

MEMORANDUM

To: William T. Lichter, Village Manager
Through: Wes Anderson, Director of Public Works
From: Angela M. Podesta, Utilities Superintendent
Date: April 10, 2007
Subject: Catch Basin Cleaning Bid

On April 6, 2007, six bids were received for the Catch Basin Cleaning project. This is a new project to supplement our annual catch basin cleaning program, which is currently performed solely by Village crews. The Village has a goal of cleaning one-third of the Village-owned catch basins each year. This program is one component of the Combined Sewer Overflow Operations & Maintenance Plan required by the IEPA Permit for the Lombard Combined Sewerage Treatment Plant to reduce sediment entering the treatment plant during rain storms.

The Catch Basin Cleaning project is budgeted in the Water & Sewer Capital Reserve Fund at a cost of \$30,000 for FY 06/07 and \$50,000 for FY 07/08. This bid extends over two fiscal years. Bids were received from the following companies:

Company	Proposal Amount
United Septic & Grease Busters, Bristol, IL	\$86,400.00
National Power Rodding Corp., Chicago, IL	\$65,100.00
AK Underground, Tinley Park, IL	\$79,999.50
Sheridan Plumbing and Sewer, Burr Ridge, IL	\$89,452.50
ProLiquids Environmental Services, Hammond, IN	\$206,850.00
Visu-Sewer of Illinois, Bridgeview, IL	\$100,836.90
Budget Estimate	\$80,000.00

National Power Rodding Corporation of Chicago, IL has performed work for the Village in the past and their work was satisfactory.

Therefore, I am requesting the Board of Trustees award a contract for the Catch Basin Cleaning Project to National Power Rodding Corporation of Chicago, IL, in an amount equal to the total budgeted amount of \$80,000 for FY 06/07 and FY 07/08 at their April 19, 2007 meeting.
