Subject: Snow and Debris Hauling Contract PWO-0603

On May 20, 2004, the Village Board approved a contract with Nagel Trucking & Materials, Inc. for the Snow and Debris Hauling. In the bid documents was a provision to extend the contract for Snow and Debris Hauling for one additional year. Attached is a letter from Nagel Trucking & Materials, Inc. indicating their willingness to provide the same service at the listed unit prices for an additional year. I feel that it would be in the best interest of the Village to extend the contract at prices requested. The contract increase of 6% is due mainly to the cost of fuel. The reduction in debris associated with the change in the Sewer Stub Program results in the request staying within budget even with the contract increase.

To exercise the renewal option, the Village Attorney has stated that the Village Board must approve acceptance of the renewal. There is no need to sign a new contract. If approved by the Board, staff would send confirming letters with signature space for Nagel Trucking & Materials, Inc. to accept extension of the contract. Nagel Trucking & Materials, Inc. has provided good service during the past year. I recommend renewal of the contract for one year under the same terms, conditions for the next fiscal year. Please note that when the Board approves the extension, Public Works will have all Snow and Debris Hauling provided by Nagel Trucking & Materials, Inc. in an amount not to exceed \$132,300.00. I also request a waiver of bids.

Please place this item on the May 5, 2005, agenda for consideration by the Village Board.

If you have any questions, feel free to call me.
