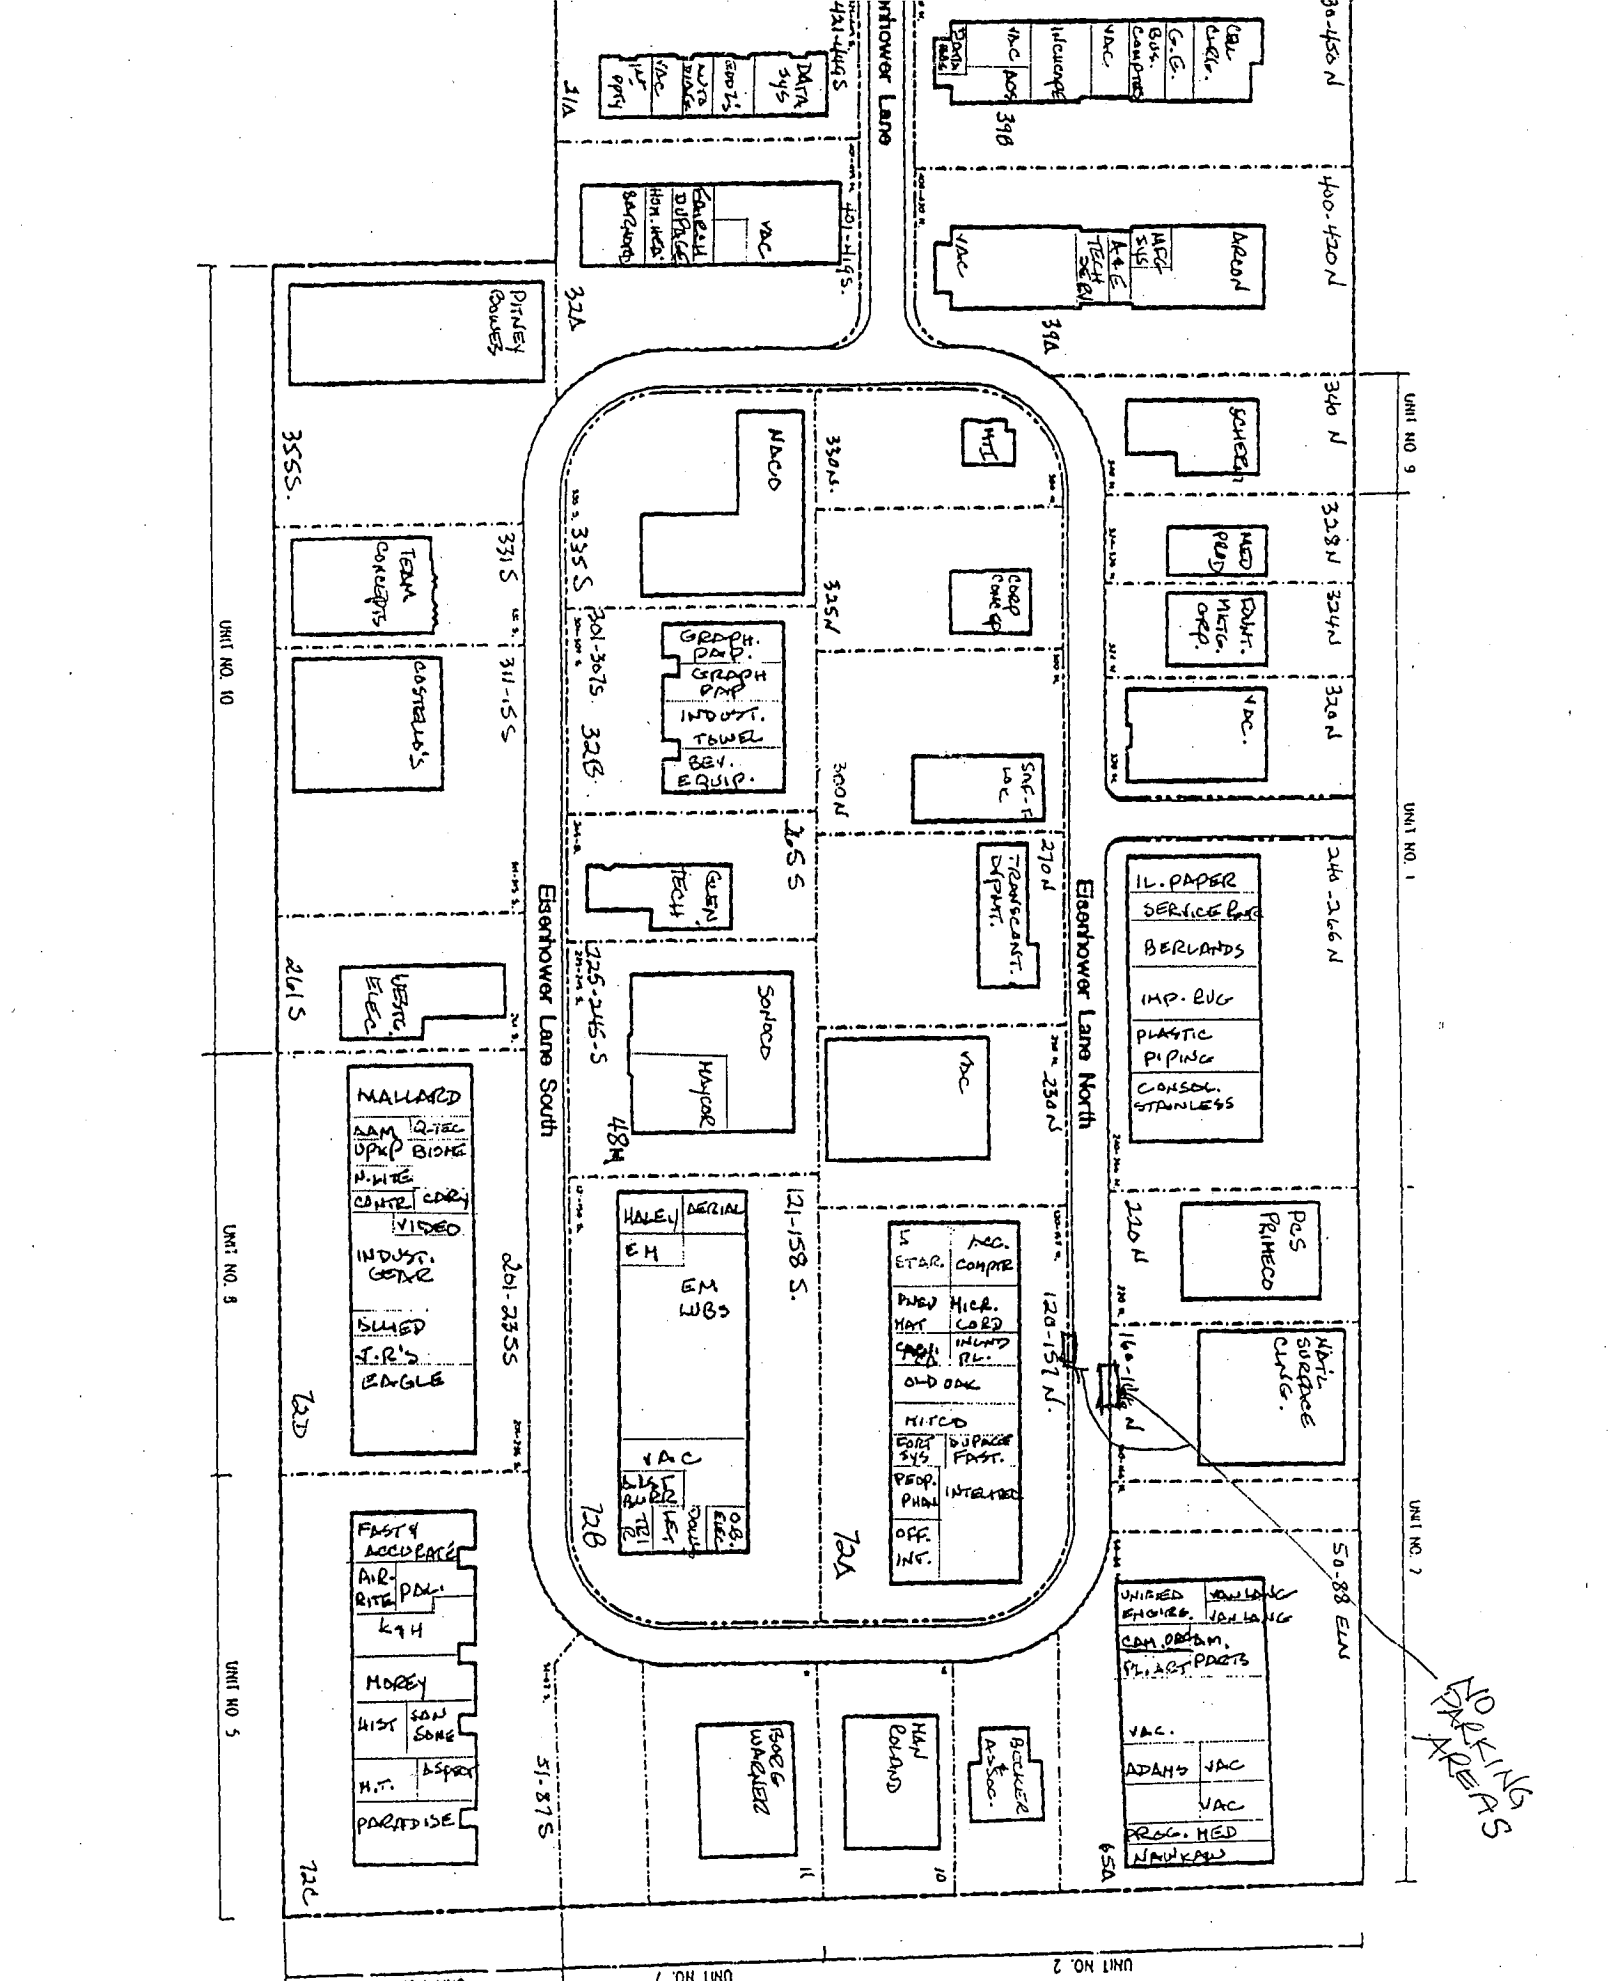

Sincerely,

Kelly Peters
Property Supervisor
