Subject: Disposal 1994 Chevy P-30 Evidence Van Unit 142

The police department's 1994 Chevy Evidence Van was replaced by our new Mobile Command Vehicle. All usable equipment has now been transferred from this vehicle leaving only minimal equipment that is outdated and no longer needed.

Due to its unique design and lettering, this vehicle has limited usefulness as anything other than a police evidence vehicle. At the time we purchased our new vehicle, Faber Specialty Vehicles, Inc. estimated the value of this vehicle at approximately \$10,000. Based upon this suggested price, we alerted various DuPage County police agencies that this vehicle was available for sale for \$10,000. As of the deadline of Wednesday, May 13, 2009 only Deputy Chief Bill Holmer of the Glen Ellyn Police Department committed to purchase the vehicle as is for \$10,000.

This vehicle was purchased in 1994 using seized drug assets and the proceeds from the sale of this vehicle must be returned to the drug seizure fund.

I respectfully request that the Village Board authorize the sale of this vehicle to the Village of Glen Ellyn for \$10,000. We are requesting waiver of first reading to expedite the disposal.
