MEMORANDUM

To:

Finance and Administration Committee

From:

Timothy Sexton, Director of Finance

Date:

December 7, 2022

Subject:

Village Insurance Renewal

Please find attached the report from our Risk Management Consultant, Mike Nugent, on the 2023 insurance renewal program. There are three options that involve different choices related to workers compensation (WC) - Safety National, Midwest Employers Casualty (MEC) and Illinois Public Risk Fund (IPRF). Mr. Nugent will be at the Finance and Administration Committee meeting on November 29, 2021 to discuss both options.

Staff and Mr. Nugent are recommending Option 3 with IPRF for WC. Last year, staff knew that WC premiums were escalating quickly over the last few years and would continue to do so, and the Finance Committee was advised there was research to be done outside of our historical Safety National option. Two pools were considered this year, MEC and IPRF. MEC however had a \$1.25 millions self-insured retention on Police and Fire WC claims, so this was just not a competitive option.

Staff held multiple meetings with IPRF this year to determine how they operated, and the structure of their pool. In addition, staff spoke with multiple other municipalities of Lombard's size in the Chicago area that belong to IPRF, and they were all satisfied with the pool. One final point, related to joining a pool. Some long-time members may recall when the Village was part of IRMA, back through 1998. IRMA required lard capital reserves to be put into the pool. After Lombard exited IRMA in 1998, Lombard did not receive all of its capital reserves back until 2020, 22 years later. IPRF does not operate the same model as IRMA, as there are no large deposit requirements to join. Simply stated, if for whatever reason the Village is not happy with the pool after one year, the Village can simply move onto another option and there is no money that the pool would keep for an extensive period of time. Also attached is some basic information on IPRF.

The Finance staff requests that the Finance and Administration Committee recommend the insurance renewal to the Village Board.
