Subject: FY17 Vehicle Replacement, Tandem Axle Dump Truck

The FY 2017 budget includes replacement of a Public Works Street Division tandem axle dump truck with plow and salt spreader (unit # ST328, 2007 Sterling dump truck with plow and salt spreader). Since the lead time to build this truck is approximately 8 months staff would like Village Board authorization to place the order for the vehicle now, which would allow delivery in the winter of 2017.

Public Works would like this truck to be outfitted with a dump body, salt spreader, front plow and wing plow. Additionally this unit will be able to haul and run an anti-ice tanker the Village currently owns. The price of the Peterbilt chassis is \$98,790.66. The cost of the dump body, salt spreader, front plow and wing plow is \$111,947. Therefore the total price of the truck is \$210,737.66. The amount we have in reserve for this purchase is \$186,000. We received \$50,000 at auction from the sale of a similar truck we replaced last year so this purchase will be fully funded by the vehicle reserves and the sale proceeds from the surplus truck.

The Peterbilt chassis is available for joint purchase through the National Joint Purchase Alliance (NJPA) and a recent Lake County bid with a joint purchase clause (see attached). The winning bidder of both joint purchase contracts is JX Peterbilt of Bolingbrook, IL however the Lake County bid price is \$2,000 less because the Peterbilt vendor does not have to pay the fees associated with NJPA.

I recommend the Board of Trustees award a contract to JX Peterbilt of Bolingbrook, IL in the amount of \$210,737.66 for one new Peterbilt dump truck with salt spreader, front plow and wing plow. I also recommend declaring Village unit # ST328 as surplus per the attached ordinance and authorizing its sale. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the July 21, 2016 meeting.

28. NON-ENFORCEMENT BY THE COUNTY

The Contractor shall not be excused from complying with any of the requirements of the Contract because of any failure on the part of the County, on any one or more occasions, to insist on the Contractor's performance or to seek the Contractor's compliance with any one or more of said terms or conditions.

29. JOINT PURCHASING

The purchase of goods and services pursuant to the terms of this Contract shall also be offered for purchases to be made by other governmental units, as authorized by the Governmental Joint Purchasing Act, 30 ILCS 525/0.01, et seq. (the "Act"). All purchases and payments made under the Act shall be made directly by and between each governmental unit and the successful bidder. The bidder agrees that Lake County shall not be responsible in any way for purchase orders or payments made by the other governmental units. The bidder further agrees that all terms and conditions of this Contract shall continue in full force and effect as to the other governmental units during extended terms. The credit or liability of each governmental unit shall remain separate and distinct. Disputes between bidders and governmental units shall be resolved between the immediate parties.

The bidder and the other governmental units may negotiate such other and further terms and conditions to this Contract ("Other Terms") as individual projects may require. To be effective, Other Terms shall be reduced to writing and signed by a duly authorized representative of both the successful bidder and the other governmental unit.

The bidder shall provide the other governmental units with all required documentation set forth in the solicitation including but not limited to: performance and payment bonds, Certificates of Insurance naming the respective governmental unit as an additional insured, and certified payrolls to the other governmental unit as required.

30. ECONOMIC OPPORTUNITY PROGRAM

Lake County launched a Buy Local. Build Local. Work Local. initiative in 2013 to increase the outreach and procurement opportunities for businesses located within Lake County, including women-owned businesses and minority-owned business enterprises (L/W/MBE). The overarching objective is to maximize participation from these businesses in the County's procurement process, in accordance with applicable law. The County will take all necessary and reasonable steps to assure that business enterprises defined as L/W/MBE shall have a fair opportunity to participate in County contracts. As part of its Economic Opportunity Program (EOP) commitment the County will make every effort to achieve the following objectives:

- (a) To ensure nondiscrimination in the award and administration of contracts;
- (b) To create a level playing field on which L/W/MBEs can compete fairly for contracts by providing any necessary training and assistance in bid preparation;
- (c) To ensure that the County's EOP is narrowly tailored in accordance with applicable law;
- (d) To establish a means for firms identifying themselves as L/W/MBEs to register for procurement opportunities and work cooperatively with contracted firms to report on measures that demonstrates the County's commitment to its EOP; and,
- (e) To help remove barriers to the participation of L/W/MBEs through notification of contract opportunities.

Successful bidders are encouraged to work with Workforce Development to post any and all opportunities for employment on County contracts. Lake County's Workforce Development mission is to foster and ensure the economic prosperity of the Lake County community by maximizing the potential of businesses and workers. As such, Workforce Development provides a key resource for job seekers and employers.

State law mandates an open and competitive bidding process and requires that publicly procured contracts be awarded to the lowest responsible and responsive bidder with no demonstrated preference based on the bidder's location, race and gender.
